Hate Crime in India G. S. Bajpai, Garima Pal, Tusha Singh, Advait Tambe, 2023-05-25 This book investigates perceptions against the people of north east India and why such prejudicial attitude exists It subsequently quantifies and develops measures to counter such stereotypes and affiliated

violence This research examines the north east Indian population s and the general Indian population s understanding of hate crime against the north eastern population in metropolitan cities of India both in concept and in perpetration Further it evaluates the existing constitutional and statutory provisions in India to determine if the proposed legislation and provisions are sufficient with regards to hate crime against north eastern people of India Drawing on empirical research addressing racial hate crimes in Delhi Mumbai Bengaluru Chennai Hyderabad and Pune this book s case studies provide a qualitative dive to the problem and offer experiential analysis in order to curate preventive measures This book is ideal for scholars researchers teachers and students interested in hate crime racial violence minority struggles victimology and law *Sex Work and Hate Crime* Rosie Campbell, Teela Sanders, 2021-11-09 This book brings together literature empirical research findings from two projects and policy analysis to examine how some forces in England have adopted the approach of treating crimes against sex workers as hate crimes This book identifies some of the benefits of the hate crime approach to crimes against sex workers both operationally and for some of the victims of crime The authors argue that the hate crime approach should not be seen as an alternative to decriminalisation of sex work but can provide a pathway to achieving more sensitive but robust policing of crimes against sex workers and support in accessing justice through the criminal justice system They also examine the broader context of hate crime policy and scholarship as they debate the relevance problems and merits of the sex work hate crime model The book provides another dimension to current theoretical and policy debates about widening definitions and law around hate crime to include other groups beyond existing protected characteristics

Responding to Hate Crime Chakraborti, Neil, Garland, Jon, 2015-07 The policy makers that govern responses to hate crimes and the institutions that research those crimes have up to this point been separate policy makers have not taken research into consideration and researchers have conducted their studies with little reference to policies This book bridges the gap between the two by bringing together internationally renowned hate crime experts from the domains of academia policy making and activism The contributors provide new perspectives on the nature of hate crimes their victims and their perpetrators exploring a range of themes challenges and solutions that have otherwise received little attention The result is a collection of innovative ways of combating hate crime that combines cutting edge research with the latest in professional innovations while remaining accessible to a wide audience **Hunting Season** Mirta Ojito, 2013-10-15 Ojito has done truth an invaluable service Extraordinary Junot Diaz author of *The Brief Wondrous Life of Oscar Wao* 2014 International Latino Awards Finalist A Pulitzer Prize winning journalist uncovers the true story of an immigrant s murder that turned a quaint village on the Long Island shore into ground zero in the war on immigration In November 2008 37 year old Marcelo Lucero an unassuming worker at a dry cleaner s and an undocumented Ecuadorean immigrant was attacked and murdered by a group of teenagers as he walked the streets of the Long Island village of Patchogue accompanied by a childhood friend The attackers were out hunting for beaners Some of the kids later confessed that chasing harassing and assaulting defenseless

beaners their slur for Latinos was part of their weekly entertainment In recent years Latinos have become the target of hate crimes as the nation wrestles with swelling numbers of undocumented immigrants Public figures fan the flames and advance their careers by spewing anti immigration rhetoric In death Lucero became a symbol of everything that was wrong with our broken immigration system fewer opportunities to obtain travel visas to the United States porous borders a growing dependency on cheap labor and the rise of bigotry Drawing on firsthand interviews and on the ground reporting journalist Mirta Ojito has crafted an unflinching portrait of one community struggling to reconcile the hate and fear underlying the idyllic veneer of their all American town With a strong commitment to telling all sides of the story Ojito unravels the engrossing narrative with objectivity and insight providing an invaluable look at one of America s most pressing issues Reminds us how we might think of each other and how we treat all of our neighbors whether or not they look like us This is our human story Wes Moore author of *The Other Wes Moore* **Islamophobic Hate Crime** Imran Awan,Irene

Zempi,2019-07-16 In recent years there has been a sharp increase in anti Muslim attacks What is driving the proliferation of these hate crimes Why are Muslims being demonised Building on current research and drawing upon real life examples and case studies this book provides an accessible introduction to Islamophobia and Islamophobic hate crimes along with the various responses to this form of victimisation Chapters cover a range of topics including Definitions of hate crime and Islamophobia Islamophobic hate crime online Gender and Islamophobia Media representations of Islamophobia Institutional Islamophobia As one of the first student resources dedicated to the subject of Islamophobia this book will be instructive and important reading for those engaged in a range of topics in criminology including hate crime victimology and victimisation crime and media and gender and crime *The Language of Hate* Andrew Brindle,2016-05-20 In this book Andrew Brindle analyzes a corpus of texts taken from a white supremacist web forum which refer to the subject of homosexuality drawing conclusions about the discourses of extremism and the dissemination of far right hate speech online The website from which Brindle s corpus is drawn Stormfront has been described as the most powerful active influence in the White Nationalist movement Kim 2005 Through a linguistic analysis of the data combining corpus linguistic methodologies and a critical discourse analysis approach Brindle examines the language used to construct heterosexual white masculinities as well as posters representations of gay men racial minorities and other out groups and how such groups are associated by the in group Brindle applies three types of analysis to the corpus a corpus driven approach centered on the study of frequency keywords collocation and concordance analyses a detailed qualitative study of posts from the forum and the threads in which they are located and a corpus based approach which combines the corpus linguistic and qualitative analyses The analysis of the data demonstrates a convergence of reactionary responses to not only women gay men and lesbians but also to racial minorities Brindle s findings suggest that due to the forum format of the data topics are discussed and negotiated rather than dictated unilaterally as would be the case in a hierarchical organization This research based study of white supremacist

discourse on the Internet facilitates understanding of hate speech and the behavior of extremist groups with the aim of providing tools to combat elements of extremism and intolerance in society

