Major Bible Themes Lewis Sperry Chafer, John F. Walvoord, 1974 Examines fifty two biblical doctrines that are relevant to the contemporary religious scene including the Holy Spirit the nature of the Church and the second coming of Christ

Major Bible Themes Lewis Sperry Chafer, 1953 **Major Bible Themes** Lewis Sperry Chafer, John F.

Walvoord, 2010-12-21 In an age characterized by skepticism and ignorance of the Holy Scriptures this timely volume clearly sets forth the biblical truths and teachings that long have been cherished by Christians Virtually a classic for this century *Major Bible Themes* includes chapters on doctrines that merit particular attention in the contemporary religious scene such as the Holy Spirit the nature of the Church and the second coming of Christ Designed for group and individual study for pastors laymen and students *Major Bible Themes* is an indispensable tool providing the biblical basis for fifty two doctrines complete with topical and Scripture indexes Questions for discussion and review follow each chapter Whether your purpose is to explore Bible doctrines as a new Christian to erase confusion stemming from conflicting views in the contemporary church or to establish a stronger basis for witnessing to your beliefs *Major Bible Themes* is essential for study and reference

Biblical Doctrine John MacArthur, Richard Mayhue, 2017-01-13 Long Awaited Systematic Theology by Well Known Pastor Author and President of the Master s Seminary Doctrine isn t just for theologians it s important for every Christian because it shows us who God is and how we should live Systematizing the robust theology that has undergirded John MacArthur s well known preaching ministry for decades this overview of basic Christian doctrine covers topics such as God the Father Jesus Christ the Holy Spirit the Bible salvation and more Comprehensive in scope yet written to be accessible to the average reader with non technical vocabulary minimal footnotes and a helpful bibliography this volume offers Christians a solid foundation for what they believe and why *Journey of a Believer* Bob Reinsch, 2023-12-05 A map almost ruined our honeymoon It was our second day of marriage and as we were driving up the Olympic Peninsula to Port Angeles I found it difficult to read the map and drive at the same time So I handed the map to my Debbie and asked her to tell me where to turn As a new believer I felt like Debbie Someone hands you a Bible and expects you to know how to read it Jesus had transformed me into a new creation but I was a baby who did childish things and needed a parent to nurture me along and stimulate my spiritual development I hope that in a way I can be that for you as you read the lessons I learned in my pursuit to be a follower of Christ such as learning to effectively tell people how Jesus changed my life becoming consistent in spending time alone with God letting prayer be a vital part of my life discovering what helps grow my faith finding an easy way to study the Bible and mastering sin in my life I thank my heavenly Father and Lord Jesus for my journey because with each lesson I have grown closer to Them As that intimacy deepens so does the longing to be with Them in heaven My prayer is that this will happen to you as I share my journey with you **The Doctrine of Creation** Bruce Riley Ashford, Craig G.

Bartholomew, 2020-11-10 According to Bruce Ashford and Craig Bartholomew one of the best sources for regaining a robust

biblical doctrine of creation is the recovery of Dutch neo Calvinism Tracing historical treatments and exploring theological themes Ashford and Bartholomew develop the Kuyperian tradition s rich resources on creation for systematic theology and the life of the church today Essential Christianity Keith Sherlin,2006-06 What are the essentials to the Christian faith How can you know and find God s will What doctrines comprise the foundation to a Christian life What should church leadership look like What experiences mark a healthy Christian These questions and more are answered in this book If you are looking for one book that can cover the whole Christian life then this book is for you as you seek to Love a faithful faith that honors God while learning to experience his goodness daily *One Thousand Years* David Coleman,2019-12-12 Imagine Jesus ruling over a kingdom that encompasses the entire planet with no one denying that Christ is God Perfect justice will prevail throughout the world and any rebellion will draw quick retribution Righteousness will triumph over evil everywhere and God s glory will extend from Jerusalem to the ends of the earth The greatest thing about the above scenario is that it is true Yet because many sermons and Bible studies on prophetic subjects tend to focus upon darker events foretold in Scripture most believers know little about it Handed pen and paper many believers could probably write out relatively well informed descriptions of end time topics such as the Tribulation the Antichrist and the Battle of Armageddon but ask them to describe the Millennium and many would respond with a blank stare If that describes you this book will fill you in on the bright future that awaits you One Thousand Years provides an overview of Christ s glorious earthly kingdom and explains why its literal fulfillment is guaranteed in Scripture **Discontinuity to Continuity** Benjamin L. Merkle,2020-06-03 What is the best framework for reading the Bible The question of how to relate the Old and New Testaments is as old as the Bible itself While most Protestants are unified on the foundations there are major disagreements on particular issues Who should be baptized Is the Christian obligated to obey the Law of Moses Does the church supplant Israel Who are the proper recipients of God s promises to Israel In *Discontinuity to Continuity* Benjamin Merkle brings light to the debates between dispensational and covenantal theological systems Merkle identifies how Christians have attempted to relate the Testaments placing viewpoints along a spectrum of discontinuity to continuity Each system s concerns are sympathetically summarized and critically evaluated Through his careful exposition of these frameworks Merkle helps the reader understand the key issues in the debate Providing more light than heat Merkle s book will help all readers better appreciate other perspectives and articulate their own *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort *A Thematic Access Oriented Bibliography of Jesus s*

Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Croteau,2010-02-01 Tithing is a well known church practice in our day and age but do church goers really practice it When did the concept of tithing begin How is it justified What does the Bible say about it You Mean I Don t Have to Tithe is a detailed study on the controversial topic of tithing covering over 2 000 years of well known theologians regarding this topic Dr Croteau s intense tithing investigation will enable you to explore tithing and related topics in depth expounding many misconceptions of tithing as well as aiding in a correct understanding of this popular topic

In the Beginning Who? Charles William Hamilton Jr.,2014-08-20 IN THE BEGINNING WHO An Unconventional Guide to Understanding and Knowing God gives people information which may influence them to consider the God of the Book to be a pretty nice guy and therefore decide to give Him a break and get more acquainted with Him on a personal level Our generation has been so effectively saturated by electro tainment disassembled logic flash speak and hypno marketing hype that the understanding and knowledge of God has been crowded out In fact it is rather reasonable that someone may ignore avoid or even downright reject Him as a result of all that stuff It is also plausible that many may have rejected a god who is not the God revealed to us in the Old and New Covenants Charles William Hamilton Jr

How Firm a Foundation Hal Harless,2004 Do covenants or dispensations structure the biblical revelation The historic conflict between Covenant and Dispensational theology has resulted in a neglect of biblical covenants in Dispensationalism As a corrective this book offers a variant of Dispensationalism designated Covenantal Dispensationalism Analyzing both ancient Near Eastern and biblical covenants this work clearly demonstrates that the character of each dispensation is the sum of the stipulations of the operative covenants Therefore this book concludes that covenants structure the biblical revelation and that resulting structure is Dispensationalism

Marriage What's the Deal The deal is you'll never look at marriage the same He offers a layered nuanced interpretation of Scripture that simultaneously will strengthen marriages and intensify Christians understanding of the intimate relationship between Christ and His church

Marv Knox Editor of the Baptist Standard **New Brethren in Flanders** Thomas J. Marinello, 2013-09-12 New Brethren in Flanders is the story of the planting and remarkable growth of Brethren churches in the Dutch speaking part of Belgium at the end of the twentieth century The Evangelische Christengemeenten Vlaanderen ECV began in the early 1970s as a result of evangelistic church planting efforts led by a group of Canadian Christian Brethren missionaries In just under twenty years the ECV grew from one evangelistic home Bible study to over thirty local churches in Flanders the Netherlands and Germany composed almost entirely of newly converted evangelical Christians As one of those who grew up in these churches notes The Spirit of God through the ECV's founders built up an altogether masterly piece of work right in front of us

Special Issue—Justification by Faith: A Historical Evaluation Various, 2024-12-01 In this issue of Affirmation Heb 1:3 it is impossible to progress in our full salvation without the assurance and without the security that come with a proper realization and experience of justification by faith The faith that joins us to Christ as righteousness for our justification is the very faith that permeates and operates throughout all of God's salvation work in His believers 1 Tim 1:4 and thus a proper understanding of justification by faith sets us on the right path to the full salvation of our entire being Our hope is that in reading these accounts of the church's advancing understanding of justification by faith across the millennia our readers will come to the same appreciation and the same boldness that we have arrived at in writing these accounts

Challenging the Traditional Interpretations of Justification by Faith, Part 2 John A. Campbell, Tony H. Espinosa, Martin H. Fuller, Mitchell J. Kennard, Joel I. Oladele, John-Paul Petrash, Kerry S. Robichaux, 2023-07-03 This volume is the second of a two part work that evaluates the teaching of justification by faith from the early church to modern times in light of the Scriptures and the ministry of Watchman Nee and Witness Lee Part 2 continues the evaluation begun in part 1 by examining the teaching of justification by faith from the mid sixteenth century to the twenty first century Throughout these centuries numerous accounts of this foundational Christian truth have been offered and many controversies have been and continue to be fought Beginning with the Lutheran tradition in the opening chapter the authors identify the contributions and shortcomings of each of the major Christian traditions While many of the Christian traditions have contributed some light to the church's understanding of justification by faith the authors contend that most of them have fallen short of the truth that in justification God approves the believers solely on account of their union with Christ as righteousness through faith
