*Kingdom Discipleship* Frederick Osborn, 2014-12-12 The way of Kingdom Discipleship is not one of several options for Christians to choose from There is no other offer being made Jesus made it clear to all who want to follow Him that they must follow Him on HIS terms alone or they will never make it to the end Being a disciple of Jesus is the ONLY way to become all that we were intended to be We who were saved from the world are on the way to becoming fully formed into the image of Christ This is God's plan and Kingdom Discipleship is the means to that end For individual or group study Kingdom

Discipleship is a study guide intended to lead Christians into a deeper walk of abiding with God This study concentrates on the teachings Jesus intended His disciples to follow to transform them into becoming like Him in word and deed

**Kingdom of Fools** Nick Page,2012-05-10 Fools Rebels Ignorant peasants That s how the Roman world saw the first Christians Led by fishermen tax collectors and renegade Pharisees the first Christians shunned power and welcomed the poor and uneducated Roman commentators mocked their upside down values but the apostle Paul himself a Roman citizen and a Pharisee to boot affirmed that God chose what is foolish in the world to shame the wise Its followers were persecuted and its leaders killed yet this ragged collection of lowly tradesmen women slaves and a smattering of turncoat high born Jews created a movement that changed the world How did this happen How did the kingdom of fools conquer the mighty empire that was Rome In this fascinating new biography of the early church Nick Page sets the biblical accounts alongside the latest historical and archaeological research exploring how the early Christians lived and worshipped and just why the Romans found this new branch of the Jewish faith so difficult to comprehend THE KINGDOM OF FOOLS is a fresh challenging accessible portrait of a movement so radical so dangerous so thrillingly different that it outlasted the empire that tried to destroy it and went on to become the driving force of our cultural development and claims more followers today than ever before in history

**Kingdom Learning** David Heywood ,2017-06-23 For generations most churchgoers have been encouraged to see the responsibility for the life and mission of the church in the hands of the trained clergy A church embracing God s call to mission requires these same worshipers to see themselves as missionary disciples with a vital part to play in the church s ministry How is a change of this magnitude to be accomplished Drawing on the discipline of adult education and his own research into the way people learn David Heywood explains how churches can become learning communities in which people grow as disciples and find their place in a collaborative pattern of ministry He challenges the prevailing approach to ministerial training as overly theoretical and individualistic and points towards a model of training based around shared reflection on practice

**THE KINGDOM OF GOD MANUAL - LET THY KINGDOM COME - THE HEAVENLY KINGDOM OF ALL KINGDOMS** KING SOLOMON DAVID JESSE ETE, **Manual on the Millennium** Dr. Roger W. Maslin,2015-11-18 Manual on the Millennium is an examination of the viewpoints concerning the nature of the millennium and how they relate to the associated end time events The author argues for his own personal viewpoint as well as with the problems inherent in interpreting those events that are so popular with the dispensational pre millennialist views He provides a fresh examination of such subjects as the postponed kingdom the restoration of Israel rebuilding the temple the Battle of Armageddon the Antichrist and the seventy weeks of Daniel The author maintains that the arbitrary interpretation of the millennium of Revelation as a literal period of a thousand years as a whole does not fit the judgment teachings of the New Testament or the complete message of the return of Christ in context with the rest of the Scriptures The proper interpretation of the nature of the millennium is foundational to understanding the prophetic message of the New

Testament This work is designed to be a valuable resource and handbook for the study of end time events for the serious Bible student

*The Owner's Manual for Christians* Charles R. Swindoll, 2011-02-14 It's never too late Whether you're a new Christian or you've walked the road for decades it's never too late to find the critical truths that make life make sense We often start out believing that common sense will be enough that we're prepared for the road ahead with our good values and quick thinking It doesn't take long to learn otherwise A broken friendship An obsessive career Financial distress Even empty success We come back to God searching for insight for hope And He provides Nothing can replace studying the Bible Best selling author and pastor Charles Swindoll has spent decades studying its pages and teaching its precepts But if sixty six books seem overwhelming *The Owner's Manual for Christians* is the perfect starting place a biblical summary of the major truths that anchor the Christian life From grace to freedom these chapters walk the reader through the keys to a life well lived drawn from the Creator of life itself Life is often confusing but it does not have to be impossible Read *The Owner's Manual for Christians* and find hope for the road ahead

**Kingdom First** Jeff Christopherson, Mac Lake, 2015-06-15 Authors Jeff Christopherson and Mac Lake call readers to imagine a movement that vividly remembers the insubstantial days of a mustard seed with a sense of awe and wonder when looking at the indescribable harvest that stands all around Though the kingdom of God can't be forced by superficial methods the good news is that when you move past the threshold of your competency and comfort you find yourself in the very spot where God can use you like no other

*ChristWise Discipleship Guide for Teens* Tony Fitzgerald, 2002

*Becoming A Real Young Man - Young Men's Discipleship Guide with Havruta System - Micro Cell* Eddy Leo, 2025-04-22 Many young men have experienced the new birth experience but do not grow as disciples of Christ and walk in the process of becoming like Christ Why The reason is because many young men do not understand the concept of discipleship and how to practically follow the process of becoming like Christ Therefore I tried to compile a discipleship material based on the book *Becoming a Real Man* and the material *Becoming a True Father* to equip young men in the discipleship process so that they can grow to achieve the likeness of Christ This book consists of 2 parts that are interrelated and complement each other The first part contains the concept of discipleship for young men which is taken according to the principles of discipleship taught by Jesus The second part is journal material for reflection with 12 topics based on the concept of discipleship in the first part This material is very useful for young men who want to grow up in the discipleship process to achieve the perfection of a man

*Embracing the Kingdom's Blueprint* Riaan Engelbrecht, 2023-01-31 The word Disciple in Greek is transliterated mathetes literally the learning one and is derived from the verb manthano which means to learn It means one who learns instruction from another or a disciple is likened to an apprentice who learns from his master tradesman Thus a disciple is someone who gains knowledge from the teacher and acts upon it This series offers a deeper insight into how to be a disciple therefore it offers a blueprint of what it means to follow the Lord It is about embracing God's Kingdom His will His way and His truth

**Disciple-To-Disciple** Frederick

Osborn,2016-12-29 Preaching the gospel teaching the Word of God and making disciples are the highest callings in the world We need to pray and ask God that we might be men and women who will not settle for anything less than the fullest blessing of the Lord in our life and in our ministry of making disciples Disciple to Disciple is actually the third in an informal series of teachings on the Kingdom The first in the series is This Gospel of the Kingdom The book and study guide describe the foundational teachings of Jesus Christ concerning the kingdom of God The second book and study guide in the series is called Kingdom Discipleship Kingdom Discipleship defines what it means to be a disciple of Jesus Christ including the six terms of discipleship that Jesus said all who would be His disciple must meet in order to be His disciple Only disciples make disciples and in this part of the series on the Kingdom of God we will set aside some time to learn how Jesus the Master Teacher taught His disciples Disciple to Disciple is an in depth study of how Jesus taught His disciples If we understand how Jesus taught His disciples then we can better understand how we must teach others If we teach others to become faithful disciples of Jesus Christ then we will do more than teach them to be mere imitations of their Master but will teach them to be like Jesus in every way When disciples make disciples all will be transformed by the Master And so the process of making kingdom disciples disciples who are like Jesus in character and conduct will continue with each new generation of believers
