Kingdom Keepers IV Ridley Pearson, 2022-03-08 For the five teens who modeled as Disney Hologram Imaging hosts life is beginning to settle down when an intriguing video arrives to Philby's computer at school. It's a call for action: the Overtakers, a group of Disney villains, seem to be plotting to attempt a rescue of two of their leaders, both of whom the Disney Imagineers have hidden away somewhere following a violent encounter in Epcot. A staged attack by new Overtakers at Downtown Disney startles the group. One of their own, Charlene, is acting strange of late. Has she tired of her role as a Kingdom Keeper, or is there something more sinister at play? When caught sneaking into Epcot as her DHI, acting strictly against the group's rules, Finn and Philby take action. Has the impossible occurred? Have the Overtakers created their own holograms? Have they found a way to jump from the Virtual Maintenance Network onto the Internet, and if so, what does that mean for the safety of the parks and the spread and reach of the Overtakers? Are they recruiting an army from outside the parks? A dark cloud in the Kingdom Keeper era is unfolding, and with dissension in their own ranks, it's unclear if there's any chance of escape.

Kingdom Keepers Books 1-3 Ridley Pearson, 2014-11-25 Collecting books 1-3 of the New York Times best-selling series. When Disney Imagineers installed hologram guides for the Magic Kingdom using five teenage models, they had no idea the technology might backfire. But backfire it did: some nights when the kids go to sleep, they wake up in one of the Disney parks as a hologram. Soon the five young teens find themselves pitted against Disney villains and witches that threaten both the future of Walt Disney World and the stability of the world outside its walls. As this fantastical thriller evolves, Finn and his friends must use their new skills to protect other Disney Parks, traveling to the Animal Kingdom, Hollywood Studios, Epcot, and more. This gripping high-tech tale will thrill every kid who has ever dreamed of sneaking into Disney parks after hours or wondered what happens at night when the parks are closed.

Kingdom Keepers V Ridley Pearson, 2022-03-08 As the five Kingdom Keepers enter high school, everything is about to change. The Maintenance Base that controls all four parks in Disney World is under attack by the Overtakers, a group determined to change Disney forever. Relationships between the Keepers are no longer as simple as they once were. In fact, nothing is as simple as it once was. An after-hours visit to Typhoon Lagoon is a game-changer. The Keepers lose one of their most valuable supporters. But there's work to do. The Disney Dream leaves Port Canaveral on an historic cruise to Los Angeles with a special treat in store for guests: the Disney Host Interactive guides are on board. Finn, Maybeck, Charlene, Willa, and Philby join guests as the DHI experience moves to one of the most advanced cruise ships in the world. But all is not right below decks. Strange

things are happening Only the Kingdom Keepers know the truth behind their invitation to be in attendance nearly every Disney villain is aboard the ship including Maleficent The Overtakers have infiltrated the cast and crew And no one knows what they have planned The Dream sets sail filled with enthusiastic guests and crew But not for long Maleficent takes over a video screen and warns the guests of trouble to come With the ship arriving to the beaches of Castaway Cay its first of many exotic ports of call the Kingdom Keepers are under attack back home the Base is threatened and about to fall The Overtakers have expanded in ways never foreseen and it's clear they intend to use this element of surprise to accomplish what has eluded them so far victory But not if Finn Whitman and friends have anything to say about it **Kingdom Keepers** Ridley Pearson, 2020-04-14 Five young teens tapped as models for theme park guides using a new hologram technology developed by the Disney Imagineers find themselves pitted against Disney villains and witches that threaten both the future of Walt Disney World and the stability of the world outside its walls Featuring a new cover design and additional content
