Handbook of the Clinical Treatment of Infidelity

Katherine Milewski Hertlein, Fred P Piercy, Joseph L. Wetchler, 2013-03-07 Help your clients relationships survive infidelity In the Handbook of the Clinical Treatment of Infidelity a panel of seasoned experts reflects on issues central to affairs and on how to help couples heal and learn from them First editors Fred P Piercy Katherine M Hertlein and Joseph L Wetchler provide an essential overview of infidelity theory research and treatment They discuss the effect of infidelity on couples and delineate three types of infidelity emotional physical and infidelity including aspects of both They review the relatively new role of the Internet in infidelity and explore infidelity within the context of comarital relationships Finally they discuss the overarching theories and common models used in infidelity treatment Also in the Handbook of the Clinical Treatment of Infidelity Susan M Johnson the co developer of Emotionally Focused Therapy EFT discusses affairs through the lens of attachment theory and shows how EFT provides a way to acknowledge and express pain remorse and regret and to repair this attachment bond David Moultrup takes a Bowenian approach to infidelity focusing attention on the underlying dynamics of the emotional system Frank Pittman and Tina Pittman Wagers outline cultural myths about affairs and do their share of debunking Adrian Blow discusses how to help couples directly address their pain and the challenges of the healing process Brian Case highlights the role of apology and forgiveness in the healing process Frank Stalfa and Catherine Hastings focus on the treatment of accusatory suffering a spouse s obsessive holding onto and retaliating for an affair long after it has ended and despite the offending partner s repeated apologies and attempts at restitution Don David Lusterman discusses individuals who have suppressed or denied traumatic stress reactions to their partner s affair and how to help them Scott Johnson discusses myths about affairs from who is cheating on whom to whether men really have more affairs than women to the blame filled language of affairs betrayal and infidelity asking us to think more systematically about affairs and to see the dynamics of extra dyadic relationships as more complex and nuanced than they are typically portrayed in the literature Joan Atwood provides an overview of Internet infidelity the factors influencing one s involvement in this type of infidelity and some considerations for therapists Tim Nelson Fred Piercy and Doug Sprenkle report on the results of a multi phase Delphi study that explored what infidelity experts say are the critical issues interventions and gender differences in the treatment of Internet infidelity Monica Whitty and Adrian Carr draw upon Klein s object relations theory and discuss how this might influence the way people rationalize their Internet infidelity Emily Brown outlines the concept of the Split Self Affair discussing its origins characteristics and implications for individuals and couples and providing detailed information on how to work with these couples in therapy Michael Bettinger presents extra dyadic relationship as a fact rather than a problem within many gay male relationships a discussion that shows how gay male polyamory can work as an alternative to the heterosexual model of emotional and sexual exclusivity in romantic dyadic relationships Katherine Hertlein and Gary Skaggs report on the results of a study that assessed the level of differentiation and one s engagement in extra dyadic relationships The Handbook of the Clinical Treatment of Infidelity is essential reading for today s and tomorrow s clinicians who work with

