Khelghat-Doost,2023-08-22 This volume offers a nuanced understanding of female agency in political violence by reviewing and analyzing the political construction of motherhood as a form of social agency against political violence committed by both

state and non state actors in different parts of the world While the international relations discipline has traditionally viewed the relationship between women and violent actors as an exploitative one this book demonstrates that taking maternal bodies seriously creates important intellectual space to examine the types and kinds of violence the discipline of IR takes seriously and the types and kinds of resistance practiced by mothers but often overlooked at least by male mainstream IR Focusing on motherhood as an agency of change this volume will appeal to scholars in the field of gender and international security think tanks working on political and security affairs social activists policymakers an interested public audience as well as undergraduate and postgraduate students undertaking study or research associated with gender and political violence

Motherhood and War D. Cooper,C. Phelan,2014-07-10 Traditional histories of war have typically explored masculine narratives of military and political action leaving private domestic life relatively unstudied This volume expands our understanding by looking at the relationships between mothers and children and the varied roles both have assumed during periods of armed conflict The Three Mothers Anna Malaika Tubbs,2021-02-02 New York Times Bestseller This dynamic blend of biography and manifesto centers on Louise Little Alberta King and Berdis Baldwin Tubbs s book stands against the women s erasure a monument to their historical importance The New Yorker Tubbs connection to these women is palpable on the page as both a mother and a scholar of the impact Black motherhood has had on America Through Tubbs writing Berdis Alberta and Louise s stories sing Theirs is a history forgotten that begs to be told and Tubbs tells it brilliantly Ibram X Kendi 1 New York Times bestselling author of How to Be an Antiracist and National Book Award winner Stamped from the Beginning Much has been written about Berdis Baldwin s son James about Alberta King s son Martin Luther and Louise Little s son Malcolm But virtually nothing has been said about the extraordinary women who raised them In her groundbreaking and essential debut The Three Mothers scholar Anna Malaika Tubbs celebrates Black motherhood by telling the story of the three women who raised and shaped some of America s most pivotal heroes A New York Times Bestsellers Editors Choice An Amazon Editor s Pick for February Amazon s Best Biographies and Memoirs of 2021 One of theSkimm s 16 Essential Books to Read This Black History Month One of Fortune Magazine s 21 Books to Look Forward to in 2021 One of Badass Women s Bookclub picks for Badass Books We Can t Wait to Read in 2021 One of Working Mother Magazine s 21 Best Books of 2021 for Working Moms One of Ms Magazine s Most Anticipated Reads for the Rest of Us 2021 One of Bustle s 11 Nonfiction Books To Read For Black History Month All Written By Women One of SheReads com s Most anticipated nonfiction books of 2021 Berdis Baldwin Alberta King and Louise Little were all born at the beginning of the 20th century and forced to contend with the prejudices of Jim Crow as Black women These three extraordinary women passed their knowledge to their children with the hope of helping them to survive in a society that would deny their humanity from the very beginning from Louise teaching her children about their activist roots to Berdis encouraging James to express himself through writing to Alberta basing all of her lessons in faith and social justice These women used their strength and motherhood to push their children

toward greatness all with a conviction that every human being deserves dignity and respect despite the rampant discrimination they faced These three mothers taught resistance and a fundamental belief in the worth of Black people to their sons even when these beliefs flew in the face of America's racist practices and led to ramifications for all three families safety The fight for equal justice and dignity came above all else for the three mothers These women their similarities and differences as individuals and as mothers represent a piece of history left untold and a celebration of Black motherhood long overdue

**The Anatomy of Grief** Dorothy P. Holinger, 2020-09-01 An original authoritative guide to the impact of grief on the brain the heart and the body of the bereaved Grief happens to everyone Universal and enveloping grief cannot be ignored or denied This original new book by psychologist Dorothy P Holinger uses humanistic and physiological approaches to describe grief's impact on the bereaved Taking examples from literature music poetry paleoarchaeology personal experience memoirs and patient narratives Holinger describes what happens in the brain the heart and the body of the bereaved Readers will learn what grief is like after a loved one dies how language and clarity of thought become elusive why life feels empty why grief surges and ebbs so persistently and why the bereaved cry Resting on a scientific foundation this literary book shows the bereaved how to move through the grieving process and how understanding grief in deeper more multidimensional ways can help quell this sorrow and allow life to be lived again with joy Visit the author's companion website for *The Anatomy of Grief* [dorothypholinger.com](http://dorothypholinger.com)

*The Heart of Trauma* Bonnie Badenoch, 2017-11-28 How each of us can become a therapeutic presence in the world Images and sounds of war natural disasters and human made devastation explicitly surround us and implicitly leave their imprint in our muscles our belly and heart our nervous systems and the brains in our skulls We each experience more digital data than we are capable of processing in a day and this is leading to a loss of empathy and human contact This loss of leisurely sustained face to face connection is making true presence a rare experience for many of us and is neurally ingraining fast pace and split attention as the norm Yet despite all of this the ability to offer the safe sanctuary of presence is central to effective clinical treatment of trauma and indeed to all of therapeutic practice It is our challenge to remain present within our culture Badenoch argues no matter how difficult this might be She makes the case that we are built to seek out enter and sustain warm relationships all this connection will allow us to support the emergence of a humane world In this book Bonnie Badenoch a gifted translator of neuroscientific concepts into human terms offers readers brain and body based insights into how we can form deep relational encounters with our clients and our selves and how relational neuroscience can teach us about the astonishing ways we are interwoven with one another How we walk about in our daily lives will touch everyone often below the level of conscious awareness The first part of *The Heart of Trauma* provides readers with an extended understanding of the ways in which our physical bodies are implicated in our conscious and non conscious experience Badenoch then delves even deeper into the clinical implications of moving through the world She presents a strong scientifically grounded case for doing the work of opening to hemispheric balance and
