Grace King Daughters Discovery Virtue:

The Grace of a King Ingrid Shanklin,2015-12-11 The Grace of a King is an overcomer s story a true testimony of the love and power of God at work in a surrendered life This book examines the impact of peer pressure a lack of self confidence and low self esteem in a young girl s life A life is transformed in this poignant transparent and honest account Witness the progression of growth from one experience to the next See the victor emerge as she discovers the unmistakable evidence and consistent pattern of abundant grace for herself Laugh and cry as you go behind the scenes in the most intimate and heartbreaking seasons of her life Empathize as you recognize your story being told with her words Watch as the struggle from the cocoon of circumstance births someone totally changed by the grace of God Be encouraged by recognizing that her story is not the only one of its kind The grace of a king manifested in any life can bring deep inner healing and transformation
