Silent Partners in Multicultural Education Tuija Itkonen,Fred

Dervin,2017-02-01 This volume aims to stimulate interest in the under researched role of silent partners SPs in multicultural education Silent partners include formal and informal places spaces in schools e g architecture classroom facilities libraries corridors playgrounds canteens objects e g teaching aids furniture wall decorations and overall interior design interactive technologies use of devices and applications but also often taken for granted and not immediately visible patterns of thought ideologies and assumptions People involved in education all engage and work with a number of SPs that contribute to the delivery of curricula but also to social life and well being in and out of schools The way places spaces objects and technologies influence the school community s experiences of learning well being and social justice is rarely observed and problematised in education hence the adjective silent in the term silent partners This book not only fills a significant empirical gap but it can also inject public debate over future working environments in schools for multicultural education It will be relevant to both researchers interested in developing their knowledge on these issues from a different perspective but also educators in search of inspiration for multicultural education Praise for Silent Partners in Multicultural Education How to organize your classroom s configuration in such a manner that all pupils feel welcome and comfortable While most of those invested in multicultural education focus on the optimization of various linguistic aspects Itkonen Dervin and their colleagues give voice to the non verbal aspects of education In this book they elaborate how formal and informal places spaces in schools can unintentionally reflect ideologies and cultural assumptions They illustrate this perspective with telling examples that come from what is widely perceived as one of the best educational systems in the world This book is an important innovative contribution to the question of inclusion of all pupils in our school systems It provides an eye opening perspective to researchers in the field teachers principals and stakeholders willing to work for social justice in their schools Emmanuelle Le Pichon Vorstman Researcher and Assistant Professor Languages Literature and Communication Department Utrecht Institute of Linguistics Congratulations are in order for this ground breaking and significant book As the editors and authors convey convincingly and often poignantly multicultural education is an increasingly politicised phenomenon that needs all the friends and allies that it can garner The book s coverage of silent partners in education objects and technologies operating in specific places and spaces is therefore timely Yet as the book also highlights these silent partners can exert negative power as well as positive influence on educational outcomes The book presents a compelling account of the fundamental ambivalence framing these partners and formal educational provision more broadly Rendering these silent educational partners visible and open to scrutiny is a significant scholarly achievement by the Education for Diversities Research Group in the Department of Teacher Education at the University of Helsinki Finland building on their well deserved reputation for exploring the implicit and tacit and yet impactful dimensions of intercultural education and understanding The book is appropriately diverse and inclusive in its concerns with attention being directed at education in Finland France and the

United States Likewise the coverage traverses international and national schools higher education teacher education and productive methodologies for researching silent partners This innovative and thought provoking volume is highly recommended for its originality in helping us to see education for diversities in a new and powerful light Patrick Alan Danaher Professor in Educational Research in the School of Linguistics Adult and Specialist Education Associate Dean Research and Research Training in the Faculty of Business Education Law and Arts Toowoomba campus of the University of Southern Queensland Australia Adjunct Professor in the School of Education and the Arts Central Queensland University Australia Silent partners do not only reflect the ways we conceive of education but they also influence our practices as educators Being silent they are often taken for granted The strength of this book lies in its critical questioning of the notion of silent partners The chapters enlighten about the untold and the effects they have in an educational environment The readers especially in the fields of education and social justice will definitely acquire a more sensitive perception of how silent partners affect our approaches to multicultural education Dr Regis Machart Senior Lecturer Universiti Putra Malaysia Adjunct Professor University of Helsinki Finland **Routledge International Handbook of Social Justice** Michael Reisch, 2014-04-03 In a world where genocide hunger poverty war and disease persist and where richer nations often fail to act to address these problems or act too late a prerequisite to achieving even modest social justice goals is to clarify the meaning of competing discourses on the concept Throughout history calls for social justice have been used to rationalize the status quo promote modest reforms and justify revolutionary even violent action Ironically as the prominence of the concept has risen the meaning of social justice has become increasingly obscured This authoritative volume explores different perspectives on social justice and what its attainment would involve It addresses key issues such as resolving fundamental questions about human nature and social relationships the distribution of resources power status rights access and opportunities and the means by which decisions regarding this distribution are made Illustrating the complexity of the topic it presents a range of international historical and theoretical perspectives and discusses the dilemmas inherent in implementing social justice concepts in policy and practice Covering more than abstract definitions of social justice it also includes multiple examples of how social justice might be achieved at the interpersonal organizational community and societal levels With contributions from leading scholars around the globe Reisch has put together a magisterial and multi faceted overview of social justice It is an essential reference work for all scholars with an interest in social justice from a wide range of disciplines including social work public policy public health law criminology sociology and education

