Make Your Point Speak Clearly And Concisely Anyplace Anytime:

Make Your Point! Bob Elliott, Kevin Carroll, 2005-02 A friend is someone who knows the song in your heart and can sing it back to you when you have forgotten the words unknown I hope this book teaches you how to sing again Weary from fighting life's battles It's time to put down the boxing gloves and take an honest look at your life Have you been trying to run things Have you pushed God off the throne of your life climbed up there and successfully orchestrated the mess you're in Your life probably has turned out a little like Jonah's and mine God said Go to Ninevah Jonah said Nope and the fight was on God does not play games He is playing for keeps We treat life like it's a game One glance at the cross and you can see this is no game There is a line God draws that we can step over How close to that line are you You need to get serious with God It may feel like He is scrubbing the bottom of your soul with sandpaper or feel like He's pulling your insides right out but when He is finished I promise you will be singing once again

Make Your Point! Bob Elliott, Kevin Carroll, 2005-02 Mr Kalu tells the tale of an immigrant from Nigeria and in the process tackles a number of tough subjects with a simple straightforward approach The author is embarrassingly frank at times and this book will ruffle some feathers The demoralizing events in the life of Emeka as he leaves everything he knows and loves and makes his journey to another country provoke him to judgement without a fair trial of a people and a country But thankfully the verdict is struck down in the end This is the story about an odyssey and along the way the reader will be fascinated by the bold perspective of America A Dream or an Illusion

New Rules of the Game Susan Packard, 2015-02-03 Business is a team sport Learn how to win Where would your career be if you could understand how your colleagues especially men succeed and win at work And if in understanding and applying the rules you could win too In *New Rules of the Game* business leader Susan Packard shows you how to cultivate gamesmanship a strategic way of thinking regularly seen in the video game and sports worlds and most often among men that develops creativity focus optimism teamwork and competitiveness You'll learn the Ten Rules of Gamesmanship and how to use them effectively to Compete outwardly in a healthy rewarding way Build support groups to help you advance Step up with more grit to get the next win Approach your workplace with more lightness and insight Take loss in stride and provide the emotional distance needed to win at work Packard shares her career story with humor and candor including the successes and the mistakes the triumphs and some personal and career setbacks and presents them as teachable moments for you But the book is much bigger than one person's experience Packard also shares the stories of other presidents and CEOs who have become great gamers in their own fields providing you with the insight and inspiration to play the business game smarter stronger and more successfully You will also be better able to coach others inspiring your team to perform at higher levels as you drive them toward the next win
