Dr. Kevin Brown, 2024-06-21 Martin King said that the most segregated hour in America is Sunday morning alluding to the fractured condition of the universal body of Christ s followers the Church From 2002 to 2010 I had the privilege of serving as the Executive Director of a nonprofit called Operation Breaking Through serving the greater Hampton Roads area The nonprofit was a network of over one hundred local churches One of my primary responsibilities was to promote racial reconciliation and harmony between the diverse ethnic

churches In most cases the demographics of these churches failed to reflect their community Most congregations were monoethnic Significant progress was evident after several years of pastoral internal and congregational external panel and group discussions Church pastors were pulpit swapping and churches were partnering in community outreach Up to this point I realized how much blood sweat tears and time I had spent encouraging pastors and congregations to recognize promote and practice fellowship and communal service Though good and somewhat effective these efforts were all physical with very little thought of spiritual application It wasn't until I was required to write a paper for a theology class at North Park that God opened my eyes to a deep understanding of the sacrament of Holy Communion Realizing that all actual Christian denominations and non denominations mandate practicing this sacrament I gleaned from my studies the spiritual connectedness all believers share in this one sacred act and the binding blood ties all believers share with the author of this sacrament In that one epiphany the dividing wall of ethnicity culture and social Christian norms fell Had Christ by instituting this faithful act woven into the DNA of our born again experience the ability for His divine love and truth to break the chains we would inevitably erect through the weakness of our humanity selfishness and pride What if this one DNA trait of holy communion could activate the true koinonia which may lay dormant in believers because of historical traditions and practices erected by human made religion What if God allowed us to see and experience the depth of spiritual love for our brothers and sisters despite our differences What if we saw communion as a remembrance of the greatest act of love known to humanity and allowed that remembrance to kindle and rekindle a spiritual intimacy between believers that overcomes our bias prejudice privilege and any barrier to the believer's oneness in Christ Holy Communion a Spiritual Agent of Harmonious Diversity in Christ explores this more profound understanding and revelatory power to breathe new life into the reading believer

such as sociology anthropology and medicine **Pentecostal Ecclesiology** Simon K.H. Chan,2019-05-21 This book argues that if the Pentecostal movement is to overcome its excessive individualism and structural instability the way forward is not more institutionalization but a coherent and robust ecclesiology based on the Pentecost event which is the coming of the Holy Spirit in his own person into the church A Pentecostal ecclesiology is essentially the working out of the ramifications of that key event The book takes a more ontological understanding of the relationship between the Spirit and the church than would Protestant and evangelical ecclesiologies In this respect it has more in common with Orthodoxy It is further argued that this realignment away from Protestantism and evangelicalism towards Orthodoxy far from removing Pentecostals from their roots actually brings them much closer to the heart of Pentecostal spirituality *Ten Steps Toward Christ* Jimmy Evans,2023-05-30 Salvation isn't the last step It's the first What's next I've accepted Christ now how do I live as a Christian Practices in the church are confusing the Bible seems overwhelming prayer is a mystery and I still have problems in my life What do I do now With these down to earth principles Jimmy Evans gives you a map to navigate your new life He explains how to Connect with God Relate to other Christians See the Bible as relevant Understand church customs Find freedom from past hurts **Power of Right Believing** Joseph Prince,2013-10-22 What you believe is everything Unlock the seven powerful practical principles that will help you overcome fear guilt and addiction from the international bestselling author and senior pastor of New Creation Church Believing the right things is the key to a victorious life In *The Power of Right Believing* Joseph Prince international bestselling author and a leading voice in proclaiming the gospel of grace unveils seven practical and powerful keys to help you find freedom from every fear guilt and addiction These keys come alive in the precious testimonies you'll read from people across America and around the world who have experienced breakthroughs and freedom from all kinds of bondages from alcoholism to chronic depression all through the power of right believing God intends for you to live with joy overflowing peace that surpasses understanding and an unshakable confidence in what He has done for you Get ready to be inspired and transformed and learn how to win the battle for your mind by developing habits for right believing *Live the Let-Go Life* Joseph Prince,2017-10-31 Are You Overwhelmed by Stress Worry and Anxiety Unending daily to-do lists The frantic pace of modern living The race to stay relevant in the face of disruption The very real threat of superbugs and terror in our everyday lives It's not hard to see why so many people today are experiencing stress worry and anxiety attacks Unfortunately these aren't simply innocent states of emotion they can insidiously develop into chronic depression and psychosomatic illnesses and lead to destructive behaviors But here's the good news While stress is depleting and debilitating it can be defeated and driven from your life In *LIVE THE LET GO LIFE* Joseph Prince shows you how to beat stress and anxieties that come with the everyday demands and pressures of modern living Discover how you were not designed by God to live under stress but called to live the life of rest You will learn how to let go of stress and see His grace flow unabated in the worry-free areas of your life *"Be Not Faithless But Believing," Jesus (John 20: 27, 28, 29)*
