Healing Its Not What You Think Decoding The Mystery Of Healing:

Healing, It's Not What You Think Marcel Klasen, 2012-04-01 This book has a central theme Decoding the Mystery of Healing This main subject branches out in three sub themes throughout the book An Insider s Look into the Life of a Healer is one The Role of the Mind in Healing is another Translating the Complexity of Healing into Simple Method is number three These topics all provide opportunities that can raise your awareness about healing Applying them can cause extraordinary healing effects on your body mind and spirit These opportunities are brought to you in the form of stories descriptions and techniques with tremendous healing potential for all human beings for all animals and for all of planet Earth As the title of this book suggests when it comes to finding healing and establishing a long lasting positive shift it s not what you think The thinking or conscious part of our mind is limited and often incorrect Our individual truth is mostly based on our emotions and subconscious programs To heal the past enjoy the present and feel enthusiastic about the future it s not simply what we think that will make a difference Permanent change begins as soon as we take our initial thought pattern to another level of awareness where we feel different about ourselves and truly believe it This book describes the components of Marcel s special healing approach and it explains its process Personal anecdotes case histories and other stories will illustrate the importance of developing conscious awareness of one s mind Furthermore it aims to expand the possibilities to influence upgrade or reprogram our inner autopilot the subconscious mind

Decoding the Mystery of When Will Jesus Return

Raymond J. Moore, 2017-10-03 Is there a specific Bible prophecy that must first be fulfilled before the return of Jesus Christ Yes While it is true that no exact date can be set for this event the scriptures provide us with a clear context of specific world events that will create the time line for Jesus return Jesus said Of that day and hour no one knows Matt 24 36 If this was meant to be a mystery it was also meant to be revealed eventually Amos 3 7 says Surely the Lord God does nothing unless He reveals His secret to His servants the prophets This book brings to light the hidden mystery contained in the scriptures that the return of Jesus Christ should not be a surprise to those who believe Jesus also made it clear that there will be a final and specific generation who will witness the fulfillment of all remaining end of time prophecies This book brings clarity regarding the great tribulation Is it seven years or three and a half years What is the wrath of God and why and how does it play a role in the last days Beyond the general prophecies of wars famines earthquakes etc lies a great wealth of other specific and unique signs that will indicate the imminent return of Jesus Are you ready

Along Comes God: Miracles in Everyday Life George Slater,2014-10-07 Looking out into the universe most of us have asked at one time or another Is anybody there Some have yet to hear an answer Others have found the answer lies much closer even in the events of their own lives What they have experienced is so convincing it leaves no doubt The script being followed shows a wisdom far greater than any human mind and a goodness none of us understands or deserves These remarkable stories show what happens when God comes along and when ordinary people have the faith to trust in Him

We Are Electric Sally Adee,2023-02-28 Science journalist Sally Adee breaks open the field of bioelectricity the electric currents that run through our bodies and every living thing its misunderstood history and why new discoveries will lead to new ways around antibiotic resistance cleared arteries and new ways to combat cancer You may be familiar with the idea of our body s biome the bacterial fauna that populate our gut and can so profoundly affect our health In We Are Electric we cross into new scientific understanding discovering your body s electrome Every cell in our bodies bones skin nerves muscle has a voltage like a tiny battery It is the reason our brain can send signals to the rest of our body how we develop in the womb and why our body knows to heal itself from injury When bioelectricity goes awry illness deformity and cancer can result But if we can control or correct this bioelectricity the implications for our health are remarkable an undo switch for cancer that could flip malignant cells back into healthy ones the ability to regenerate cells organs even limbs to slow aging and so much more The next scientific frontier might be decrypting the bioelectric code much the way we did the genetic code Yet the field is still emerging from two centuries of skepticism and entanglement with medical quackery all stemming from an 18th century scientific war about the nature of electricity between Luigi Galvani father of bioelectricity famous for shocking frogs and Alessandro Volta inventor of the battery In We Are Electric award winning science writer Sally Adee takes readers through the thrilling history of bioelectricity and into the future from the Victorian medical charlatans claiming to use electricity to cure everything from paralysis to diarrhea to the advances helped along by the giant axons of squids and finally to the brain implants and electric drugs that await us and the moral implications therein The bioelectric revolution starts here
