## Marine Corps Of Lists:

**Navy and Marine Corps List and Directory**, 1940-06      **The Marine Corps Book of Lists** Albert A. Nofi, 1997 The United States Marine Corps is America's best known military unit and perhaps the most famous in the world. It is the nation's oldest unit as far as recognition by Congress goes and has been almost continually engaged in active operations for all its existence when other branches of service were on peacetime status. Such a long and varied service and the type of personnel required for such an elite unit have produced a trove of lore and legendary unparalleled in the world. Albert A. Nofi, the leading force behind Combined Books' acclaimed Civil War Book of Lists, has taken on the task of producing a definitive compendium of Marine Corps facts and statistics. The Corps' long history is well represented with such lists as Greatest Battles Medal of Honor Winners Commandants Marines in American Wars Greatest Foes Foreign Marine Corps Confederate Marines Marines in Congress Marines in Space and numerous others. A sharp focus is maintained on the present as well since the book is also intended for those currently involved with the military. Current Marine units, bases, schools, orders of dress, traditions, and specialized vocabulary are given complete coverage. United States Marine Corps Book of Lists will prove to be of equal interest to military history buffs and those currently involved in military affairs. Albert A. Nofi has a Ph.D. in Military History from the City University of New York and was associate editor for many years of the ground-breaking military journal *Strategy and Tactics*. He was a founder of wargaming, the conflict simulation system used both by hobbyists and military planners. Dr. Nofi has written numerous books and articles on military history and was a news media military commentator during the Persian Gulf War. He is also the author of *The Gettysburg Campaign* and *The Waterloo Campaign*.
