Gender and Social Movements Jo Reger,2021-08-23

How does gender influence social movements How do social movements deal with gender In *Gender and Social Movements* Jo Reger takes a comprehensive look at the ways in which people organize around gender issues and how gender shapes social movements Here gender is more than an individual quality it is a part of the very foundation of social movements shaping how they recruit mobilize and articulate their strategies tactics and identities Moving past the gender binary Reger explores how movements can shift understandings of gender and how backlash and countermovements can often follow gendered movement successes Adopting both an intersectional and global lens the book introduces readers to the idea that gender as a form of societal power is integral in all efforts for social change With a critical overview across different types of movements and gender activism such as the women s liberation Metoo and transgender rights movements this book offers a solid foundation for those seeking to understand how gender and social movements interact

The Perils of Masculinity

Andreas G. Philaretou,2004 In this book Andreas G Philaretou uses autobiographical reflection to investigate the negative impact of traditional masculine gender socialization on men s lives Through an analysis that uses a feminist postmodern ideology of gender deconstruction and reconstruction Philaretou sheds new light on the understudied area of male hurt which is often experienced within the context of interpersonal relationships in dating marital and familial settings and tends to be manifested in the form of male sexual anxiety sexual addiction and relational abuse

The South of the Mind

Zachary J. Lechner,2018-09-15 This interdisciplinary work is driven by the question What can imaginings of the South reveal about the recent American past In it Zachary J Lechner bridges the fields of southern studies southern history and post World War II American cultural and popular culture history in an effort to discern how conceptions of a tradition bound timeless South shaped Americans views of themselves and their society and served as a fantasied refuge from the era s political and

cultural fragmentations namely the perceived problems associated with urbanization and rootlessness The book demonstrates that we cannot hope to understand recent U S history without exploring how people have conceived the South

Progressive Country Jason Mellard,2013-10-01 Published in Cooperation with the William P Clements Center for Southwest Studies Southern Methodist University **Destined for Equality** Robert Max Jackson,2010-09-30 Men and women remain unequal in the United States but in this provocative book Robert Max Jackson demonstrates that gender inequality is irrevocably crumbling Destined for Equality the first integrated analysis of gender inequality s modern decline tells the story of that progressive movement toward equality over the past two centuries in America showing that women s status has risen consistently and continuously Jackson asserts that women s rising status has been due largely to the emergence of modern political and economic organizations which have transformed institutional priorities concerning gender Although individual politicians and businessmen generally believed women should remain in their traditional roles Jackson shows that it was simply not in the interests of modern enterprise and government to foster inequality The search for profits votes organizational rationality and stability all favored a gender neutral approach that improved women s status The inherent gender impartiality of organizational interests won out over the prejudiced preferences of the men who ran them As economic power migrated into large scale organizations inherently indifferent to gender distinctions the patriarchal model lost its social and cultural sway and women s continual efforts to rise in the world became steadily more successful Total gender equality will eventually prevail the only questions remaining are what it will look like and how and when it will arrive

Society in Focus William E. Thompson,Joseph V. Hickey,Mica L. brand new boxes throughout encourage students to take a closer look at society and selected social issues

Destabilising Manhood and Masculinity Bob Pease, 2025-07-01 This book addresses the debate within feminism and critical studies of men and masculinities on whether men should be encouraged to develop alternative masculinities or whether they should be challenged to renounce masculinity altogether It argues that men have to move beyond the illusion of masculinity to address their habitual ways of relating that reinforce dominance and oppression and instead foster subjectivities that are multiple and fluid Tracing the nature of the problem associated with men masculinity and gender Pease examines the implications of feminist engagements with Gilles Deleuze and Felix Guattari to explore the possibilities of destabilising and moving beyond manhood and masculinity The book will be of interest to scholars in Sociology Psychology Social Work and Environmental and Gender Studies especially as they relate to critical studies of men and masculinities

In Search of Manhood Don H. Corrigan, 2024-08-15 American men began an earnest search for the meaning of manhood in the latter half of the 20th century and enlisted in such groups as Promise Keepers Million Man March National Congress of Men and fathers rights groups This study chronicles those movements as well as the more visible male activism of today in such groups as Proud Boys Three Percenters and Oath Keepers The book explores the misogyny and militancy embodied in these new quests for manhood The first section covers pop culture influences on conceptions of masculinity and moves from celebrity iconography to the institutional and organizational influences that men have relied on in the effort to make themselves masculine The second section describes masculinity and men's movements in the 20th century and the third section covers the 21st The final chapters analyze the contrast between the more thoughtful men's movements before the turn of the century and the more militant and physical movements after 2000 posing and addressing critical questions about the relationship between prevailing ideals of masculinity and events like the January 6th insurrection

Power at Play Michael A. Messner, 1995-04-30 Based on interviews with a diverse group of former high school college and professional athletes Power at Play examines the important role sports play in defining masculinity for American men

Sociological Wisdom William E. Thompson, Mica L. Thompson, 2019-09-10 Sociological Wisdom is based on applying the basic principles of sociology to the world around us Sociologists study patterns of behavior in order to draw general conclusions about a social issue that transcend the effect of the problem or issue on any particular individual This is not to say that sociologists are unconcerned about individuals and their lives but sociology's emphasis is on the way individuals relate to others people's positions in society and the interdependence between society and individuals This text teaches students that it is more important than ever to study human behavior social groups and society utilizing critical thinking skills and careful analysis associated with sociological wisdom