couples Make it a p **Theory & Practice in Clinical Social Work** Jerrold R. Brandell, 2010-02-16 Today's clinical social workers face a spectrum of social issues and problems of a scope and severity hardly imagined just a few years ago and an ever widening domain of responsibility to overcome them Theory and Practice in Clinical Social Work is the authoritative handbook for social work clinicians and graduate social work students that keeps pace with rapid social changes and presents carefully devised methods models and techniques for responding to the needs of an increasingly diverse clientele Following an overview of the principal frameworks for clinical practice including systems theory behavioral and cognitive theories psychoanalytic theory and neurobiological theory the book goes on to present the major social crises problems and new populations the social work clinician confronts each day Theory and Practice in Clinical Social Work includes 29 original chapters many with carefully crafted and detailed clinical illustrations by leading social work scholars and master clinicians who represent the widest variety of clinical orientations and specializations Collectively these leading authors have treated nearly every conceivable clinical population in virtually every practice context using a full array of treatment approaches and modalities Included in this volume are chapters on practice with adults and children clinical social work with adolescents family therapy and children's treatment groups other chapters focus on social work with communities affected by disasters and terrorism clinical case management cross cultural clinical practice psychopharmacology practice with older adults and mourning and loss The extraordinary breadth of coverage will make this book an essential source of information for students in advanced practice courses and practicing social workers alike *An Introduction to Marriage and Family Therapy* Joseph L. Wetchler, Lorna L. Hecker, 2014-08-27 Now in its second edition this text introduces readers to the rich history and practice of Marriage and Family Therapy with 32 professionals from across the US presenting their knowledge in their areas of expertise This blend of approaches and styles gives this text a unique voice and makes it a comprehensive resource for graduate students taking their first course in Marriage and Family Therapy The book is divided into three sections Part 1 focuses on the components on which 21st century family therapy is based and summarizes the most recent changes made to not only therapeutic interventions but to the very concept of family Part 2 presents an overview of the 7 major theoretical models of the field structural strategic Milan social constructionist experiential transgenerational and cognitive behavioral family therapy Each chapter in this section Focuses on the founder of the theory its theoretical tenants and its key techniques Shows how the model focuses on diversity Presents the research that supports the approach Part 3 addresses specific treatment areas that are common to marriage and family therapists such as sex therapy pre marital therapy research and ethics and legal issues As an introduction to the field of Marriage and Family Therapy this volume stands above the rest Not only will readers gain an understanding of the rich history of the field and its techniques but they will also see a complete picture of the context in which families are embedded such as gender culture spirituality and sexual orientation This knowledge is the key to understanding what differentiates Marriage and Family Therapy from individual psychotherapy

Glossaries case studies tables figures and appendices appear generously throughout the text to present this information and give students a thorough overview to prepare them for their professional lives

Treating Trauma in Christian Counseling Heather Daveidiuk Gingrich, Fred C. Gingrich, 2017-12-19 With extensive experience treating complex trauma Heather Gingrich and Fred Gingrich have brought together key essays representing the latest psychological research on trauma from a Christian integration perspective This text introduces counseling approaches trauma information and Christian reflections for students instructors clinicians and researchers alike

Relationship Therapy with Same-Sex Couples Jerry Bigner, Joseph L. Wetchler, 2014-01-14 Use new knowledge of the LGBT culture to ably counsel same sex couples Relationship Therapy with Same Sex Couples provides psychologists therapists social workers and counselors with an overview of the array of treatment issues they may face when working with couples from the LGBT community This book highlights the experiences of therapists who have encountered concerns particular to LGBT clients especially those in intimate relationships This intriguing resource covers clinical issues sex therapy special situations and training issues for helping therapists successfully counsel same sex couples Relationship Therapy with Same Sex Couples explores the therapist's role in working through universal issues in couples therapy such as communication problems infidelity and decision making with a focus on how therapy should differ for same sex couples This important guide also identifies which problems are unique to couples as an aspect of their sexual orientation including gender role socialization and societal oppression With this book you will be able provide appropriate therapy without over or under attributing a couple's problems to their LGBT status This book shows how experienced therapists have developed methods for working with gay and lesbian parents heterosexual spouses and ex spouses couples in HIV serodiscordant relationships lesbian bed death couple and family dynamics supporting transgender and sexual reassignment issues and more Relationship Therapy with Same Sex Couples contains several features for you to utilize in your own practice including the Sexual Orientation Matrix for Supervision SOMS to assist supervisors and trainers in preparing supervisees to work with lesbian gay and bisexual clients The book also offers guidelines for heterosexual therapists who plan to work with same sex couples and how to overcome any residual homophobia or heterosexual guilt Lastly this essential sourcebook reviews several articles book chapters books and Web sites that are relevant to same sex couples and the therapists who work with them

Handbook of Clinical Behavior Therapy with Adults Alan S. Bellack, Michel Hersen, 2012-12-06 Despite the occasional outcries to the contrary the field of behavior therapy is still growing and the asymptote has not been reached yet The umbrella of behavior therapy continues to enlarge and still is able to encompass new theories new concepts new research new data and new clinical techniques Although the number of new behavioral journals now has stabilized we still see a proliferation of books on the subject In the past few years however we have seen considerable specialization within behavior therapy No longer is it possible to be a generalist and remain fully abreast of all the relevant developments Thus we see behavior therapists who deal with adults

those who deal with children those whose specialty is hospital psychiatry and those who see themselves as practitioners of behavioral medicine Even within a subarea such as behavioral medicine specialization runs supreme to the extent that there are experts in the specific addictions adult medical problems and child medical problems Given the extent of specialization there are numerous ways to skin the proverbial cat We therefore have chosen to look at the contemporary work in behavior therapy that is being carried out with adults in part of course because of our long standing interest in this area as teachers researchers and clinicians In so doing we have chosen to highlight the clinical aspects of the endeavor but not at the expense of the rich research heritage for each of the specific adult disorders The Oxford Handbook of Cognitive and Behavioral

