For Elementary Cycle 3 (grades 5-6)

# FREE

## A Dinner for the Dogs

Your job is to figure out how much was raised through ticket sales and donations, and figure out how much supplies will cost (using the community center's donations). Then you will need to choose meals and drinks from carefully in order to help the shelter raise its desired goal of \$20,000.

On the following pages, you will find the cost breakdowns, prices of those items will need to be completed by you in order to calculate the totals.

Finally, you will need to fill out the event sign on the last page. This will require you to fill in the money for the evening, as well as the meals that will be served. You will also need to show how much money was raised in total for the shelter and whether or not they met their fundraising goal.

## A Dinner for the Dogs

### Movie Fees

The owners must buy the rights to play movies for the evening.

The price will be a \$100 base fee PLUS fees outlined below, depend on the movie chosen. You must choose ONE movie to play, taking in consideration the fundraising goal.

| Movie Fees  |                               |            |
|-------------|-------------------------------|------------|
| Movie Title | Costs                         | Total Cost |
| Angie Young | 80% of Base Fee<br>+ Base Fee |            |
|             | 1/2 of Base Fee<br>+ Base Fee |            |

## A Dinner for the Dogs

### Menu Plan

| Cost Breakdown of Meals                                     |                                  |                                                                   |
|-------------------------------------------------------------|----------------------------------|-------------------------------------------------------------------|
| Meal Description                                            | Meal Costs                       | Total Cost For All Guests                                         |
| One plate of new hot dogs, fries, and vegetables            | \$1.75 per plate                 |                                                                   |
| Two plates of pulled pork chicken, rice and vegetable chips | Triple the cost of hot dog plate |                                                                   |
| Total of vegetable, garlic, and rice meal cost              |                                  | The average of the total cost for hot dog plate and chicken plate |
