CONTEXTUAL QUESTIONS
MEMORANDUM**

SONNET 130

1. What is the implication of the phrase "nothing like" in the context of the poem. (2)
The phrase shows that his mistresses' eyes do not even remotely look like the sun. They have nothing in common.

2. Refer to line 4: "If hairs be ... on her head."

By making careful reference to the speaker's use of diction, explain the use of comparison. (2)
The speaker compares his love's "hair" to "black wires", showing that her hair is not golden and flowing, but rather black and spiky, showing that his mistress is not perfect.

3. Refer to lines 7-8: "And in some ... my mistress reeks"

By making careful reference to the tone of these lines, comment on the attitude of the speaker toward his loved one. (3)
His attitude is realistic. His lover's breathe does not smell like perfume at all, but rather "reeks", it stinks. He is showing that she is not perfect.

4. By taking account the overall message of the poem, discuss the effectiveness of the rhyming couplet. (3)
The overall message of the poem is that he realizes that his love is imperfect, and he wants the world to know that, unlike false comparisons often used to describe those we love, he is realistic about who she is. The rhyming couplet is effective as it shows us that, although she is not perfect, he loves her as much as anyone who falsely praises his loved one. He claims that his love is "rare" as he loves everything she is, even if it is not perfect.
