Powerful Multicultural Essays For

Innovative Educators And Leaders Festus E. Obiakor, 2017-10-01 Powerful Multicultural Essays for innovative Educators and Leaders is written for this day age and time We need to tear down our walls of hatred to optimize hearty conversations In addition we need to challenge ourselves and our institutions to do the right things We must revisit our inner spiritual connectivity there are biblical allusions that could buttress our understanding about multiculturalism For instance human valuing is the engine behind the Parable of the Good Samaritan and the Parable of the Sower Should our goal not be to sow good seeds that bloom to be beautiful flowers and even grow to be strong trees Should our actions be divorced from supporting those who are different from us Reading this book will help us to answer these questions As often as possible we must be action oriented and practical as we arrive at our central hub and enhance our potential or existential collaboration consultation and cooperation at all levels of our human interactions This is a book for students of life which means all of us We are all learners whether we are students teachers community leaders university professors and leaders researchers scholars politicians to mention a few We all need to read this book to optimize conversations create open and healthy environments and advance our nations and world The days for hiding from discourses are over We can no longer sweep our problems and actions under the rug And we cannot divorce ourselves from our own realities Hopefully this book will yield remarkable fruitful dividends with regard to human valuing
