Me have sparked theological infernos that have plagued Christianity from its beginnings From the greatest theologians to the smallest child the same question is always asked What did Jesus really mean In considering only the most difficult of the sayings of Jesus Taught by God brings together the academic rigour of modern biblical scholarship and the profound wisdom of the early Church Fathers in a unique lively and dramatic synthesis

What Did Jesus Mean? Ron Rhodes,1999 Bible teacher Ron Rhodes tackles the puzzling statements of Jesus in the easy to read question answer format that made his Complete Book of Bible Answers so accessible and enjoyable There is universal interest in the teachings of Jesus but often seekers and longtime Christians alike are perplexed by what seem to be cryptic sayings of the Savior

Did Jesus Really Say He Was God? Mikel Del Rosario,2025-10-23 How to Make Sense of Jesus Divine Claims Do you ever wonder if Jesus really claimed to be God Maybe you ve heard people say Jesus never said he was God or you ve been asked Why believe Jesus is divine if he never claimed it These challenges aren t just from non Christians they show up in church too Even if you re not coming from a place of skepticism you might still question how well church teachings about Jesus match up with what he actually said So did the historical Jesus really claim to be divine This book is here to give you confidence in the historicity of Jesus claim to divinity It s designed to help you explain your faith in a world that increasingly doubts the Bible s portrayal of Jesus Instead of focusing on what Jesus followers believed this book takes a different approach it looks at what Jesus enemies thought How did they interpret his words and actions Their perspective can help you understand the historical validity of Jesus divine claim In this book biblical scholar Mikel Del Rosario uses historiography to examine claims about Jesus divinity analyzes ancient Greco Roman Jewish and biblical sources to understand how Jesus words and actions were interpreted by his adversaries and followers and argues that Jesus claimed divine authority a claim supported by strong historical evidence If you re a Christian this book will equip you to defend your faith against theories that suggest Jesus only claimed human authority not divine If you re someone who sees Christianity differently this book offers a serious investigation into the claims of the historical Jesus providing evidence that any theory of his identity must address Whether you re searching for answers to your own questions or trying to share about Jesus with others this book will help you communicate Jesus divine claim with clarity and confidence

A Personal Decision for Jesus - Or Not: Exploring Evidence For and Against the Christian Worldview (an Apologetics Bible Study) Brace E. Barber,2021-01-28 Right now your child believes that science has disproven the Christian faith How can you fight the overwhelming authoritative forces set against you and your family You hold the answer this Apologetics Bible Study in your hands Surprised parents are watching helplessly as their kids walk away from the Christian faith Over 50% of kids raised in Christian homes are leaving the faith never to return And the loss is getting worse There is a blindness in the Christian church that is leaving parents searching for alternative ways to protect their families Until now What if there was a way to convince your kids beyond a shadow of a doubt that Christianity is the truth What if you could show your kids that the world s view of evolution creation good and evil the Bible Jesus and God were not

only false they simply don't make any sense What if you could show your kids that the scientific historic and philosophical evidence overwhelmingly support the Christian view on those same topics Would you get excited This book is for you Christian Apologetics taught with respect for the intellect of the reader **Ten Things Christians Wish Jesus Hadn't Taught** David Madison,2021-08-21 This is a book about ten of the most significant uncomfortable teachings of Jesus These are teachings that Christians don't like to think or talk about They are clear imperatives from Jesus that are for the most part ignored by the majority of believers **What Did Jesus Mean?** Anna Wierzbicka,2001 Linguist Anna Wierzbicka casts new light on the words of Jesus by taking her theory of universal human concepts and bringing it to bear on Jesus parables and the Sermon on the Mount Her approach results in strikingly novel interpretations *You don't Understand the Bible because you are Christian* Richard Gist,2014-07-25 By the early second century the Christian Church was predominantly Gentile having separated from its Jewish roots and base It lost most all understanding of Jewish culture Very few in the church could read Hebrew and as significantly its Scriptures were in Greek which contributed to its growing ignorance of the intricacies of Jewish word play They could not and did not retain the richness the interconnectedness and the brilliance of the Hebrew writing and thereby misinterpreted much of what they cherished Today many if not most Christians also lack the basic knowhow needed to adequately appreciate our Jewish written Scriptures This little 150 page book will not heal what ails us but in a light sometimes fun other times serious way it will help and that is needed It may even erase a few of the lines that separate our two great communities Jewish and Christian and remind us of our shared humanity and Faith Creative insightful humorous sensitive challenging thought provoking What other words are used to describe this book and its author See pages iv and v **The Wisdom and Hidden Words of Jesus Christ** Various Authors,2018-08-05 These works that are attributed to Jesus Gospel and are NOT included in The New Testament contain writings that represent some of the same events quotes language and tone that are in the currently published New Testament and they should not be ignored but read and studied in any manner possible This book makes that study possible According to scholarly estimates there were at least twenty gospels and many epistles that were removed from the biblical canon by various councils such as The Council of Nicea over a thousand years ago Luckily several that appeared to be missing have been found recently The most important point is that the canon was edited for political and cultural reasons to form a narrative that is different from actual events and a full understanding of Christianity or CHRISTIAN PHILOSOPHY is not complete without a study of these additional works The authors and councils that compiled and edited The New Testament texts got some of their information from earlier writings Modern scholars call these earlier writings sources and have determined that there were probably three of them These three lost sources may have been the first gospels Their ancient names are unknown so they are usually identified by modern names specifically the Lost Q Source the Pre Markan Passion Narrative and the Signs Gospel Because no copies of any of them have been found they are sometimes called hypothetical gospels Other gospels have been discovered more

