

Gran Teatro La Fenice

JG Myers

Gran Teatro La Fenice:

Gran Teatro La Fenice Graziano Arici, Giandomenico Romanelli, 1999 How does one do justice to a building that is far more than its constituent materials a building that is a vessel of myth an embodiment of the dreams and legends of a city and a culture The living reputation of the Gran Teatro La Fenice was assured from its opening in 1792 It was destined to be exceptional Unbelievably ornate an artwork in its own right it has played host to the widest possible range of creative activity From the operas of Verdi and Rossini to the postmodern dance theatre of Pina Bausch with two centuries of music along the way it has seen it all and made it great And the huge fire of 1996 that levelled the building once again is just another step on the journey The Phoenix will rise again as before And this volume magnificent itself explains how and why It offers a full history of the Gran Teatro in words and pictures with stills from the great productions set designs elevations stories of the celebrities singers and composers alongside stunningly reproduced old engravings and up to the minute reportage on the recent blaze A book world that will endure *Opera Companies and Houses of Western Europe, Canada, Australia and New Zealand* Karyl Lynn Zietz, 2024-10-15 Although books have been written about various opera houses throughout the world no one work has covered more than a relatively small number of the larger well known companies and houses and none have made more than brief mention of the smaller houses No book has comprehensively listed opera repertoires Little in sum has been written about any of the smaller companies and houses located in non English speaking countries This is the most comprehensive reference book ever written on opera companies and houses in Western Europe Canada Australia and New Zealand over 300 from the well known to the smaller Each entry includes a history of the opera house or company the works title and composer and type of productions offered company staff world and country premieres repertory and practical information on the theater s address nearby hotel accommodations and how to order tickets Most entries conclude with a bibliography

Italian Opera Houses and Festivals Karyl Charna Lynn, 2005-11-01 Italian Opera in the 18th and 19th centuries was an experience unequaled anywhere else in the world The unique emotion flavor and passion that existed have yet to be attained in any other country Opera houses in Italy are the birthplace of this great art form They represent its beauty and richness More than just concrete stone glass and wood they are alive each with a character and history of its own This work recreates the social political architectural and performance histories of each house by including eyewitness accounts from Italian newspapers journals and books of the time It covers more than 50 Italian opera houses and festivals organized by their city of origin and geographic region Each chapter is a journey back in time beginning with the first theaters and performances in the city and concluding with an architectural description of the principal theater and a practical information guide for visitors including hotel recommendations The operatic activities of the main theater including inaugurations important performances and world premieres are also covered A photospread along with brief descriptions of opera related sites including the birthplaces dwellings and museums of Italy s greatest composers give an even more

complete portrait of the art **Opera in Context** Mark A. Radice,1998 These essays by respected scholars examine representative operatic productions from diverse national schools and periods together forming a comprehensive history of the staging techniques of opera over the centuries **Rick Steves Pocket Venice** Rick Steves, Gene Openshaw, 2020-07-07 Make the most of every day and every dollar with Rick Steves This colorful compact guidebook is perfect for spending a week or less in Venice City walks and tours Eight detailed self guided walks including a Rialto to Frari Church walk and tours of St Mark's Basilica and Doge's Palace plus a Grand Canal cruise to see the city by vaporetto Rick's strategic advice on what's worth your time and money What to eat and where to stay Savor calamari at a cicchetti bar mingle with locals with a Bellini or spritz con Aperol in hand and stay in a romantic canal side hotel Day by day itineraries to help you prioritize your time A detailed detachable fold out map plus museum and city maps throughout Full color portable and slim for exploring on the go Trip planning practicalities like when to go how to get around basic Italian phrases and more Lightweight yet packed with information on what to do and see Rick Steves Pocket Venice truly is a tour guide in your pocket Extending your trip Try Rick Steves Venice **La Fenice** Technische Hochschule Darmstadt, 1997 [Changing the Score](#) Hilary Poriss, 2009-08-26 This study is the first to explore the significance of aria insertion the practice that allowed singers to introduce music of their own choice into productions of Italian opera during the nineteenth century Each chapter investigates this practice from varying perspectives and through the experiences of some of the century's most famous prima donnas **The Puccini Companion** William Weaver, Simonetta Puccini, 1994 This lively and informative collection touches upon all of the master's operas and also offers select bibliographies a chronology and a dramatis personae of the countless people who participated in Puccini's career **Giacomo Puccini** Roger Flury, 2012-06-21 Opera recordings have been with us since the creation of the first wax cylinders Now at a time when the 25 year reign of the compact disc appears to be coming to an end is the moment to take stock of the history of recordings of arguably the most popular composer of operas Giacomo Puccini In Giacomo Puccini A Discography librarian and music historian Roger Flury looks at each opera chronologically from *Le Villi* to *Turandot* followed by sections on Puccini's instrumental chamber orchestral and solo vocal works Details of each complete opera are listed by recording date followed by excerpts in the order in which they occur in the opera Recordings of each aria are listed alphabetically by the name of the artist For ease of use Flury establishes as the main criteria for inclusion those recordings assigned a commercial issue number and available for purchase This book does not limit itself to mainstream recordings but includes as well unofficial recordings taken from broadcasts or illegally recorded in theaters ensuring that the audio recording history of Puccini is free of gaps Video and DVD issues whether of staged performances or excerpts in concert are not included unless they have been issued in a sound only format This volume brings together information on nearly 10 000 recordings of Puccini's music It provides a comprehensive overview of the recorded history of the composer's works and serves as a useful guide for the transfer of recordings from one format to another **Opera '95. Annuario dell'opera**

