OECD Economic Surveys: South Africa 2017 OECD,2017-07-24 Over the last two decades South Africa has accomplished enormous social progress by bringing to millions of citizens access to key public services Nevertheless growth has trended down markedly recently due to constraints on the supply side Low growth has led to the stagnation of GDP per

Annual Report Mpumalanga (South Africa). Department of Social Development,2015 Africa Regional Review Report ,2009 *Telling Stories Differently* Janet Condry,2015-09-01 The aim of this book is to share a relatively loose collection of studies using digital storytelling as a pedagogical tool in Cape Peninsula University of Technology CPUT The book takes an informed social justice approach to teaching and learning at the heart of which is the exploration of DST as a practice of voice and agency Voice and agency are important in excavating and recovering subjugated identities and moving the concerns of those occupying subaltern spaces to the mainstream of teaching and learning Yet this discursive shift is not without inherent challenges Multi modal technologies are reflective of wider inequities in the so called technological divide Whilst this is a book about higher education there are important lessons for schooling On the one hand the book is a powerful demonstration of the potential of DST for enhancing learning in schools particularly in schools serving the poor and marginalised On the other hand improving teaching and learning in higher education through the creative use of technology is essential to overcome the learning challenges of those entering tertiary level institutions **Training Health Service**
