Official History (naval and Military) of the Russo-Japanese War Great Britain. Committee of Imperial Defence, 1910

Soviet Films of the 1970s and Early 1980s Marina Rojavin, Tim Harte, 2021-05-30 This book explores a new character archetype that permeated Soviet film during what became known as the era of Stagnation a stark period of loneliness disappointment and individual despair This new type of character was neither negative nor positive but nevertheless systematically undermined Soviet norms of behaviour hairstyle dress lifestyle and perspective in stark contrast to Socialist Realism's traditional positive hero who fought for Soviet values and who vanquished the enemies of socialism The book discusses a wide range of films from the period showing how the new antiheroic archetype of Stagnation resonated through a multitude of characters mostly male and vividly reflected the realities of Soviet life The book thereby provides great insight into the lives outlook and psychology of citizens in the late Soviet period *The Tide at Sunrise* Denis Warner, Peggy Warner, 2002 The Russo Japanese War was fought in the waters of the Yellow Sea and the Straits of Tsushima that divide Japan from Korea and in the mountains of Manchuria borrowed without permission from China It was the first war to be fought with modern weapons The Japanese had fought the Chinese at sea in 1894 and had gained a foothold in Manchuria by taking control of Port Arthur In 1895 however Japan was forced to abandon its claims by the Russian fleet's presence in the Straits of Tsushima Tsar Nicholas had obtained a window to the East for his empire and Japan had been humiliated Tensions between the two countries would rise inexorably over the next decade Around the world no one doubted that little Japan would be no match for the mighty armies of Tsar Nicholas II Yet Russia was in an advanced state of decay the government corrupt and its troops inept and demoralized Japan meanwhile was emerging from centuries of feudal isolation and becoming an industrial power led by zealous nationalist warlords keen to lead the Orient to victory over the oppressive West From the opening surprise attack on the Russian fleet at Port Arthur in 1904 the Japanese out fought and out thought the Russians This is a definitive account of one of the pivotal conflicts of the twentieth century whose impact was felt around the world

Soviet Union, 1975 Maritime Operations in the Russo-Japanese War, 1904-1905 Julian S. Corbett, 2015-03-15 Sir Julian Corbett was regarded as one of the greatest naval historians of the early twentieth century Maritime Operations in the Russo Japanese War 1904 1905 was never available to the public during his lifetime As noted in the introduction to Volume I Corbett dealt not with minute details and themes but a continuous narrative that demonstrated the interrelationship of land and sea events as they impinged on each other in conception execution and results Thus political objectives geographic factors and the machinery of government all could be seen working together as part of a whole Corbett's work delineated the differences between maritime and land warfare while also exploring their interaction Published in hardcover by the Naval Institute Press in 1994 both volumes are now available in paperback for the first time *My Enemies' Enemies* Mike Charles L'anglais, 2006-11-01 Who are the Moslem Alliance Why would Iraq and Iran back terrorist groups Where would France fit

The Veil of Shadows Brandy Ayers,2024-11-20 A cryptic message A phantom mole A conspiracy that threatens global stability For disillusioned CIA operative Elise Monroe the stale air of Langley holds more than the scent of over brewed coffee it carries the weight of past failures and moral compromises When a string of seemingly random characters lands on her screen she plunges into a pursuit that will unravel a threat far deeper than she ever imagined The mole s trail leads to a chilling discovery Chimera a bio terrorist group so elusive it s considered a myth Their aim isn t a resurgence of old rivalries but a terrifying new world order built on genetically engineered fear And the key to unlocking their plan lies in the hands of Elise s former adversary and clandestine lover Dmitri Volkov an SVR operative who resurfaces with a desperate plea Their last encounter in a smoky Prague safehouse ended with a stolen kiss and an unspoken understanding Now that safehouse becomes the foundation of an uneasy alliance Bound by a shared secret and a world of shadows they navigate a treacherous landscape of suspicion and betrayal where every glance every whispered word carries the weight of a potential threat From the sterile corridors of Langley to the hidden bunkers of Moscow their investigation unveils a network of clandestine labs and a chilling truth a virus designed to rewrite the world s power dynamic sowing chaos and fear on a global scale Hunted by Chimera s operatives ghosts in the digital world masters of manipulation Elise and Dmitri must choose between their oaths and the future they never thought they d share As each close call chips away at the walls around their hearts a spark reignites in the ashes of their past A stolen glance a shared laugh the brush of hands in a darkened alley these fleeting moments rekindle a dangerous vulnerability in a world that demands detachment Their love born in espionage becomes their strength their connection a beacon in the encroaching darkness Their final confrontation with Chimera s leader a shadowy figure known only as The Shepherd takes place in a sterile lab the air thick with the hum of machinery and the scent of antiseptic The ensuing struggle is a harrowing dance of deception betrayal and sacrifice where they must gamble everything to protect a world teetering on the brink In the aftermath standing amidst the ruins of their past lives Elise and Dmitri face an uncertain future Their agencies shaken to their core offer a choice return to the fold or disappear into the shadows They choose a third path their love a fragile bloom amidst the wreckage their future a blank canvas upon which they can paint a new beginning Their fight for justice continues a lifelong commitment to protecting the world from the shadows even if it means sacrificing everything they have ever known
