Social Sciences Matters skillfully integrates History and Geography in the different modules. Combining well written progressive text with ample illustrations and photographs, this exciting series will make studying Social Sciences fun. The Learner's Books contain a summary at the start of each module explaining the knowledge, skills and values that should be achieved, assessment activities at the end of each module that enable learners to check their progress, a wordlist explaining new or more advanced words. The Teacher's Guide contains an overview of the RNCS year plan and phase outline for long term planning, remedial ideas for learners who are experiencing difficulties, supplementary ideas for learners who advance more rapidly, summaries showing the integration with other Learning Areas, a summary of the Critical and Developmental Outcomes in each module that describes the kind of citizens we want to emerge from our education system. **Holocaust**
