there with one leg the blind guy that deaf fellow the man with one eye those chaps with the back braces on and those cripples Then you launched them out onto the field yelling with great enthusiasm and encouragement Go get them guys It doesn't make much sense to me but many of us have been around churches where the focus is on trying to motivate broken people to live a victorious life of faith We have all seen the fallout and problems from people with unresolved issues active in a church environment Remember the Vasa There is an old Swedish warship housed in a museum in Stockholm called by the name of Vasa She was commissioned to be built by the King of Sweden Gustavus Adolphus for use in the war with Poland Lithuania and was constructed 1626-27 Upon completion she was considered to be one of the most powerful warships in the world at the time A tremendous amount of resource was put into her and she presented with rich and ornate decorations She was loaded with large and powerful guns Unfortunately all of the expense and efforts went into her appearance and equipment for war Not enough time was spent on the design and what was done below the waterline out of sight The result was that she appeared to be a splendid dangerous and formidable enemy when in fact she was unstable in her foundation and not well ballasted Sadly only 1400 meters into her maiden voyage she encountered a gust of wind which caused the ship to capsize and sink The guns had just been fired as a grand salute to onlookers as the vessel left Stockholm The lesson for us is if we spend all of our time on presentation and how things look and neglect dealing with the sub surface problems of the church we may not ever even get into battle If we train people in leadership and develop or release gifts but don't deal with the unresolved issues in their lives are we building on sand We have found that if we focus on the people being set free the gifts and leadership come with motivation that God is pleased to bless At times I have ministered to leadership teams of larger churches and have been amazed at what is often going on in the background I thoroughly believe that healing the brokenhearted and setting the captives free was the main ministry of Jesus for a very good reason If we want to be the stable church that God is pleased to anoint we may need to consider spending a little more time on working below the water line and sorting out the areas that are not always visible
