**Healing and Wholeness** Kathleen Glennon, 2010 A variety of resource material for those who are ill or dying and their caregivers *Faithful Living, Faithful Dying* End of Life Task Force of the Standing Commission on National Concerns, 2000-02 An important examination of the theological spiritual and ethical issues surrounding death At the end of a life of faithfulness comes our dying To approach it as faithfully as we have our living calls for some serious forethought Because one of the simplest facts of life that we all die seems like the most complicated thing we do Not only have advances in medical technology saved lives but they also have prolonged death and raise a number ethical moral social and theological issues How far should we go to sustain life Is it right to withdraw artificial feeding from the dying Is it wrong to end the lives of those in pain No matter who we are dealing with these sorts of choices near the end of life is difficult to do on our own Faithful Living Faithful Dying Anglican Reflections on End of Life Care brings together the wisdom of a task force created by the 72nd General Convention of the Episcopal Church to study what faithful living and faithful dying mean today The task force's reflections published for the first time in this book assist individuals congregations and the Church as a whole to disentangle the thicket of ethical theological pastoral and policy concerns *The Wiley Blackwell Companion to Liturgical Theology* Porter C. Taylor, Khalia J. Williams, 2025-06-30 A groundbreaking collection of original essays on the meaning depth and breadth of liturgical theology The Wiley Blackwell Companion to Liturgical Theology offers an unprecedented account of this rapidly growing and interdisciplinary field Unique in its depth and scope this comprehensive volume defines the field of liturgical theology examines its historical development describes its mission and methodologies reviews key theory and literature and more Original essays written by prominent and emerging scholars situate liturgical theology within the broader scheme of theological inquiry reflecting the field's close links to systematic and biblical theology ritual and socio anthropological studies and religious studies Designed for students and scholars alike the companion serves as both an introduction to the field and as a clarion call to push the boundaries of existing research The collected essays incorporate constructive research and practical application in essential areas of liturgical theology discussing foundational topics including liturgical ecclesiology linguistics and hermeneutics the epistemology of liturgy and the holy sacraments Looking toward the future of the field many essays focus on emerging subjects such as womanist liturgical theology liturgy and trauma and liturgical theology as ecclesial discernment This unique state of the art overview Brings together contributions by a diverse panel of scholars representing more than a dozen denominations spanning five continents Features a detailed introductory section containing traditional hermeneutics literature reviews and methodological examinations Bridges the generational gap between younger and older practitioners within the field Describes the current state of liturgical theology and suggests future research directions placing liturgical theology within the broader scheme of theological inquiry The first research based volume of its kind The Wiley Blackwell Companion to Liturgical Theology is the perfect textbook for

seminarians and lay students in courses on liturgical theology the history of worship and practical theology as well as a valuable resource for theologians of all disciplines With both professor practitioner and student in mind this collection of essays is designed to educate and inspire through constructive research and application in all matters of liturgical theology

International Handbook of Practical Theology Birgit Weyel, Wilhelm Gräb, Emmanuel Lartey, Cas Wepener, 2022-09-06

Practical theology has outgrown its traditional pastoral paradigm The articles in this handbook recognize that faith spirituality and lived religion within and beyond institutional communities refer to realms of cultures ritual practices and symbolic orders whose boundaries are not clearly defined and whose contents are shifting The International Handbook of Practical Theology offers insightful transcultural conceptions of religion and religious matters gathered from various cultures and traditions of faith The first section presents concepts of religion Chapters have to do with considerations of the conceptualizing of religion in the fields of anthropology community family institution law media and politics among others The second section is dedicated to case studies of religious practices from the perspective of their actors The third section presents major theoretical discourses that explore the globally significant diversity and multiplicity of religion Altogether sixty one authors from different parts of the world encourage a rethinking of religious practice in an expanded transcultural globalized and postcolonial world