Encyclopedia of Trauma Charles R. Figley, 2012-06-19 Trauma is defined as a sudden potentially deadly experience often leaving lasting troubling memories Traumatology the study of trauma its effects and methods to modify effects is exploding in terms of published works and expanding in terms of scope Originally a narrow specialty within emergency medicine the field now extends to trauma psychology military psychiatry and behavioral health post traumatic stress and stress disorders trauma social work disaster mental health and most recently the subfield of history and trauma with sociohistorical examination of long term effects and meanings of major traumas experienced by whole communities and nations both natural Pompeii Hurricane Katrina and man made the Holocaust 9 11 One reason for this expansion involves important scientific breakthroughs in detecting the neurobiology of trauma that is connecting biology with human behavior

which in turn is applicable to all fields involving human thought and response including but not limited to psychiatry medicine and the health sciences the social and behavioral sciences the humanities and law Researchers within these fields and more can contribute to a universal understanding of immediate and long term consequences both good and bad of trauma both for individuals and for broader communities and institutions Trauma encyclopedias published to date all center around psychological trauma and its emotional effects on the individual as a disabling or mental disorder requiring mental health services This element is vital and has benefited from scientific and professional breakthroughs in theory research and applications Our encyclopedia certainly will cover this central element but our expanded conceptualization will include the other disciplines and will move beyond the individual

The Business of Criminal Justice Daniel Adrian Doss, Chengqi Guo, Joo Young Lee, 2011-12-19 This book represents the manifestation of a new presentation of old perspectives within the discipline of criminal justice It contains practical considerations of rendering such decisions it is expected to be an appropriate reference among practitioner personnel

The Globalization of Hate Jennifer Schweppe, Mark Austin Walters, 2016-05-25 The Globalization of Hate Internationalizing Hate Crime is the first book to examine the impact of globalization on our understanding of hate speech and hate crime Bringing together internationally acclaimed scholars with researchers policy makers and practitioners from across the world it critically scrutinises the concept of hate crime as a global phenomenon seeking to examine whether hate crime can or should be conceptualised within an international framework and if so how this might be achieved Beginning with the global dynamics of hate the contributions analyse whether hate crime can be defined globally whether universal principles can be applied to the phenomenon how hatred is spread and how it impacts upon our global society The middle portion of the book moves beyond the broader questions of globalisation to jurisdictional examples of how globalization impacts upon our understanding of and also our responses to hate crime The chapters explore in greater detail what is happening around the world and how the international concepts of hate crime are being operationalised locally drawing out the themes of globalization and internationalization that are relevant to hate crime as evidenced by a number of jurisdictions from Europe the US Asia and Africa The final part of the book concludes with an examination of the different ways in which hate speech and hate crime is being combatted globally International law internet regulation and the use of restorative practices are evaluated as methods of addressing hate based conflict with the discussions drawn from existing frameworks as well as exploring normative standards for future international efforts Taken together these innovative and insightful contributions offer a timely investigation into the effects of hate crime offering an interdisciplinary approach to tackling what is now a global issue It will be of interest to scholars and students of criminology sociology and criminal justice as well as criminal justice practitioners police officers and policy makers

Sex, Sexuality, Law, and (In)justice Henry F. Fradella, Jennifer M. Sumner, 2016-02-26 Sex Sexuality Law and In Justice covers a wide range of legal issues associated with sexuality gender reproduction and identity These are critical and

sensitive issues that law enforcement and other criminal justice professionals need to understand The book synthesizes the literature across a wide breadth of perspectives exposing students to law psychology criminal justice sociology philosophy history and where relevant biology to critically examine the social control of sex gender and sexuality across history Specific federal and state case law and statutes are integrated throughout the book but the text moves beyond the intersection between law and sexuality to focus just as much on social science as it does on law This book will be useful in teaching courses in a range of disciplines especially criminology and criminal justice history political science sociology women and gender studies and law

Hate Crimes Barbara Perry, 2009-03-05 This book offers a comprehensive approach to understanding hate crime its causes consequences prevention and prosecution Hate crimes continue to be a pervasive problem in the United States The murder of Matthew Shepard the lynching of James Byrd the murderous rampage of Benjamin Smith and anti Muslim violence remind us that incidence of deadly bigotry is not only a recurring chapter in U S history but also a part of our present day world Contrary to common belief hate mongers who commit crimes are rarely members of the Ku Klux Klan or a skinhead group In fact fewer than 5 percent of identifiable offenders are members of organized hate groups Yet rather than being an individual crime hate crime represents an assault against all members of stigmatized and marginalized communities To fully understand the phenomenon of hate crime and reduce its incidence it is necessary to clearly define the term itself to examine the victims and the offenders and to evaluate the consequences and harms of hate crimes This comprehensive five volume set carefully addresses the disturbing variety and incidence of hate crimes exposing their impacts on the broader realms of crime punishment individual communities and society The contributing authors and editors pay critical attention to cutting edge topics such as online hate crimes hate based music anti Latino hostilities Islamophobia hate crimes in the War on Terror school based anti hate initiatives and more The final volume of Hate Crimes provides valuable food for thought on possible legislative educational social policy or community organizational responses to the varied forms of hate crime