lirica in Italia G. Pugliaro,1995 **The Mozart Conspiracy** Scott Mariani,2011-03-22 A centuries old mystery An accidental death A conspiracy that may end in murder Former British Special Air Service officer Ben Hope is running for his life Enlisted by Leigh Llewellyn the beautiful world famous opera star and Ben s first love to investigate her brother Oliver s mysterious death Ben finds himself caught up in a puzzle dating back to the 1700s At the time of his death Oliver was working on a new book about Mozart Though the official report states that Oliver died in a tragic accident the facts don t add up But as Ben and Leigh dig deeper they find that Oliver s research reveals that Mozart a notable Freemason may have been killed by a shadowy and powerful splinter group of the organization The only proof lies in a missing letter believed to have been written by Mozart himself When Leigh and Ben receive a video documenting a ritual sacrifice performed by hooded men they realize that the sect is still in existence today and will stop at nothing to keep its secrets From the dreaming spires of Oxford and Venice s labyrinthine canals to the majestic architecture of Vienna Ben and Leigh must race across Europe to uncover the truth behind the Mozart conspiracy before they become its next victims In the tradition of Robert Ludlum and Dan Brown Scott Mariani s The Mozart Conspiracy is an electrifying thriller and the start of an exciting new series

Opera and Sovereignty Martha Feldman,2010-10-05 Performed throughout Europe during the 1700s Italian heroic opera or opera seria was the century s most significant musical art form profoundly engaging such figures as Handel Haydn and Mozart Opera and Sovereignty is the first book to address this genre as cultural history arguing that eighteenth century opera seria must be understood in light of the period s social and political upheavals Taking an anthropological approach to European music that s as bold as it is unusual Martha Feldman traces Italian opera s shift from a mythical assertion of sovereignty with its festive forms and rituals to a dramatic vehicle that increasingly questioned absolute ideals She situates these transformations against the backdrop of eighteenth century Italian culture to show how opera seria both reflected and affected the struggles of rulers to maintain sovereignty in the face of a growing public sphere In so doing Feldman explains why the form had such great international success and how audience experiences of the period differed from ours today Ambitiously interdisciplinary Opera and Sovereignty will appeal not only to scholars of music and anthropology but also to those interested in theater dance and the history of the Enlightenment La Serenissima Jonathan Keates,2022-11-24 A stunningly illustrated history of Venice from its beginnings as La Serenissima the Most Serene Republic to the Italian city that continues to enchant visitors today Everything about Venice observed Lord Byron is or was extraordinary her aspect is like a dream and her history is like a romance Dream and romance have conditioned myriad encounters with Venice across the centuries but the city s story embodies another kind of experience altogether the hard reality of an independent state built on conquest profit and entitlement and on the toughness and resilience of a free people Masters of the sea the Venetians raised an empire through an ethos of service and loyalty to a republic that lasted a thousand years In this new study of key moments in Venice s history from its half legendary founding amid the collapse of the Roman empire to its

modern survival as a fragile city of the arts menaced by saturation tourism and rising sea levels Jonathan Keates shows us just how much this remarkable place has contributed to world culture and explains how it endures as an object of desire and inspiration for so many