Therapies Christine M. Nezu, Arthur M. Nezu, 2016 The Oxford Handbook of Cognitive and Behavioral Therapies provides a contemporary and comprehensive illustration of the wide range of evidence based psychotherapy tools available to both clinicians and researchers Chapters are written by the most prominent names in cognitive and behavioral theory assessment and treatment and they provide valuable insights concerning the theory development and future directions of cognitive and behavioral interventions Unlike other handbooks that provide a collection of intervention chapters but do not successfully tie these interventions together the editors have designed a volume that not only takes the reader through underlying theory and philosophies inherent to a cognitive and behavioral approach but also includes chapters regarding case formulation requisite professional cognitive and behavioral competencies and integration of multiculturalism into clinical practice The Oxford Handbook of Cognitive and Behavioral Therapies clarifies terms present in the literature regarding cognitive and behavioral interventions and reveals the rich variety similarities and differences among the large number of cognitive and behavioral interventions that can be applied individually or combined to improve the lives of patients **Clinical Issues**

with Interracial Couples Volker Thomas, Joseph L. Wetchler, Terri Karis, 2014-02-25 Go beyond cookie cutter therapy and interventions to provide culturally relevant therapy that works for your clients in interracial relationships With this book you will explore an array of relational issues faced by various configurations of interracial couples Then you will learn specific intervention strategies for treating these couples in therapy The first section presents research and theoretical chapters on issues faced by interracial couples who are heterosexual the second focuses on issues facing racially mixed gay and lesbian couples and the third provides you with specific interventions to use with couples in interracial relationships Clinical Issues with Interracial Couples Theories and Research is an important addition to the collection of any therapist who counts an interracial couple among his or her clients From the editors Although interracial couples face challenges related to differences in their racial backgrounds couple and family theories have had little to say about how to work with these differences Not all couples are white married and heterosexual and there is a growing understanding that clinical practices based on these assumptions may not be adequate when working with interracial couples Recognizing the diversity of our clients the intent of this book is to contribute to more respectful and inclusive clinical practices that can address the

treatment issues we face in the first decade of the twenty first century The first section of this book examines challenges faced by heterosexual interracial couples focusing on how black white couples experience and respond to racism and how they negotiate the racial and ethnic differences they face in their relationships the significance of race or lack of it in white women s relationships with black men with suggestions on how to create a therapeutic space for discussing race without over determining its significance marriages where one partner is of Latino a descent and the other of non Latino a white descent a pilot study of a rarely investigated population approaches interventions and strategies to use when treating multicultural Muslim couples Hawaii s unusual history of interracial ties and relationships the common challenges that face interracial couples there and therapeutic interventions that can benefit them The second section of Clinical Issues with Interracial Couples looks at the issues faced by same sex interracial couples Here is a sample of what you ll find clinical considerations for working with interracial intercultural lesbian couples pitfalls to avoid in therapy as well as suggestions for a conceptual approach for gay Latino men in cross cultural relationships The book s final section presents interventions for use with interracial couples Here you ll find assessment techniques and interventions geared toward black white couples information on doing effective therapy with Latino a white couples a case study of the therapeutic process as applied to an Asian American woman married to a white man seven therapists perspectives on working with interracial couples focusing on the historical context of intermarriage specific concerns and issues that interracial couples experience in their relationships and the experiences of therapists working with this diverse and challenging client population Advancing Social Justice Through Clinical Practice Etiony Aldarondo,2007-03-21 There is a healthy development in the human service professions these days At community clinics private practices and universities around the country mental health professionals and service providers are working with increased awareness of the toxic effects of social inequities in the lives of people they aim to help Quietly by acting out thei
