Refiguring the Archive Carolyn Hamilton, 2002-12-31 Refiguring the Archive at once expresses cutting edge debates on the archive in South Africa and internationally and pushes the boundaries of those debates It brings together prominent thinkers from a range of disciplines mainly South Africans but a number from other countries Traditionally archives have been seen as preserving memory and as holding the past The contributors to this book question this orthodoxy unfolding the ways in which archives construct sanctify and bury pasts In his contribution Jacques Derrida an instantly recognisable name in intellectual discourse worldwide shows how remembering can never be separated from forgetting and argues that the archive is about the future rather than the past Collectively the contributors demonstrate the degree to which thinking about archives is embracing new realities and new possibilities The book expresses a confidence in claiming for archival discourse previously unentered terrains It serves as an early manual for a time that has already begun **The International status**

of education about the Holocaust Carrier, Peter, Fuchs, Eckhardt, Messinger, Torben, Georg Eckert Institute for International Textbook Research (Germany), 2015-01-14 How do schools worldwide treat the Holocaust as a subject In which countries does the Holocaust form part of classroom teaching Are representations of the Holocaust always accurate balanced and unprejudiced in curricula and textbooks This study carried out by UNESCO and the Georg Eckert Institute for International Textbook Research compares for the first time representations of the Holocaust in school textbooks and national curricula Drawing on data which includes countries in which there exists no or little information about representations of the Holocaust the study shows where the Holocaust is established in official guidelines and contains a close textbook study focusing on the comprehensiveness and accuracy of representations and historical narratives The book highlights evolving practices worldwide and thus provides education stakeholders with comprehensive documentation about current trends in curricula directives and textbook representations of the Holocaust It further formulates recommendations that will help policy makers provide the educational means by which pupils may develop Holocaust literacy **Electoral**

Territoriality in Southern Africa Stephen Rule, 2024-11-01 This title was first published in 2000 A comprehensive comparison of voting patterns in seven countries of Southern Africa The modern democratic electoral histories of Botswana Lesotho Namibia South Africa Swaziland Zambia and Zimbabwe are placed within the contexts of their pre colonial and colonial polities The extent to which urbanization and the regional distribution of language ethnicity and race impacts on the electoral geography of the sub continent is demonstrated statistically and cartographically The analysis is complemented by anecdotal evidence gathered during personal interviews and discussions with voters politicians government officials and academics **Encyclopedia of African History 3-Volume Set** KEVIN SHILLINGTON., 2005 **Re-Viewing Resistance**

in Namibian History Silvester, Jeremy, 2015-07-13 Re Viewing Resistance in Namibian History brings together the work of experienced academics and a new wave of young Namibian historians architects of the past who are working on a range of

public history and heritage projects from late nineteenth century resistance to the use of songs from the role of gender in SWAPO's camps to memorialisation and from international solidarity to aspects of the history of Kavango and Caprivi In a culturally and politically diverse democracy such as Namibia there are bound to be different perspectives on the past and history will be as plural as the history tellers The chapters in this book reflect this diversity and combine to create a remarkable collection of divergent voices providing alternative perspectives on the past Re Viewing Resistance in Namibian History writes forgotten people into history provides a reading of the past that reflects the tensions and competing identities that pervaded the struggle and deals with heritage that hurts
