Handbook Of Psychotherapy And Religious Diversity:

Handbook of Psychotherapy and Religious Diversity P. Scott Richards, Allen E. Bergin, 2000-01 This book provides practitioners with the information they need to increase their competency in working sensitively with members of each of the major faith communities in North America This volume examines over 2 dozen religious denominations and faith traditions in the context of clinical practice Chapter authors describe the unique history beliefs rituals and practices of the religion as well as commonly held views on social and moral issues such as divorce homosexuality birth control abortion suicide and euthanasia Worldviews including conceptions of a deity life after death and the purpose of life are also discussed Within the context of the particular faith chapter authors describe the therapeutic process including building relationships with clients from that tradition assessment and diagnosis common clinical issues and interventions most congruent with the faith Additional resources that help psychotherapists to deepen their understanding of a particular faith are also recommended This book helps all practitioners to more fully honor and make use of the unique religious beliefs and spiritual resources of their clients PsycINFO Database Record c 2004 APA all rights reserved *Handbook of Psychotherapy and Religious Diversity 1st Ed ,2000* *Handbook of Multicultural Counseling Competencies* Jennifer A. Erickson Cornish, Barry A. Schreier, Lavita I. Nadkarni, Lynett Henderson Metzger, Emil R. Rodolfa, 2010-08-13 A THOROUGH AND CONTEMPORARY EXPLORATION OF ISSUES FUNDAMENTAL TO MULTICULTURAL COMPETENCY Handbook of Multicultural Counseling Competencies draws together an expert group of contributors who provide a wide range of viewpoints and personal experiences to explore the identification and development of specific competencies necessary to work effectively with an increasingly diverse population Beginning with a Foreword by Derald Wing Sue this unique handbook offers a broad comprehensive view of multiculturalism that is inclusive and reflective The coverage in this important book lies beyond the scope of traditionally defined multiculturalism with discussion of historically overlooked groups that have experienced prejudice and bias because of their size social class age language disability or sexual orientation This book provides readers with Practical cases and examples to enhance skill development promote critical thinking and increase awareness A cross section of diversity characteristics and best practice guidelines Examination of detailed developmentally relevant competency categories Resources and exercises designed for practitioners at various levels of experience and expertise A forum for debate discussion and growth Designed to help readers enhance general multicultural competency and their ability to provide services to the populations specifically described this thought provoking text will prove useful in facilitating ongoing dialogues about multicultural competence in all its variations The New Handbook of Psychotherapy and Counseling with Men Glenn E. Good, Gary R. Brooks, 2005-02-18 These papers answer the editors call for the recognition of men as a special culture and for gender consideration in therapy The essays discuss theories and techniques for treating men and boys in a wide variety of situations from the job to the jail cell They also address diversity and the importance of considering cultural

influence on men's lives In this edition Good psychology U of Missouri Columbia and Brooks psychology and neuroscience Baylor U condensed their two volume work into a single volume and added material on research undertaken since the original publication in 1987 Annotation 2004 Book News Inc Portland OR booknews.com Handbook of Counseling Women Mary Kopala, Merle Keitel, 2016-10-11 The Handbook of Counseling Women edited by Mary Kopala and Merle Keitel draws together a nationally recognized group of contributing scholars and practitioners to address current theories research and issues relevant to the mental and physical well being of women Comprehensive and accessible the Second Edition is organized into three parts covering theoretical sociocultural biological and developmental considerations assessment diagnosis and intervention and supervision research and ethics The reorganization of this new edition includes more sections and chapters giving special attention to such topics as women and poverty intimate partner violence women's career barriers and considerations for specific ethnic groups **Handbook of Spirituality and Worldview in Clinical Practice** Allan M. Josephson, John R. Peteet, 2008-05-20 This refreshing new work is a practical overview of religious and spiritual issues in psychiatric assessment and treatment Eleven distinguished contributors assert that everyone has a worldview and that these religious and spiritual variables can be collaborative partners of science bringing critical insight to assessment and healing to treatment Unlike other works in this field which focus primarily on spiritual experience this clearly written volume focuses on the cognitive aspects of belief and how personal worldview affects the behavior of both patient and clinician Informative case vignettes and discussions illustrate how assessment formulation and treatment principles can be incorporated within different worldviews including practical clinical information on major faith traditions and on atheist and agnostic worldviews The book's four main sections give concise yet comprehensive coverage of varying aspects of worldview Conceptual Foundation The Introduction explains the significance of worldview and its context in the development of psychiatry reviews misunderstandings about spirituality and worldview and how they can be resolved in contemporary practice and discusses Freud's significant influence on psychiatry's approach to religion and spirituality Clinical Foundations Three chapters review how clinicians can integrate spiritual and religious perspectives in the basic clinical processes of assessment gathering a religious or spiritual history diagnosis and case formulation including religious and spiritual factors and treatment including a review of ethical issues Patients and Their Traditions Six chapters discuss Catholic and Protestant Christians Hindus Buddhists Muslims Jews and secularists atheists and agnostics including a brief history clinical implications of core beliefs and variations of therapeutic encounters both where patient and clinician share the same faith and where they do not for each faith tradition Worldview and Culture A concluding chapter reviews issues of a global culture where faiths once rarely encountered in North America are increasingly seen in clinical practice This well organized text sheds much needed light on an area too often obscure to many clinicians fostering a balanced integration of religion and spirituality in mental health training and practice Bridging several disciplines in a novel way this thought provoking volume will find a diverse audience
