David didn't understand why everyone was scared to fight this giant.

David remembered God was faithful and strong.

When a lion or a bear would attack David and his sheep in the field, God would always protect David.

David knew God would do the same

David said, "I will fight this giant." He went to talk to King Saul.

King Saul said that David must wear his armour to protect him. Saul was big and tall. David was small. Saul's armour was too big for him.

David said, "I don't need armour to protect me. God will help me."

David went down to the river and got five smooth stones to fight Goliath.

Goliath laughed and said it was a joke to send a boy to fight him.

*Dangerous Surrender* Kay Warren,2008-09-09 You have a plan for the rest of your life God has a plan for the rest of your life Are they the same You have expectations for how your life will play out and you hope those plans will become realities But what if God s plan for your life is far different from what you had in mind Can you accept that Will you surrender your goals for God s Kay Warren had a plan Together with her husband Rick Warren author of the megaseller *The Purpose Driven Life* she planned that after her kids were grown she d travel the world teaching and encouraging couples in ministry It was a good plan But it wasn t what God had in mind for her In a startling wake up call Kay discovered the shocking realities of the AIDS pandemic in Africa while reading a magazine I want to use you she heard God say That began the struggle first to avoid God s call and then to surrender herself to God She cried out to God Why are you bothering me with this There s nothing I can do about it I m just an ordinary person What could one person do about such a gigantic problem But God had grabbed her attention and wouldn t let go If you ve ever struggled with knowing and doing God s will this book is for you With raw honesty Kay goes straight to the heart of the matter the bottom line is surrender Will you trust God Along the way she ll introduce you to others people like you who have said yes to God and have made a difference in the world Using their skills energy faith and a willingness to take risks they became powerful instruments of change and tools in God s hands Giving in to

God isn't easy. It's not for cowards. It's the boldest, riskiest step you'll ever take. This dangerous surrender can bring both joy and pain, both heartache and ecstasy, but it enables you to know God in a far deeper way than ever before. I had to make a conscious decision: Would I retreat to my comfortable life and to my settled plans? Or would I surrender to God's call and let my heart engage with a cause such as AIDS that I was pretty sure would include buckets of pain and sorrow? I felt like I was standing on the edge of a giant precipice. I couldn't go back, and yet the way forward looked like stepping into a void. Kay Warren took that step, choosing to dangerously surrender to God. That decision transformed her life, marriage, and future. She invites you to do the same.
