He Touched Me Benny Hinn:

He Touched Me Benny Hinn, 2001-04-08 This is the remarkable story of Benny Hinn a man known to millions as one of the great healing evangelists of our time Many who have attended his crusades watched his daily television ministry or have seen him on programs such as Larry King Live have asked Who is this man And how did he rise to such a place of prominence You ll travel to Jaffa Israel and learn of the events that shaped the life of Benedictus the oldest son in a family of eight children of Greek and Armenian heritage And you will read of the deep conflicts in the Hinn household when after the family immigrated to Canada Benny had a dramatic life changing spiritual experience The journey from a small church in Oshawa Ontario to the largest stadiums and arenas in the world is filled with love laughter and tears It is also a story of miracles **He Touched Me** the autobiography of Benny Hinn will inspire you It reveals what can happen when one person becomes totally yielded to the holy Spirit *Jesusland* Joelle Kidd, 2025-08-12 An empathetic funny and sharply critical collection of essays exploring the Christian pop culture of the 2000s and its influence on today s politically powerful evangelicalism Braiding relentless curiosity sharp argument and wry comedy Kidd offers a lucid critique of evangelicalism that is always attentive to and respectful of the mysteries of faith This is cultural criticism at its finest I ll read anything Kidd writes Tajja Isen author of *Some of My Best Friends* In 1999 after three years of secular living in Eastern Europe Joelle Kidd moved back to Canada and was enrolled in the strange world of an evangelical Christian school Immediately she found herself in a strange world of upbeat Christian pop music purity education and desperately trendy Bible redesigns trying to make sense of this unfamiliar preteen cultural landscape In *Jesusland* Joelle writes about the Christian pop culture that she was suddenly immersed in from perky girl bands to modest styling tips and draws connections between this evangelical subculture and the mainstream a tense yet reciprocal relationship that both disavows the secular while employing its media markers But none of this was just about catchy songs every abstinence quiz in a teen magazine was laying the foundation for what would become a conservative Christian movement that threatens women s healthcare attacks queer and trans rights and drives present day political division Through nine incisive honest and emotional essays *Jesusland* exposes the pop cultural machinations of evangelicalism while giving voice to aughts era Christian children and teens who are now adults looking back at their time measuring the length of their skirts and asking each other if their celebrity crush was Christian enough With care and generosity *Jesusland* shows us how the conservative evangelical movement became the global power it is today by exploring the pop culture that both reflected and shaped an entire generation of young people **LOST and PROFOUND** Mark McKirdy, 2015-03-03 **LOST and PROFOUND** The Rejected Book Reviews by Famous People is a unique and hilarious collection of unpublished book reviews seemingly written by household names who have reached the top in film television journalism science music sport art business politics and literature Included among the reviewers are George W Bush David Letterman Madonna Gore Vidal Shirley MacLaine Arnold Palmer Elton John Gloria Steinem David Suzuki Walter Cronkite

Salvatore Sammy the Bull Gravano Jimmy Swaggart and Monica Lewinsky All the books reviewed are real and the astonishing diversity of interests of the celebrities demonstrates that shallow perception can never be disguised as deep thought no matter how cleverly expressed As revealed in the book's Introduction Mark McKirdy acquired this collection when he successfully bid for a small dusty box at a Sotheby's auction in 2013 Upon his return to Oxford University where he was the anthropologist in residence he opened the box and like Howard Carter marveling at the treasures he'd just unearthed from Tutankhamun's tomb in 1922 the author was holding a golden collection of book reviews by many of the world's most significant people Each review had apparently been commissioned by the prestigious literary journal The London Review of Books and each for reasons never revealed received a soul crushing rebuff by way of a large red Rejected stamp As with all well written satire LOST and PROFOUND will give readers pause for thought seconds for chuckling minutes of laughing out loud and hours of fun and if the celebrities mentioned in the book didn't actually write the reviews cited they probably wish they had
