Emanuel Anim,2020-01-01 Prosperity Teaching is fast becoming a standard part of contemporary African Christianity This teaching is best understood in the Charismatic and Pentecostal churches in Africa The varied expressions and nuances call for a critical analysis of the phenomenon Prosperity Teaching affirms wealth divine healing good health and long life as manifestations of God s blessing Conspicuous consumption is often seen as a sign of a successful life and suffering has no place in the divine order of God s sovereignty This book Who Wants to be a Millionaire seeks to bring some understanding to this teaching and shows the extent of its impact in the wider society *Healing Bible Verses* J.D. Rockefeller,2015-12-21 If you are facing problems and challenges in life the most powerful tool that you can use to restore your broken life is God s power During your troubled times you are like a fatally wounded soldier trying hard to win the battle In this state it is almost impossible for you to end up victorious What you need at that point is not the pointless determination to fight but healing You have to mend every wound caused by the enemy to be able to get back to the battle with renewed strength powerful arsenal and uncontainable faith in God Almighty When your own wounds are healed you can be a channel for others healing Healing has been one of the universal needs of humans since the beginning of the destruction of sin in the world Weakness deformity disease are just some of the few human practices in every age and region In addition healing scriptures are one of the gifts of God to humanity through Christ His healing scriptures will send healing to our mind body and soul as well to our spirit Anxiety depression and stress are all connected illnesses Healing scriptures will aid you to heal in every circumstance of illness that you face and you will find it through the bible and they are very true each word

comes from the word of God Still you will find that certain healing scriptures are praises that God had ordained Such healing scriptures are for lifting the spirit praise and lifting yourself to heights of joy that is unspeakable Systematic Theology James Leo Garrett,1990 Volume 2 of Garrett s widely praised Systematic Theology interprets five major Christian doctrines the work of Jesus Christ the person and work of the Holy Spirit becoming a Christian and living the Christian life the church and the last things *All Creation Groans* Daniel W. O'Neill,Beth Snodderly,2021-05-18 In a suffering world reeling from global pandemics and health disparities it is high time to think theologically about the devastating experience of disease and to address our God inspired responsibility to understand its origins and engage in its management In a fragmented world we need a unifying and integrated perspective on people in communities embedded in a fractured ecology In an academic world blind to the spiritual world and imbalanced toward technical solutions the global church must articulate a contemporary metanarrative that is moral practical and deeply transformational All Creation Groans brings together multiple perspectives for a compelling global health approach to the pathologies of the world as a part of the missio Dei The authors paint a unifying perspective on God s healing intentions in creation redemption and consummation and the opposing nature corrupting effects of the rebellion of created moral agents It is a fresh call for the global church to engage in aligning with God s healing action for eternally sustainable global health **The 'Spiritual Death' of Jesus** William Atkinson,2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually JDS is important because of the influence of these men not least on Pentecostalism This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity **How to Change Your Life** Ernest Holmes,Michael Beckwith,2010-01-01 Ernest Holmes s rational lucid explanation of why our thoughts have power will instruct readers on how they can change their lives by changing their thinking The wisdom of God is within you and you can use it to improve your life How to Change Your Life presents ideas on life and God essential to contemporary spiritual understanding how science and spirituality have merged and what that means for you step by step instructions on how to use Science of Mind to improve your experience of life These principles along with techniques for applying them are thoroughly described in this book If readers are ready to positively jumpstart their lives this is the book that can help them do it
