Graduation Message For Elementary School:

The Oldest Rule Christopher B. Gilbert, 2014 This book could save you 1 million OK maybe not but some school districts have spent that much defending themselves and not always successfully in First Amendment lawsuits brought by students and their parents First Amendment litigation is on the rise across the nation and as any principal who has sat through a deposition in one of those cases can tell you the raw emotions and zealous anger that fuels such disputes can become a massive distraction from your real job of running a school *The Oldest Rule* is a comprehensive examination of the different First Amendment issues involving students that public school administrators and attorneys are increasingly facing on daily basis We will look at such topics as school prayer dress codes student threats and cyberbullying the distribution of literature the use of public facilities by outside groups the celebration of religious holidays and the rise of esoteric religions and their impact in the public schools Written by Chris Gilbert an attorney with over twenty one years experience advising and representing school districts big and small urban and rural this book combines discussions of the legal standards and key case decisions with practical advice and hypotheticals

Immigration and Social Capital in the Age of Social Media Joong-Hwan Oh, 2016-02-18 In this new age of social media the role of online ethnic networks is as important as offline ethnic networks families friends etc in helping immigrants adjust to their new country This is something that has received very little attention in the academic field of international immigration which Oh hopes to rectify through this book He focuses on the five American social institutions immigration welfare education housing and finance to explore this topic through the lens of married Korean American women In their online MissyUSA community the largest Korean American women s online community in North America they share a wide range of information about the rules of each of these social institutions as they work together to navigate American society Oh explores how the MissyUSA community creates two distinctive forms of social capital social resources and social support For some of its members inquirers or information seekers the MissyUSA community functions as an important source of their information social resources about the rules of the American social institutions Likewise it also functions as a network of social supporters respondents or information providers for those information seekers Here what makes this book a significant one is the fact that these social supporters are distinctively identified as instrumental guiders information describers expositors confirmers and advisors and emotional supporters companions encouragers and critics By researching the lives of Korean American women who are members of the MissyUSA community Oh s book works to understand how a sub set of the Korean American community shares information about American institutions and uses the internet to do so

Wrestling with God Patrick M. Garry, 2006 Courts have often treated the two religion clauses of the First Amendment as contradictory with the free exercise clause used to protect religious practices and the establishment clause employed to limit the public expression of religious beliefs *Wrestling with God* not only reconciles the relationship between the two clauses but also distinguishes them in terms of their respective purposes
