Hallows Eve Lesson Plan:

The Halloween Store and Other Tales of All Hallows' Eve Ronald Kelly, 2020-09-25 When you first enter The Halloween Store things seem normal Fun and frightful decorations ghastly costumes and masks of the season and bags of candy galore Then as you travel farther into its shadowy depths things begin to change The air smells of damp autumn leaves and candle scorched pumpkin The shelves of All Hallows Eve fare grow darker and more disturbing Strange and unsettling things of Halloweens past and present lurk amid the cobwebs and dust Four trick or treaters purchase vintage costumes from a strip mall shop only to discover that they must sign a mysterious disclaimer for the Halloween celebration to come After a man s missing daughter is found near death and physically altered he must once again face a horrifying monster from his own childhood A teenage girl hitches a ride after a Halloween rock roll concert only to learn that her favorite singing idol has made a pact with the Devil himself Three kids receive unusual treats during a Halloween stop at their favorite teacher s house During a random visit to his hometown a businessman treats a young boy to the joy and excitement of a Halloween festival only to find that things are not what they first appeared to be A rash of ghoulish jack o lanterns leads a small town sheriff to the doorstep of one of the most notorious serial killers of all time An advertisement in the back of an old comic book prompts two friends to place an order that they soon come to regret Seven horrific tales and two nostalgic essays hand picked for your Trick or Treat bag With the arrival of a 2020 Halloween there is no telling what terrifying treats and petrifying prizes may await you

Bryan and the Hallows Fannie Wengerd, 2021-09-09 When Bryan Aarons is attacked by ghosts he meets his Guardian. His Guardian tells him that he needs to help Melanie Lewis rescue her little sister Mary who has been kidnapped by a Hallow that looks like a Hulk. Bryan thinks it is impossible but he builds on the teaching of his late mother and sets out on his mission. Bryan and Melanie follow the signs through a seemingly solid wall and into a town that they didn't know existed where they face giant reptiles and a very large vicious dog. They search out the entrance to the corridor that leads them down to the very gates of evil. There they rescue Mary from the evil keeper of the gates. Faith helps Bryan, Melanie and Mary get back to safety through the corridor despite tapestries that are traps, witches, large reptiles, walking and talking vegetables and a normally solid wall. Can skeptical Melanie rescue Bryan and Mary when they fall through a portal back into the corridor through faith and the help of two converted hallows?