"Camp Pain" Jean E. Jackson, 2011-06-07 Pain is the most frequent cause of disability in America And pain specialists estimate that as many as thirty to sixty million Americans suffer from chronic pain Chronic pain is a complex phenomenon often extremely difficult to treat and surprisingly difficult to define Just as medical literature in general

neglects the experience of illness so the clinical literature on pain neglects the experience of pain Camp Pain takes an approach different from most studies of chronic pain which are typically written from a medical or social perspective Based on a year s fieldwork in a pain treatment center this book focuses on patients perspectives on their experiences of pain what these experiences mean to them and how this meaning is socially constructed Jackson explores the psychological burden imposed on many sufferers when they are judged not to have real pain and by harsh moral judgments that sufferers are weak malingering or responsible in some way for their pain Jackson also looks at the ways in which severe pain erodes and destroys personal identity studying in particular the role of language While keeping her focus on patients experiences Jackson explores Western concepts of disease health mind and body assumptions about cause and effect and notions of shame guilt and stigma Camp Pain does not attempt to resolve the uncertainties and misperceptions associated with pain but rather aims at enhancing our understanding of the wider implications of chronic pain by focusing on the sufferers themselves

Nursing and Mental Health Care Steve Trenoweth,Terry Docherty,Joseph Franks,Reuben Pearce,2011-08-30 Improving mental health for all is increasingly important in nursing as more people suffer from mental health issues ranging from stress through to diagnosed illnesses It is crucial that all nurses not just mental health nurses are aware of mental health problems and the impact these have on patients families and carers This book gives a clear overview of mental health in nursing relevant for all fields of practice It explains the core features of the mental health nursing field and explores aspects of mental health that every nurse should understand in order to provide holistic care to their patients **Loving Our Enemies**

Through Seasons of Bitterness Lex Kohn,2025-06-30 In a nation crumbling under the weight of bitterness where government is the people s god the way through is neither legislation nor activism but loving the least loveable A study of internet influence conflict theory and nineteenth century wisdom reveals that people do not have to solve their disagreements if they can relearn how to love their enemies as Christ commanded This book highlights courageous men and women of faith from biblical times up through the present who obeyed this commandment the Scriptures they followed and how they managed it so that people today too might learn to substitute love instead of bitterness **Ancient Wisdom for the Good Life** Ralph Hawkins,2023-12-15 In Ancient Wisdom for the Good Life Ralph K Hawkins turns our attention to the Bible s Wisdom Literature Job Psalms Proverbs Ecclesiastes and Song of Songs and how it can correct us train us in righteousness and ultimately empower us for successful living These are some of the most inspired writings on the Good Life the world has ever known in which ancient Israel s sages wrote about how to live stable harmonious productive and joyous lives Together they interlock to cover the entire field of wisdom providing contemporary readers with the tools to develop a unified world view with God at the center Ancient Wisdom for the Good Life culls out the guidance of ancient Israel s sages for a modern society that has been cut adrift from its moorings Full of wisdom and practically written this book could be used as a supplementary text in an undergraduate or seminary course in the Wisdom Literature and it would certainly be useful

for pastors in their sermon preparation or even just general reading Table of Contents Winning and the Wisdom Literature A Mindset of Integrity A Mindset of Community A Mindset of Communication A Mindset of Cause and Effect A Mindset of Goal Setting A Mindset of Work A Mindset of Health A Mindset of Abundance A Mindset of Joy About the Author Ralph K Hawkins PhD Andrews University is professor of religion and director of the Program in Religion at Averett University He is co director of the Jordan Valley Excavation Project JVEP and the author of several books including The Iron Age I Structure on Mt Ebal Excavation and Interpretation Eisenbrauns How Israel became a People Abingdon Press and Discovering Exodus Content Interpretation Reception SPCK Eerdmans An Anglican priest Hawkins has also written pastoral books including While I Was Praying Finding Insights about God in Old Testament Prayers Smyth Helwys and Leadership Lessons Avoiding the Pitfalls of King Saul Thomas Nelson *The Family Flamboyant* Marla Brettschneider, 2006-10-12 Interrogates the normative heterosexual family from feminist Jewish and queer perspectives *Masculinities* R. W. Connell, Raewyn Connell, 2005 This is an exciting new edition of R W Connell s ground breaking text which has become a classic work on the nature and construction of masculine identity Connell argues that there is not one masculinity but many different masculinities each associated with different positions of power In a world gender order that continues to privilege men over women but also raises difficult issues for men and boys his account is more pertinent than ever before In a substantial new introduction and conclusion Connell discusses the development of masculinity studies in the ten years since the book s initial publication He explores global gender relations new theories and practical uses of masculinlity research Looking to the future his new concluding chapter addresses the politics of masculinities and the implications of masculinity research for understanding current world issues Against the backdrop of an increasingly divided world dominated by neo conservative politics Connell s account highlights a series of compelling questions about the future of human society This second edition of Connell s classic book will be essential reading for students taking courses on masculinities and gender studies and will be of interest to students and scholars across the humanities and social sciences

The Top Books of the Year Hazards Of Being Male Surviving The Myth Of Masculine Privilege Signet The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
