## **Grammar Of English By Samuel Johnson:**

A Grammar of the English Tongue Samuel Johnson, 2022-05-28 In *A Grammar of the English Tongue* Samuel Johnson offers a pioneering exploration of English grammar seamlessly blending prescriptive rules with comprehensive descriptions of the language. Written in 1755, this seminal work adopts a didactic style that reflects the Enlightenment's fascination with reason and clarity. Johnson meticulously examines syntax, morphology, and usage, positioning English as a robust and intricate language worthy of scholarly attention. His work stands as a significant contribution in the context of 18th-century linguistic studies when language was increasingly viewed as an object of scientific inquiry. Samuel Johnson, an eminent literary figure and lexicographer, was well equipped to tackle the complexities of English grammar, drawing from his extensive knowledge in literature, philosophy, and linguistics. His experiences, including his own struggles with language and education, inspired his desire to elevate English to the status of the classical languages. Johnson's previous achievements, including his landmark *Dictionary of the English Language*, further solidified his authority and passion for linguistic clarity and precision, which are evident in this grammar treatise. This book is highly recommended for linguists, grammarians, and enthusiasts of the English language alike. Johnson's grammar not only serves as an essential reference work but also invites readers into a deeper understanding of the intricacies of English, fostering appreciation for its richness. With its blend of scholarly rigor and accessible prose, this foundational text remains relevant for anyone wishing to delve deeper into the structure and beauty of the English tongue.

*A Dictionary Of The English Language (illustrated)* Samuel Johnson, Samuel Johnson often referred to as Dr Johnson, was an English writer who made lasting contributions to English literature as a poet, essayist, moralist, literary critic, biographer, editor, and lexicographer. Johnson was a devout Anglican and committed Tory and has been described as arguably the most distinguished man of letters in English history. After nine years of work, Johnson's *A Dictionary of the English Language* was published in 1755. It had a far-reaching effect on Modern English and has been described as one of the greatest single achievements of scholarship. This work brought Johnson popularity and success. Until the completion of the *Oxford English Dictionary* 150 years later, Johnson's was viewed as the pre-eminent British dictionary. His later works included essays, an influential annotated edition of William Shakespeare's plays, and the widely read tale *Rasselas*. In 1763, he befriended James Boswell, with whom he later travelled to Scotland. Johnson described their travels in *A Journey to the Western Islands of Scotland*. Towards the end of his life, he produced the massive and influential *Lives of the Most Eminent English Poets*, a collection of biographies and evaluations of 17th and 18th-century poets.

*A Grammar of the English Tongue by Samuel Johnson* Samuel Johnson, 2009-03-03 *A Grammar of the English Tongue (Illustrated)* Samuel Johnson, 2017-01-22 Samuel Johnson often referred to as Dr Johnson, was an English writer who made lasting contributions to English literature as a poet, essayist, moralist, literary critic, biographer, editor, and lexicographer. Johnson was a devout Anglican and committed Tory and has been described as arguably the most distinguished man of letters in English history.

After nine years of work Johnson's *A Dictionary of the English Language* was published in 1755. It had a far-reaching effect on Modern English and has been described as one of the greatest single achievements of scholarship. This work brought Johnson popularity and success. Until the completion of the Oxford English Dictionary 150 years later, Johnson's was viewed as the pre-eminent British dictionary. Towards the end of his life, he produced the massive and influential *Lives of the Most Eminent English Poets*, a collection of biographies and evaluations of 17th and 18th century poets.

*A Dictionary of the English Language* Samuel Johnson, 1785      *Johnson's and Webster's Verbal Examples* Kusujiro Miyoshi, 2008-12-19

This book analyses Noah Webster's and Samuel Johnson's use of verbal examples in their dictionaries as a means of giving guidance on word usage. The author's major interest lies in elucidating how uniquely Webster, who was originally a grammarian, made use of verbal examples. In order to achieve this purpose, the author provides chapters based on types of entry words in their functional contexts. Johnson's selection of sources of citations and the frequency of his quoting citations tended to vary strongly according to the type of entry word; he also supplied invented examples rather than citations when he thought it especially necessary to clarify the use of a word. By contrast, with the exception of biblical ones, almost all of Webster's citations were taken from Johnson's Dictionary. However, Webster significantly made full use of such citations to express his view on word usage, which differs essentially from Johnson's. Besides, Webster had a strong tendency to quote phrases and sentences from the Bible for the same purpose.

