Graham Greene A Life In Letters:

Graham Greene Graham Greene, 2008 Judiciously edited and engagingly annotated this collection of Greene's personal letters including many that were unavailable to his official biographer gives new perspective to a life that combined literary achievement political action espionage travel and romantic entanglement Following Greene through joy and turmoil from the gnarled and fissured forests of Indo China to war torn Sierra Leone from the mountains of Switzerland to hotels in Havana Richard Greene's superbly edited collection is a vivid portrait of a fascinating writer a mercurial man of courage wit and passion **BOOK JACKET**

Graham Greene Richard Greene, 2008-10-14 There have been a number of Graham Greene biographies but none has captured his voice his loves hates family and friends intimate and writerly or his deep understanding of the world like this astonishing collection of letters Graham Greene is one of the few modern novelists who can be called great In the course of his long and eventful life 1904-1991 he wrote tens of thousands of letters to family friends writers publishers and others involved in his various interests and causes *A Life in Letters* presents a fresh and engrossing account of his life career and mind in his own words Meticulously chosen and engagingly annotated this selection of letters many of them seen here for the first time gives an entirely new perspective on a life that combined literary achievement political action espionage exotic travel and romantic entanglement In several letters the individuals events or places described provide the inspiration for characters episodes or locations found in his later fiction The correspondence describes his travels in Mexico Africa Malaya Vietnam Haiti Cuba Sierra Leone Liberia and other trouble spots where he observed the struggles of victims and victors with a compassionate and truthful eye The volume includes a vast number of unpublished letters to authors Evelyn Waugh Auberon Waugh Anthony Powell Edith Sitwell R K Narayan and Muriel Spark and to other more notorious individuals such as the double agent Kim Philby Some of these letters dispute previous assessments of his character such as his alleged anti-Semitism or obscenity and he emerges as a man of deep integrity decency and courage Others reveal the agonies of his romantic life especially his relations with his wife Vivien Greene and with one of his mistresses Catherine Walston The letters can be poignant despairing amorous furious or amusing but the sheer range of experience contained in them will astound everyone who reads this book **Postmodern Fiction and the**

Break-Up of Britain Hywel Dix, 2011-11-03 A monograph analysing the symbolic role played by contemporary fiction in the break up of political and cultural consensus in British public life **Dangerous Edges of Graham Greene** Dermot

Gilvary, Darren J. N. Middleton, 2011-09-15 *George Orwell: A Life in Letters* George Orwell, 2013-08-12 A compilation of personal letters creates an autobiography of the author of *Nineteen Eighty Four* through his correspondence with other literary luminaries including T S Eliot and Henry Miller as well as letters to complete strangers *The Works of Graham Greene* Mike Hill, Jon Wise, 2013-03-14 A comprehensive reference guide to the published writings of Graham Greene this book surveys not only Greene's literary work including his fiction poetry and drama but also his other published writings

Accessibly organised over five central sections the book provides the most up to date listing available of Greene's journalism his published letters and major interviews The Writings of Graham Greene also includes a bibliography of major secondary writings on Greene and a substantial and fully cross referenced index to aid scholars and researchers working in the field of 20th Century literature The Love-charm of Bombs Lara Feigel,2013-07-09 A portrait of World War II era London by five literary volunteers documents their experiences as ambulance drivers firefighters and other civilian aids through the course of a single night in September 1940 20 000 first printing **Fictional Representations of (Un)ethical Journalistic**

Practices in Graham Greene's Work Beatriz Valverde,2024-12-13 British author Graham Greene pursued a professional career as a journalist before becoming a full time writer After that he continued taking on reporting assignments as a correspondent for a variety of publications Greene knew the profession inside out and the role of the media in shaping the public's views through information gathering and dissemination a topic insufficiently researched by criticism was among his main concerns Greene's fictional work features an array of journalists and the representation of unethical practices of the profession is a constant reference in his narrative In this book I intend to fill this research gap in Greenian studies focusing on three main topics the author's reflection on the journalistic practice in connection with the classic paradigm of objectivity versus empathy his questioning of the misuse of power when gathering and disseminating information by journalists editors and news corporation owners and finally the relationship between journalists and their readership's expectations as well as the importance of fostering critical readers that make informed trustworthy decisions regarding journalism performance

