The Gospel as Conversation James Boyd White, 2013-08-27 How are we to read the Gospels and bring them into our lives The idea of this book is that the Gospels are not merely rules for life or stories illustrating moral lessons or statements of theological doctrine but invitations to thought and conversation The Gospels are full of problems uncertainties and tensions these difficulties call upon us to engage with the Gospels in a new way to read them to ask questions about them to live with them alone and together The way we do that is by a kind of conversation with each other or within ourselves The Gospel as Conversation is meant to engage the reader in the conversation by which the Gospels maintain their life today among us It contains Gospel passages sermons given on those passages and questions for reflection It is intended both for individual readers and for groups in adult education classes *Kingdom, Power, and Glory - Instructor's Guide* Grace Bible College & Seminary, 2015-03-07 The New Testament the new agreement that God made with humanity through His Son Jesus Christ is the subject of this course This survey of the New Testament brings a realization that God speaks authoritatively to the church and the world today just as He did in the New Testament and throughout the course of history The information contained in this course will help provide a fuller understanding of New Testament truths
