*The Heart of Japan* Arthur P. Addison, 2015-07-12 Excerpt from *The Heart of Japan* The Methodist Young People's Forward Movement for Missions Text Book No 3 This book does not pretend to be in any sense a book on Japanese customs or religions or even on missionary methods It is but a partial account of the mission work of the Methodist Church in that land Even in this narrow field it has been found impossible to give an outline of each part of the work or to do more than mention the names of those who have in later years carried on this work the beginning of which has been briefly told Every picture must have a background The first two chapters serve this purpose It is hoped that they will not in any way detract from the scenes and characters which are in the forefront of the picture but that they may be sufficiently suggestive and sufficiently indistinct to provoke the reader to further study The Library of nine volumes sold by the Young People's Forward Movement for Missions is invaluable for this purpose and in these books will be found an answer to any questions that may be raised For the work since 1903 and for a fuller insight into the missionary conditions of to day the Missionary Bulletin with its quarterly letters from each of the missionaries will give most valuable information and will answer the questions which suggest themselves About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *The Magazine of the Wesleyan Methodist Church* ,1919