directly because actual physical remains have been found Examples include The Gospel of Peter the Gospel of Mary and the Gospel of Judas All of these were discovered in modern times These rediscovered gospels are named after Simon Peter Mary Magdalene and Judas Iscariot The Gospel of Mary has recently been verified in both ink and type of papyrus Ancient writers mentioned a number of other gospels which existed These include but are not limited too The Gospel of Matthias The Gospel of Perfection The Gospel of the Seventy The Dialogue of the Savior The Gospel of the Twelve The Book of the Hebrews The Gospel of the Nazarenes The Gospel of Bartholomew The Secret Gospel of Mark and The Gospel of Eve Other gospels may have also existed In addition early church leaders intentionally destroyed some books in order to cover up embarrassing facts about the origins of Christianity These texts are a must read for those who wish to know the whole story surrounding the New Testament

When Things Don't Seem to Make Sense Leigh Robinson,198? Hidden Sayings of Jesus William G. Morrice,1997 This is a collection of the sayings attributed to Jesus that are not recorded in the four biblical gospels They have been specially translated for this book from Coptic Greek and Arabic sources drawing particularly on the Gospel of Thomas in the Nag Hammadi Library Hidden Sayings of Jesus forms a guide to the range of sayings introducing them for a broad non specialist audience and setting them in their historical and scriptural background with authoritative quotations from scholars Each saying is given in full graded as to its possible authenticity and accompanied by a short commentary William Morrice examines what they can tell us about Jesus and his early followers and why they have aroused so much interest today From publisher s description

Tough Sayings of Jesus Michael Kelley,2008-02-01 The Tough Sayings of Jesus Volume II contains four more difficult to digest passages that threaten to blow apart the comfortable vision of the Son of God that many have created

Jesus Said... REV The Philip R Taylor,2021-03-09 The words that Jesus said as recorded in Mark s Gospel are occasionally assigned second place to what he did The author has chosen to discuss the words rather than the actions of Jesus Since Mark s Gospel is so brief Vicar Phil believes that Mark has chosen the most crucial words of Jesus for his Gospel and that they are directed squarely at each of us and the twenty first century church 2

More Difficult Sayings of Jesus William Neil,Stephen Travis,1981

The Bad Habits of Jesus Leonard Sweet,2016-11-01 Did Jesus have bad habits In our culture we have a tendency to describe Jesus in ways that soften his revolutionary edge Len Sweet uncovers and presents to us the offensive and scandalous Jesus described in the Bible Did he disappear when people needed him most Yes Did he refuse to answer questions directly Yes Did Jesus offend the people of his day Absolutely yes Popular author and speaker Len Sweet examines the words and actions of Jesus and places them in context We need to understand who Jesus really is if we are to follow him wholeheartedly That is why it is so crucial to see the rebellious rabbi for who he is and not for who we may imagine him to be The Bad Habits of Jesus will help you see the untamed Jesus who isn t sanitized for our culture That Jesus just might transform how you live out your life

Indisputable Evidence That Jesus Is Not Coming Back Patrick Ugeh, 2017-01-15 That Jesus Christ is not coming back and the world is not ending have been discussed by some leading Christian scholars as far back as fifty years ago at the least What is baffling is why pastors and preachers of today still claim the world will end soon in spite of the overwhelming evidence in the Bible that shows otherwise This book a compendium of some of such proofs from the Holy Bible builds on scriptural facts to further establish that there is no end to the world and no Second Coming of Jesus Christ contrary to the widely held beliefs Like the above facts which are proven beyond doubt in this book there are a lot of shocking facts about God and Jesus that are in the Scripture but which most Christians don't recognise or acknowledge These are explained lucidly and in simple terms in this book SOME OF THE ISSUES TREATED Why are Clerics Not Telling Christians Jesus is Not Coming Back We re Brothers and Sisters of Jesus in Relation to God Says the Bible Day of Judgement without Jesus since He is not coming back Even Jesus Could Not Get All He Asked For So He Cannot Give You Everything You Ask in His Name When We Find the Kingdom of God Eternity With God is Our Birthright We Don't Need Jesus to Have It Why God Cannot Send Anyone to Hell How God Sees What We Think and Do in Secret A Graphic Account of How God Enters and Dwells in Man What Jesus May Have Meant by the Second Coming Biblical Proofs that We are God No God The Father or Son Just God and Why He is Called Father The Bible's Definition of the Kingdom of God Different from What Most Christians Think
