Managemen Text and Cases (Second Edition) , *Postcritical Management Studies* Ghislain Deslandes,2023-05-26 This book is the first of its kind to offer a new definition of contemporary management It uses Michel Henry s philosophy and takes the real sensitive and pathetic subjectivity of individuals as the starting point of the analysis as opposed to the usual large categories of representations resources images and discourses This book thus proposes to rethink management by insisting on the dialectic of strength and vulnerability its power of constraint imitation and imagination and finally its framework of action situated in a fourfold concern for the self for people for institutions and for the environment These different notions are useful in order to experience a deeper understanding of management that is free from the obsolescence of the distant recommendations of ancient protomanagement and the outdated and dubious prescriptions of the so called scientific management

Human Resource Management: Text & Cases, 2nd Edition Pande Sharon & Basak Swapnalekha,2015

From Buddy to Boss, 2nd Ed Chase Sargent, 2018-04-13 Professional development and leadership with you in mind. A good friend once said about Chase Sargent that he is a very intelligent man but he sure does tick people off sometimes. Sargent doesn't disagree. He may have made some people mad but he wishes he had done it more often to get this point across. Leadership in all aspects of life is sorely lacking. The second edition of *From Buddy to Boss: Effective Fire Service Leadership* reinforces the fact that the fire service is screaming for leaders as men and women discover that leadership is important to their existence and success. Being a firefighter can be tiring and frustrating but it can be rewarding. It's not only about the job but also about raising kids, managing your life and trying to be a good person attached to God, country, family and friends, says the author. Many leaders today are surrounded by external politics, hidden agendas, fiscal constraints and manipulative people. Consider these factors when navigating your career. Sargent knows from decades of experience that simply reaching the top of the organizational ladder does not make you a good leader. Before he went into teaching this subject, it became apparent very quickly that the leadership and human resources training being provided was as scarce as water in a desert and that the fire service was thirsty. This new second edition includes must read topics on leadership lessons from the War in Iraq, knowing death in the fire service and providing leadership in large scale disasters. This book will change your life.

Make Their Day Employee Recognition That Works 2nd Edition : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Make Their Day Employee Recognition That Works 2nd Edition : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
