The Three Meetings Yeshayahu (Jesaiiah) Ben-Aharon, 2022-04-26 How can our souls unite with the etheric Christ experienced in the etheric world since the end of the last century What steps should we take in the second century of the age of Michael to unite with Him At the centre of humanity's evolution stands the Mystery of Golgotha through which the Christ impulse entered the earth Anthroposophy said Rudolf Steiner was given at the beginning of the last century to prepare for the second major Christ event the etheric Second Coming beginning in 1933 This Event is the portal that leads to the mighty and transformative happenings taking place in the etheric world right now enabling us to meet the etheric Christ Michael and Anthroposophia At the heart of this book is an existential question Early in his anthroposophical work Ben Aharon came to realize that without the light of spiritual science the meeting with the etheric Christ remained simply a personal experience Likewise without the new life forces streaming from the etheric Christ anthroposophy was merely a body of knowledge frozen in time Both needed each other But how was that mutually enlivening bridge to be built Speaking candidly of his personal spiritual path and inner struggles of consciousness Ben Aharon tackles this fundamental dilemma as a prelude to the forthcoming second edition of his book *The New Experience of the Supersensible* Contents include *The Ur Phenomena of the Modern Christ Experience* *Paul's Christ Experience and the Birth of Christian Platonism* *The Michaelic Yoga* *The Platonic Aristotelian Essence Exchange at the End of the Twentieth Century* *The Meeting with the Etheric Christ* *The Abyss and the Event of the Threshold* *The Knowledge Drama of the Second Coming* *The Meeting with Michael* *The Meeting with Anthroposophia*
