Healthcare Marketing In Transition Practical Answers To Pressing Questions:

Healthcare Marketing in Transition Terrence J. Rynne, 1995-01-01 For years the healthcare industry has equated marketing with promotion without perceiving its power as a management tool This book changes this misconception by bridging the two eras of healthcare the traditional fee for service model and the managed care model **Competitive**

Business Strategy for Teaching Hospitals James Langabeer, John Napiewocki, 2000-08-30 Without new ways to think and manage itself strategically academic healthcare faces terminal deterioration Heightened competition and changing dynamics have brought turbulence to teaching hospitals and the main impact has been financial Langabeer and Napiewocki give health care executives the tools and concepts of strategic management they need and ways to strengthen analytic skills all based on up to date empirical research cast in language they can grasp and relate to and specially tailored to help teaching hospital administrators cope successfully with today's marketplace challenges Board members trustees and others with decision and policy making responsibilities will also find the book essential as well as their teaching colleagues and students on their way up in the hospital industry The authors maintain that if nonprofit teaching hospitals are to compete successfully with private for profit hospital chains not only must they learn the terrain of the playing fields they must also learn how the game itself is played Langabeer and Napiewocki offer that knowledge and in doing so have written the first book of its kind to address comprehensively the entire realm of strategic management aimed clearly at teaching hospitals and major academic medical centers With findings from primary empirical research into a large sample of teaching hospitals and focusing on the statistical relationships to economic performance they provide crucial insights into why certain hospitals are more effective than others Their book will also help healthcare executives relate strategy research on industrial organizations to their own teaching hospital environments In doing so their book fills a void in the literature on business strategy that for too long has caused consternation among healthcare administrators and aspirants alike Accountable Care Organizations Robert James Cimasi, 2013-06-05 An accountable care organization ACO is a healthcare organization characterized by a payment and care delivery model that seeks to tie provider reimbursements to quality metrics and reductions in the total cost of care for an assigned group of patients Accountable Care Organizations Value Metrics and Capital Formation explores the historical ba