Writing True Stories Patti Miller,2024-06-03 Patti Miller's best selling Writing True Stories is the essential book for anyone who has ever wanted to write a memoir or explore the wider territory of creative nonfiction It provides practical guidance and inspiration on a vast array of writing topics including how to access memories find a narrative voice build a vivid world on the page create structure use research and face the difficulties of truth telling It first develops a wide range of writing skills for beginners and then challenges more experienced writers to extend their knowledge and practice of the genre into literary nonfiction true crime biography the personal essay the diary and travel writing It offers inspiration from other nonfiction writers such as Joan Didion Helen Garner Robert Dessen and Zadie Smith Whether you want to write your own memoir investigate a wide ranging political issue explore an idea or bring to life an intriguing history this book will be your guide Writing True Stories is practical and easy to use as well as an encouraging and insightful companion on the writing journey Written in a warm clear and engaging style it will get you started on the story you want to write and keep you going until you get there **Ireland, Revolution, and the English Modernist Imagination** Eve Patten,2022-06-23 This book asks how English authors of the early to mid twentieth century responded to the nationalist revolution in neighbouring Ireland in their work and explores this response as an expression of anxieties about and aspirations within England itself Drawing predominantly on novels of this period but also on letters travelogues literary criticism and memoir it illustrates how

Irish affairs provided a marginal but pervasive point of reference for a wide range of canonical authors in England including Wyndham Lewis Virginia Woolf D H Lawrence Graham Greene and Evelyn Waugh and also for many lesser known figures such as Ethel Mannin George Thomson and T H White The book surveys these and other incidental writers within the broad framework of literary modernism an arc seen to run in temporal parallel to Ireland's revolutionary trajectory from rebellion to independence In this context it addresses two distinct aspects of the Irish English relationship as it features in the literature of the time first the uneasy recognition of a fundamental similarity between the two countries in terms of their potential for violent revolutionary instability and second the proleptic engagement of Irish events to prefigure imaginatively the potential course of England's evolution from the Armistice to the Second World War Tracing these effects this book offers a topical renegotiation of the connections between Irish and English literary culture nationalism and political ideology together with a new perspective on the Irish sources engaged by English literary modernism

The Works of Graham Greene, Volume 3 Mike Hill, Jon Wise, 2022-03-24 Over a 60 year career Graham Greene was a prolific and widely read writer Completing a series of volumes which constitutes the only full bibliographical guide to Greene's published and unpublished writings this book features updated listings of the scholarship associated with his work details of recent audio and visual presentations and adaptations as well as nine essays on lesser known aspects of Greene's work Featuring new material from the recently expanded Graham Greene archive which will be of particular interest and relevance to Greene scholars it also covers contents of other archives in the UK and elsewhere in a series of mini essays

Approaching Silence Mark W. Dennis, Darren J. N. Middleton, 2015-02-26 Shusaku Endo is celebrated as one of Japan's great modern novelists often described as Japan's Graham Greene and Silence is considered by many Japanese and Western literary critics to be his masterpiece Approaching Silence is both a celebration of this award winning novel as well as a significant contribution to the growing body of work on literature and religion It features eminent scholars writing from Christian Buddhist literary and historical perspectives taking up for example the uneasy alliance between faith and doubt the complexities of discipleship and martyrdom the face of Christ and the bodhisattva ideal as well as the nature of suffering It also frames Silence through a wider lens comparing it to Endo's other works as well as to the fiction of other authors Approaching Silence promises to deepen academic appreciation for Endo within and beyond the West Includes an Afterword by Martin Scorsese on adapting Silence for the screen as well as the full text of Steven Dietz's play adaptation of Endo's novel
