Gps for Life Brandy A. Coffee Marks,2011-06 GPS for Life shows what to do once one becomes a believer For those who want to learn and grow in the Lord the author provides challenging questions and space for adding one s own comments

The Forgiven Brandy Marks,2024-12-31 In The Forgiven author Brandy Marks delivers a riveting supernatural adventure that plunges readers into a spiritual battleground where the forces of light and darkness collide in an eternal struggle for power redemption and faith Rich theological imagery this sequel builds upon the saga of Anak a steadfast warrior determined to protect the City of Hope from Lucifer s relentless schemes When the demons gain the upper hand Anak and his loyal companions are dragged into the depths of Hell subjected to harrowing trials and temptations that push them to the edge of their endurance Meanwhile the angel Miriam escapes captivity and alone in the forest she prays fervently to Adonai for guidance but the answer she receives is as bewildering as it is profound In a shocking twist Lucifer himself arrives as a tempter determined to break Miriam s resolve Yet in an ironic turn of fate Lucifer faces an unexpected temptation of his own shattering preconceived notions of good and evil As the boundaries between captor and captive blur the story crescendos into an astonishing event that redefines the very nature of redemption and forgiveness With a fast paced plot vividly drawn characters and theological depth The Forgiven explores the eternal conflict between light and darkness faith and doubt and the resilience of the human spirit in the face of insurmountable odds Brandy Marks masterfully balances moments of gut wrenching darkness with glimmers of hope creating a tale that is as thought provoking as it is thrilling For fans of supernatural adventures woven with spiritual insight and moral complexity The Forgiven promises an unforgettable journey into the heart of a celestial war one where victory might not look as expected and forgiveness holds the key to salvation

Hell's Retribution Brandy Marks,2021-01-01 Hell s Retribution is a fantasy adventure novel based on presumed real life events wherein Lucifer a powerful cherub and the first of its kind gets into trouble with the Lord of Heaven Lucifer lets his pride get in the way of his good sense thereby corrupting him and he is evicted from paradise Working with his faithful commander once an archangel he sets out to destroy all who live on the earth wherein he now resides Redemption is the last thing on his mind when he enters The Garden to create a little mischief Doing his best to corrupt the people of earth by any means he can contrive it does nothing but ensure his further unhappiness Then his favorite dragon a cherub at one time who d followed him from paradise is killed Lucifer s goal now is seeking revenge on Anak one of the fabled Nephilim Unconcerned with Lucifer he enters hell with one of the Fae to save a Faerie queen Unknown to Anak she s a favorite of Lucifer s Twice rejected by her and continually confronted by Lucifer Anak and Kai struggle to find their way out of hell through the chasm and beyond where dangers Lurk but also the end of their journey One disaster after another confronts the two yet despite of all Lucifer s attempts to destroy Anak he has failed So Lucifer kidnaps a certain angel he believes the man loves and does his best to seduce her But what is the end result when Lucifer

himself is seduced by his own schemes Will he find love at last or more disappointment The adventure is seen through his eyes as well as other characters humans the Fae fallen angels and other of heaven s celestials The quest takes them through Earth into Hell back to Heaven and finally earth again for a surprising ending Lest you imagine this is the end of the story be not dismayed for their adventure truly has just begun **The Fallen** Brandy Marks,2023-03-13 The Fallen Description The Fallen is about Sex sin suffering and salvation When the cherub starts a war in heaven and is cast out he must learn to survive in an uninviting land that s as hot as hell or so it seems His commander also a fallen meets an earth woman and impregnates her She gives birth to a son a Nephilim but Anak is not his only child Later in the desert the mother of Anak dies while Anak is busy enjoying the favors of a female after making his way out of the desert To live with his guilt he leaves the Middle East and travels to the Northern country with a female Salma After she marries and ends their affair or so he thought Anak leaves for North Wales where he establishes a home and meets a Faerie queen Meanwhile a dragon attacks and destroys Anak s fields so he and his men search for the dragon and Anak slays it When Lucifer discovers his favorite dragon was slain by the Nephilim he s out for revenge and eventually gets his chance when Anak enters hell with a companion and Fae Kai intent on a rescue mission Eventually the two now on another rescue mission find themselves confronted by Lucifer Now his intention is to destroy Anak except he finds himself challenged by his arch enemy While that battle ensues Anak and Kai flee the hell only to run to learn he has to fight his way out of a castle in order to save the Tuatha de Danaan s daughter