Citizen Participation in Non-profit Governance Sondra Z. Koff, 2017-09-08 Nonprofit organizations their governing structures boards of directors and their newest constituency members who represent the public at large are the subject of this book In recent years new mechanisms have been developed to link citizens with government and with diverse policy making entities Earlier it was assumed that citizens had little interest in policy deliberations and responsibility for public

needs was best left to the experts Many citizens now believe that they have a legitimate right to influence how power is exercised in public organizations Koff constructs a demographic profile of public members their activities and their opinions about board membership She also catalogues the perspectives of executive directors about public members identifies specific problems related to public participation and suggests strategies to help resolve them How effectively these bodies perform and how well they respond to the public are in part determined by the talents and activities of their members All of these members especially public members need appropriate tools to be able to perform in a superior fashion Despite the importance of governing bodies to an organization's performance there has been little examination of board members in general and specifically of public members This is the first book length study on the subject **Handbook of**

Globalization, Governance, and Public Administration Ali Farazmand, Jack Pinkowski, 2006-07-25 Globalization transcends borders and cultures as it develops both from the natural flow of information and communication technologies and as a directed and driven quest for global hegemony by self-serving corporations and world political heavyweights It bears a multifaceted web of influence that manifests in inequalities in growth prosperity and **Handbook of Research on**

Promoting Global Citizenship Education Keengwe, Jared, 2022-02-18 A global citizen is an individual who believes in a public responsibility for their local community to grow and interconnect amongst the world's diverse people and things Global citizenship education is a fast moving process that continues to intertwine communities all over the world As we move toward a more global world the improvement in education health poverty rates and standard of living should come with it This global world must be a place where people are aware of what is going on and can have an impact as well The Handbook of Research on Promoting Global Citizenship Education explores various ways to empower educators to design and implement a curriculum that incorporates global citizen education Covering a range of topics such as global issues and academic migration this major reference work is ideal for academicians industry professionals policymakers researchers scholars instructors and students Research Handbook on the Sociology of Organizations Godwyn, Mary, 2022-06-10 With

original contributions from leading experts in the field this cutting edge Research Handbook combines theoretical advancement with the newest empirical research to explore the sociology of organizations While including the traditional study of formal corporate business organizations the Handbook also explores more transitory informal grassroots organizations such as NGOs and artist communities **Routledge International Handbook of Children's Rights**

The New Public Service Janet V. Denhardt, Robert B. Denhardt, 2015-03-12 The New Public Service Serving not Steering provides a framework for the many voices calling for the reaffirmation of democratic values citizenship and service in the public interest It is organized around a set of seven core principles 1 serve citizens not customers 2 seek the public

interest 3 value citizenship and public service above entrepreneurship 4 think strategically act democratically 5 recognize that accountability isn't simple 6 serve rather than steer and 7 value people not just productivity The New Public Service asks us to think carefully and critically about what public service is why it is important and what values ought to guide what we do and how we do it It celebrates what is distinctive important and meaningful about public service and considers how we might better live up to those ideals and values The revised fourth edition includes a new chapter that examines how the role and significance of these New Public Service values have expanded in practice and research over the past 15 years Although the debate about governance will surely continue for many years this compact clearly written volume both provides an important framework for a public service based on citizen discourse and the public interest and demonstrates how these values have been put into practice It is essential reading for students and serious practitioners in public administration and public policy
