Grace From The Garden Changing The World One Garden At A Time:

Grace from the Garden Debra Landwehr Engle, 2003-05-23 Gardening is the most basic of languages the labor from which we are all born and nourished In these pages we travel the country with Debra Landwehr Engle as she visits 20 gardens and gardeners from California to Maine and Minnesota to Arkansas showing us that grassroots campaigns actually can and do involve roots and seeds and garden trowels That any person with a steadfast resolve and an open patch of dirt can help bridge the gap between multinational refugees That lush vegetation and running water and cool stones can help spark the fading memories of our elderly And that our children can learn about where food comes from labyrinths wetlands systems and healing from grief and loss just by digging in the earth with a caring adult hand to guide them As the stories in this remarkable collection demonstrate the simplest act of gardening can produce significant changes in the lives of people we might never even meet Consider the man who sends seedlings and greenhouses halfway around the world to feed hospital patients or the immigrant woman who began selling her own flowers as a way to raise money for overseas charities or the couple who offers their land as a midday retreat for the residents of nearby nursing homes These acts and others are not heroic or even unusual as Ms Engle tells us We see ourselves in these uplifting tales from the garden as they inspire us to transform our own little parts of the world into places of greater peace repose play and healing For gardeners community activists and those who understand the spiritual value of putting a spade in the soil these stories capture the promise renewed each time we plant a seed and give us fresh ideas for changing the world one garden at a time *Womankind* Nancy Leigh Harless, 2007-10 Crouch over an open fire near the Guatemalan border while Cecelia teaches the significance of making the small tortilla Sit under a cashew tree in Belize on a quiet rainforest afternoon and answer the young Mayan mother's question How can we make no more babies come Hold Ermine in your arms in a courtyard amid the children and the chickens and weep with her as she shares her poignant story of war Careen down a rut filled twisting mountain road in the Kosovo countryside racing for the hospital Will you make it before Hamide's baby delivers In a colorful tapestry woven with culture and experience author Nancy Leigh Harless invites readers along on her real life journey in *Womankind* In her collection of inspiring sometimes heart wrenching experiences readers will encounter and learn from the many different women of Nancy's travels Live laugh and love with women around the world as you join the sisterhood of *Womankind*

less irritable more patient laughing more feeling like you have more time more energy worrying less making decisions more easily saying no without guilt A typical prayer goes something like this Please help us find the money to pay our mortgage this month Saying the prayer may help you feel like the burden of that month's mortgage has been lifted but the part of you that feeds on fear will simply seek out new financial worries to keep you awake at night Old patterns remain intact In contrast asking Please heal my fear based thoughts about our mortgage lifts the burden AND relieves the need to re create that fear and hold onto it This prayer heals your very desire for burdens your addiction to fear based thoughts freeing you to live without that fear and with greater peace of mind As a result your financial situation is also free to improve That's what makes it so different One Facebook fan told Engle The most blessed aspect of this prayer is all the open space it creates for peace I never knew how many fear based thoughts were clogging up in me until this prayer **Let Your Spirit Guides Speak**