Reviewers Comments Populated with famous characters associated with the Bible who take on roles drastically different from what we might expect then adding elements of folklore ramped up the intrigue in this unusual novel Credit must go to Brandy Marks for creating a story that lived up to my basic expectations The characters are well fleshed out and their motivations seem obvious enough while the conversations between them are revealing once you get used to their flowery construct What stands out for me though is the attention to detail From the descriptions of the mythical creatures to the graphic nature of some scenes it is evident that Marks made an extra effort to bring a colorful story to life This is an entertaining novel that would hold its own in the fantasy genre quite well I had always believed that the apple falls close to the tree and that evil begets evil However this book opened my mind to life s infinite possibilities What I loved most about this book is that the narration is told from each character s perspective This is something that I don t usually find and it made the story more interesting The characters are all so different and they each have their particular voice and personality I also enjoyed how the author put so much detail into everything She didn t rush through scenes but instead took her time to describe everything so well you could picture exactly what was happening The impression of hell and the underworld was perfect for a book that stretched beyond the supernatural realm Brandy Marks did an excellent job of creating this world and making me feel as though I was right in the middle of the action I highly recommend this novel to lovers of thrillers and mythological narratives *GPS for Life: Guidance of a Personal Savior* Brandy Marks,Dr Brandy a Marks Lmhc,2009-07 For

The Reset DAVID STEVENS,2011-11-04 If you suddenly discovered a reset button that if pushed would immediately undo all of your past mistakes and failures and would restore your current life to better circumstances would you be tempted to give it a try Most of us would but of course there is no such button However in THE RESET you will enjoy a 28 day journey that will enable you to reclaim the life that you should be living If you are ready for a fresh start now and a bright new hope for your future start today and read one chapter a day for the next 28 days Learn 7 life transforming Resets in 28 days and reclaim and finally live the life that God designed just for you THE RESET is both engaging and practical in its style but most importantly it works When you end this 28 day reset journey you will put down a book but you will wake up each day thereafter with a new mind set ready to go out every day and live your life with overflowing confident hope Here are just a few of the highlighted quotes For all of us life is a journey and we really want to give it our best shot every day Even though we can only see in part where our daily journey is taking us and what the cumulative outcomes will be we would like to feel good about our efforts and ourselves at the end of each day It is quite a game changer when we realize that God thinks about us quite differently than most of us think about ourselves No other healing of a broken relationship in life compares to the restoration of your friendship with God I firmly believe that most of our defeats and setbacks in life come because we do not diligently guard our hearts God never engineered your hope tank to be empty or even half full Instead He intends for you to max out and overflow with hope so that some of His hope will spill out on others around you No matter what start you had you can now have a great finish

Impossible Dreams Pati Hill,1976 Pati Hill is always doing extraordinary things quite unlike anything anyone else is doing full of wit and ingenuity and imagination Impossible Dreams combines all of these George Plimpton **Impossible Dreams** Brandy Ann Coffee Marks,2009-07 Marks shows how to have dreams become a reality by following the life and teachings of Jesus Christ in seven simple steps Raising a Modern-Day Joseph Larry Fowler,2011-04-01 Imagine this scenario for a typical teenager in your church He s separated from his family and sent to live in a hedonistic no holds barred culture He s stripped of his spiritual support left alone and treated unfairly Then at his most vulnerable point his ego is stoked with power and success Throughout this rollercoaster ride would he continue to serve God This very test was given to the Old Testament Joseph whose faith remained rock solid Yet it seems that our youth are ill equipped to face the moral vacuum in today s culture Worse research shows that when young people leave home many also leave the church So how can we forge sons and daughters of faith and fortitude The vital answers are found in the story of Joseph Drawing from this timeless narrative author Larry Fowler offers a biblical plan for building teens who will love and serve Jesus Christ Biblically based and up to the minute relevant Raising a Modern Day Joseph is an essential guide to raising a generation that can pass life s tests with flying colors *Perils of Life* Lorna Lumpris,2014-12 Don t Have a Pity Party Throw a Faith Fest Finding Hope in God s Word Lorna Lumpris thought her world had ended when she was downsized from her six figure salary corporate position Instead she found herself embarking on the adventure of her life During an extended period of unemployment Lorna came to know and trust God in a way she had never thought possible Though she had been a faithful churchgoer for years she had not seriously studied God s Word until she faced a series of overwhelming financial and family setbacks When she did not have a leg to stand on she discovered she could rest on the truth of the Bible Now she wants others to find and grow in the same confidence that God can direct protect and provide for you as you trust Him to speak through the pages of scripture From her years of study and personal supernatural experiences with God Lorna explains how you can find hope in the most challenging circumstances as you look to the Bible **Good Morning Message** Peggy Edwards,2010-08 This daily