Second edition, corrected to January 1st, 1848**, 1848      *Oxford Companion to the English Language* Tom McArthur, Jacqueline Lam-McArthur, Lise Fontaine, 2018-05-14

The Oxford Companion to the English Language provides an authoritative single volume source of information about the English language. It is intended both for reference and for browsing. The first edition of this landmark Companion, published in 1998, adopted a strong international perspective covering topics from Cockney to Creole, Aboriginal English to Caribbean English, and a historical range from

Chaucer to Chomsky Latin to the World Wide Web It succinctly described and discussed the English language at the end of the twentieth century including its distribution and varieties its cultural political and educational impact worldwide its nature origins and prospects and its pronunciation grammar vocabulary word formation and usage This new edition notably focuses on World Englishes English language teaching English as an international language and the effect of technological advances on the English language More than 130 new entries include African American English British Sign Language China English digital literacy multimodality social networking superdiversity and text messaging among many others It also includes new biographical entries on key individuals who have had an impact on the English language in recent decades including Beryl Sue Atkins Adam Kilgariff and John Sinclair It is an invaluable reference for English Language students and fascinating reading for any general reader with an interest in language

The Story of English Philip Gooden, 2009 Born as a Germanic tongue with the arrival in Britain of the Anglo Saxons in the early medieval period heavily influenced by Norman French from the 11th century and finally emerging as modern English from the late Middle Ages the English language has grown to become the linguistic equivalent of a superpower and is now sometimes described as the world's lingua franca Worldwide some 380 million people speak English as a first language and some 600 million as a second language A staggering one billion people are believed to be learning it English is the premier international language in communications science business aviation entertainment and diplomacy and also on the Internet It has been one of the official languages of the United Nations since its founding in 1945 It is considered by many good judges to be well on the way to becoming the world's first universal language Author Philip Gooden tells the story of the English language in all its richness and variety From the intriguing origins and changing definitions of common words such as OK beserk curfew cabal and pow wow to the massive transformations wrought in the vocabulary and structure of the language by Anglo Saxon and Norman conquest through to the literary triumphs of Beowulf The Canterbury Tales and the works of Shakespeare The Story of English is a fascinating tale of linguistic social and cultural transformation and one that is accessibly and authoritatively told by an author in perfect command of his material

Putnam's Phrase Book Edwin Hamlin Carr, 2019-11-29 In Putnam's Phrase Book Edwin Hamlin Carr offers a compendium of colloquial expressions and idiomatic phrases that enrich the American English lexicon This work is characterized by its conversational style reflecting the vernacular influences of early 20th century America Carr organizes the phrases thematically such as sports and games or everyday interactions providing readers not only with definitions but also contextual usages that bring vibrancy to the language The book serves as a bridge between formal language and the dynamic lived experiences of everyday communication making it an essential tool for both language learners and lovers of literature alike Edwin Hamlin Carr was a dedicated lexicographer and linguist influenced by the cultural shifts of his time including the rise of informal speech and the increasing importance of regional dialects His commitment to capturing the essence of American idiomatic expressions is a reflection of his broader interest in linguistic evolution and identity This

background informs his compilation approach preserving phrases that may otherwise fade into obscurity thus granting readers insights into historical and contemporary vernacular Putnam's Phrase Book is highly recommended for educators writers and anyone curious about the richness of American idioms Carr's meticulously researched phrases not only augment one's vocabulary but also enhance the reader's appreciation for the fluidity and creativity inherent in the English language Engage with this invaluable resource to deepen your understanding of American colloquialisms and their cultural significance

**Concise Oxford Companion to the English Language** Thomas Burns McArthur, Roshan McArthur, 2005 From Sanskrit to Scouse this book provides a single volume source of information about the English language The guide is intended both for reference and for browsing The international perspective takes in language from Cockney to Creole Aboriginal English to Zumerzet Estuary English to Caribbean English and a historical range from Beowulf to Ebonics Chaucer to Chomsky Latin to the World Wide Web There is coverage of a wide range of topics from abbreviation to Zeugma Shakespeare to split infinitive and substantial entries on key subjects such as African English etymology pidgin poetry psycholinguistics and slang Box features include pieces on place names the evolution of the alphabet the story of OK borrowings into English and the Internet Invaluable reference for English Language students and fascinating reading for the general reader with an interest in language

*The Periphrastic Future with Shall and Will in Modern English* Charles Carpenter Fries, 1925

**The English Dictionary from Cawdrey to Johnson, 1604-1755** DeWitt Talmage Starnes, Gertrude Elizabeth Noyes, 1991 This study by Starnes and Noyes was immediately recognized as a unique and pioneering work of scholarship and has long been the standard work on the emergence and early flowering of English lexicography Within the last 20 years we have been witnessing a remarkable scholarly interest in the study of dictionary making and the role played by dictionaries in the transmission and preservation of knowledge and learning It is therefore essential to have this classic work available again to all students of linguistic history In its new edition the book has been vastly enhanced by a lengthy and invaluable introduction by Gabriele Stein Professor of English Linguistics in Heidelberg and author of *The English Dictionary before Cawdrey* 1985 In her introduction to the present volume she sets out in scholarly detail the work that has emerged since 1946 which makes this study of the English dictionary from Cawdrey to Johnson as complete as the original authors themselves would have wished