Balkan Dance Anthony Shay,2007-12-03 This collection of essays examines popular forms of dance in the Balkan nations including detailed studies on the history and development of dance in Croatia Macedonia Serbia Romania and Greece among other nations The essays address the ways in which ethnic and national identity constitutes an important aspect of the performance of Balkan dance whether by state folk dance ensembles or immigrant groups in other countries Several essays also examine the unique popularity that Balkan dances and music have found among American audiences with special attention paid to the work of international folk dancer Dick Crum in promoting Balkan dance within the United States

ArtsIT, Interactivity and Game Creation Anthony L. Brooks,2023-04-01 This book constitutes the refereed post conference proceedings the 11th EAI International Conference on ArtsIT Interactivity and Game Creation ArtsIT 2022 which was held in Faro Portugal November 21 22 2022 The 45 revised full papers presented were carefully selected from 118 submissions The papers are thematically arranged in the following sections Dialogues Between Geometry Computer Graphics and the Visual Arts Games and Gamification Museums and the Virtual Animation AI Books and Behavior Fluency Fashion Emotion and Play Movement Film and Audio

The Queen of the Adriatic Sea Luigi Beghi,Sha Ha,2015-10-29 The book intends to be a short guide to Venice for lovers of arts arriving here from distant places and with different cultural backgrounds but all with the same desire to better understand the unique character of this city We offer to the reader a rich choice of images of some of the most relevant Venetian buildings sculptures and paintings accompanied by brief historical remarks We avoided describing them in an academic way We are confident that once arrived to the last page of this short guide the readers will have acquired sufficient autonomy to be able to judge by themselves what they like best among the many artistic aspects of this special city

Opera Guy A. Marco,2001 Opera is the only guide to the research writings on all aspects of opera This second edition presents 2 833 titles over 2 000 more than the first edition of books parts of books articles and dissertations with full bibliographic descriptions and critical annotations Users will find the core literature on the operas of 320 individual composers and details of operatic life in 43 countries All relevant works through to November 1999 have been considered covering more than fifteen years of literature since the first edition was published Provided by publisher

Cantare Italiano - The Language of Opera Sara Gamarro,2020-09-07 This book is a complete guide to the magic spells that the lyric diction of Italian Opera has cast on its audience for the last four hundred years revealed and explained in their secrets by the author through an exact method of study whose effectiveness has been proven over more

than a decade of coaching activity on her many students Opera stars included all over the world

Operatic Geographies Suzanne Aspden,2019-04-22 Since its origin opera has been identified with the performance and negotiation of power Once theaters specifically for opera were established that connection was expressed in the design and situation of the buildings

themselves as much as through the content of operatic works Yet the importance of the opera house's physical situation and the ways in which opera and the opera house have shaped each other have seldom been treated as topics worthy of examination Operatic Geographies invites us to reconsider the opera house's spatial production Looking at opera through the lens of cultural geography this anthology rethinks the opera house's landscape not as a static backdrop but as an expression of territoriality The essays in this anthology consider moments across the history of the genre and across a range of geographical contexts from the urban to the suburban to the rural and from the Old world to the New One of the book's most novel approaches is to consider interactions between opera and its environments that is both in the domain of the traditional opera house and in less visible more peripheral spaces from girls schools in late seventeenth century England to the temporary arrangements of touring operatic troupes in nineteenth century Calcutta to rural open air theaters in early twentieth century France The essays throughout Operatic Geographies powerfully illustrate how opera's spatial production informs the historical development of its social cultural and political functions

The Oxford Handbook of Opera Helen M. Greenwald, 2014 What IS opera Contributors to The Oxford Handbook of Opera respond to this deceptively simple question with a rich and compelling exploration of opera's adaption to changing artistic and political currents Fifty of the world's most respected scholars cast opera as a fluid entity that continuously reinvents itself in a reflection of its patrons audience and creators The synergy of power performance and identity recurs thematically throughout the volume's major topics Words Music and Meaning Performance and Production Opera and Society and Transmission and Reception Individual essays engage with repertoire from Monteverdi Mozart and Meyerbeer to Strauss Henze and Adams in studies of composition national identity transmission reception sources media iconography humanism the art of collecting theory analysis commerce singers directors criticism editions politics staging race and gender The title of the penultimate section Opera on the Edge suggests the uncertainty of opera's future is opera headed toward catastrophe or have social and musical developments of the last hundred years stimulated something new and exciting and well operatic In an epilogue to the volume a contemporary opera composer speaks candidly about opera composition today The Oxford Handbook of Opera is an essential companion to scholars educators advanced students performers and knowledgeable listeners those who simply love opera
