In grade eight, students will read major works of fiction and nonfiction from all over the world and from different time periods. They will continue to learn how to understand what they read and evaluate an author's assumptions and claims. They will also conduct research that will require the analysis of resources and accurate interpretation of literary and informational text. Language standards are foundational and integrated throughout the curriculum design. In developing the local curriculum, KCS followed the TDOE Curriculum Standards. At the honors level, students may experience texts with a higher level of complexity than the grade level classes. Curriculum modules should reflect the TDOE Honors Framework for extension.
