The Psychology of Prejudice Todd D. Nelson, Michael A. Olson, 2024-01-03 In this book we examine the past and present research and theory on the motivations the why the situations and contexts the when the individual difference variables and traits the who and the affective and cognitive processes the how that lead to stereotyping and prejudice The intent is to provide an in depth and broad ranging analysis of stereotyping and prejudice The text focuses on understanding the issues theories and important empirical experiments that bear upon each problem in stereotyping and prejudice and to understand the most up to date research theories and conclusions of the leading researchers in the field Stereotyping and prejudice are indeed complex in their origin and one of the main goals of this book is to provide a coherent picture of the conditions under which stereotyping and prejudice are more or less likely to occur Another primary focus is to examine whether and how stereotyping and prejudice can be reduced or eliminated

Countering Contemporary Antisemitism in Britain Sarah K. Cardaun, 2015-08-31 In *Countering Contemporary Antisemitism in Britain* Sarah Cardaun presents a thorough scholarly analysis of responses to present day antisemitism in the UK Examining discourses and practical measures adopted by the British government parliamentary groups and non governmental organisations the book provides a comprehensive overview of different approaches to addressing anti Jewish prejudice in Britain It offers a critical perspective on universalistic interpretations which have traditionally characterised responses towards it in various fields such as Holocaust remembrance and education Against this background the study highlights the importance of organisations with a more specific focus on counteracting hostility towards Jews and the role civil society can play in the fight against the new antisemitism Overall this book makes a significant contribution to the academic debate on contemporary antisemitism and to the vital but neglected question of how today's resurgent anti Jewish prejudice may be tackled in practice
