Chapter 1

THE HOLY BIBLE

King James Audio Visual Bible

- 1 In the beginning God created the heaven and the earth.
- 2 And the earth was without form, and void, and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters.
- 3 And God said, Let there be light, and there was light.
- 4 And God saw the light, that it was good: and God divided the light from the darkness.
- 5 And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.
- 6 And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters.
- 7 And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament, and it was so.
- 8 And God called the firmament Heaven. And the evening and the morning were the second day.
- 9 And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so.
- 10 And God called the dry land Earth, and the gathering together of the waters called he Seas: and God saw that it was good.
- 11 And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so.

The Performance of Multilingual and ‘Ultralingual’ Devotional Practices by Young British Muslims Andrey Rosowsky,2021-03-24 This book examines the wide range of multilingual devotional performances engaged in by young Muslims in the UK today It evaluates the contemporary mosque school in the UK and contrasts this with practices from the past and with prevailing discourses both political and other which suggest that such institutions are problematic It also challenges the highly politicised and mediatised discourse which suggests that linguistic diversity presents a threat to the privileging of monolingualism in the UK Finally it argues for the usefulness of the term ultralingual when analysing the multilingual devotional language performances of these young people

The Ministry of

Witchcraft Aham Igbokwe, 2025-05-19 While many books address spiritual warfare in general terms The Ministry of Witchcraft stands out with its focus on the functionality of witchcraft It does so with precise biblical exegesis and a boots on the ground pastoral lens identifying the operational systems of witchcraft how it recruits spreads hides and corrupts across continents technologies ideologies and even pulpits making unique contributions to the field of spiritual warfare The book makes the following unique contributions Exposes witchcraft as a strategic spiritual ministry in the kingdom of darkness parallel to how God's Kingdom functions in order and mission Integrates biblical insight with practical real world illustrations that are often omitted in theological writing yet critical for understanding demonic operations Equips the reader with imprecatory and prophetic prayer warfare specifically tailored to dismantle the core strongholds of witchcraft at personal institutional and territorial levels Empowers laypeople pastors intercessors and deliverance ministers with tools to recognise witchcraft's symptoms and structures often misdiagnosed as psychological relational or cultural issues This book is urgent because the Church is facing unprecedented infiltration and many believers are unaware of how witchcraft operates in their environment This work demystifies the subject without glorifying it arming Christians with sound doctrine strategic awareness and spiritual authority
