Halfway Gone Life And Love After Stroke:

Halfway Gone Matt Padmore,2011-11-09 Englishman Matt is 35 and happy loving his life in Japan and his new wife Then one Thursday morning his life changes forever Part memoir and part travelogue Halfway Gone is a story of life and love before and after a stroke As funny as it is sad as heart warming as it is heart breaking and it s all true Unbreakable Hearts: A True, Heart-wrenching Story About Victory...Forfeited! Earl Dusty Trimmer,2019-05-16 Earl Dusty Trimmer relates with both skill and personal experience events surrounding our most forgettable and misunderstood war in America s history He brings it all home with his down to earth style and considerable knowledge In Unbreakable Hearts Dusty dives into the Vietnamese history and culture and skillfully brings the reader into understanding our Vietnamese enemy s amazing resolve He brilliantly explains the evolution of our Vietnamese enemy over hundreds of years of invasions and wars Always defending their country to remain free became an art In Chapter 7 Dusty describes the Vietnamese women fighters as Hellcats My own experience with the formidable Vietnamese Viet Cong women s skills and expertise closely mirrors Dusty s Hooch girls could plant booby traps in a GI s hooch with a skill and savvy they were forced to learn during decades of on the job training in continuous wars with unwelcomed invaders My own Military Police experience after leaving the infantry revealed these incidents vividly In later chapters Dusty moves into our own veterans profound resolve and toughness North Vietnam s famed General Giap called us an honorable enemy One could suggest from this writing that our enemy taught us well We did things in the Vietnam War the average person would have to go to the movies to believe After reading Trimmer s descriptions I must conclude that indeed this book could be one for the movie industry Dusty Trimmer brings to life our days and nights living and fighting in these foreboding jungle warfare conditions After reading this fine work and reflecting on my own experiences I cut away a little more of the pain Pride swells for having served with all of these wonderful veterans of the Vietnam War Pain for our terrible losses For myself these experiences culminated in wisdom I would otherwise have failed to achieve God bless Dusty for telling our story Forward march Brothers Halfway Home Reuben Jonathan Miller,2021-02-02 A persuasive and essential Matthew Desmond work that will forever change how we look at life after prison in America through Miller s stunning and deeply painful reckoning with our nation s carceral system Heather Ann Thompson Each year more than half a million Americans are released from prison and join a population of twenty million people who live with a felony record Reuben Miller a chaplain at the Cook County Jail in Chicago and now a sociologist studying mass incarceration spent years alongside prisoners ex prisoners their friends and their families to understand the lifelong burden that even a single arrest can entail What his work revealed is a simple if overlooked truth life after incarceration is its own form of prison The idea that one can serve their debt and return to life as a full fledge member of society is one of America s most nefarious myths Recently released individuals are faced with jobs that are off limits apartments that cannot be occupied and votes that cannot be cast As The Color of Law exposed about our understanding of housing segregation Halfway Home shows that the

American justice system was not created to rehabilitate Parole is structured to keep classes of Americans impoverished unstable and disenfranchised long after they've paid their debt to society Informed by Miller's experience as the son and brother of incarcerated men captures the stories of the men women and communities fighting against a system that is designed for them to fail It is a poignant and eye opening call to arms that reveals how laws rules and regulations extract a tangible cost not only from those working to rebuild their lives but also our democracy As Miller searchingly explores America must acknowledge and value the lives of its formerly imprisoned citizens PEN America 2022 John Kenneth Galbraith Award for Nonfiction Finalist Winner of the 2022 PROSE Award for Excellence in Social Sciences 2022 PROSE Awards Finalist 2022 PROSE Awards Category Winner for Cultural Anthropology and Sociology An NPR Selected 2021 Books We Love As heard on NPR's Fresh Air **Halfway to Nowhere** Steena Holmes,Elena Aitken,2013-12-16 By USA Today Bestselling Author Steena Holmes and Elena Aitken comes their latest story sure to tug at the heartstrings of those who understand the depth of a mother's love Nikki Landon walked away from her small town Halfway Montana ten years ago with no intentions of setting foot there again But when her mother dies unexpectedly Nikki has no choice but to return and this time with the child she was trying to hide ten year old Ryan Becky Jennings is living her happily ever after She's married to the man of her dreams and even though that means being the wife of a Christmas tree farmer she's happy There's only one thing missing from her fairy tale life a child to hold in her arms After countless miscarriages she's struggling to accept that might be one dream that will never come true As teenagers Nikki would have done anything to protect her best friend Becky from heartache which is why she left But ten years later there's nowhere to hide in a small town where everyone can see the truth of the secret she can no longer keep Could Nikki's son be the child Becky has always longed for And if he is can the already fragile bond between the two friends withstand the heartache *Present Moments* Stephen Miller,Steve Miller,1999

Godstruck! Ian Wood,2019-06-02 It might surprise many people to learn that the USA is in its grass roots just as fundamentalist a nation as is any Islamic republic Passionate religious fervor drives at least forty percent of the electorate and through it faith is striving to push back hard won freedoms on every front Belief is working to defeat or contain advances in so many areas including scientific research and medicine What if in this blinkered horse race the reins were lost and in the future through one blunder after another the USA became even more deeply invested in fundamentalism It's already on the way of late When blind and power hungry people adorn themselves with the raiment of gods it's ordinary everyday people whose lives become Hell This is the story of someone in the not too distant future who fought that good fight Small-Town Romance Collection Debbie Macomber,Sheila Roberts,2016-02-15 Let 1 New York Times bestselling author Debbie Macomber and national bestselling author Sheila Roberts bring you two heartwarming small town romances See how a little yarn store and a local chocolate company can each bring a community together Two Special Shops Two Special Stories THE SHOP ON BLOSSOM STREET There's a little yarn store in Seattle called A Good Yarn It's owned by Lydia Hoffman and it
