at <http://www.routledge/mentalhealth.com/cw/Capuzzi> **Human Rights-Based Approaches to Clinical Social Work** S. Megan Berthold, 2014-12-12 This groundbreaking Brief brings a rights based perspective to social work as opposed to the charity and needs based formats traditional to the field Core principles for effective practice are discussed in the context of global human rights advocacy from addressing individuals immediate issues to challenging the structures that allow continued injustices to marginalized populations Focusing specifically on interventions with survivors and some perpetrators of torture human trafficking and domestic violence coverage explores and explodes myths about these issues some of which survivors themselves may believe and illustrates the immediate application and long term benefits of rights based therapy Case examples discussion questions resource links and a clinician self care section reinforce the salience of this approach modeling practice that is ethical in its outlook and empowering in its healing Clinician skills emphasized in Human Rights Based Approaches to Clinical Social Work Reframing client needs as human rights Cultural humility versus cultural competence Building the therapeutic relationship and reconstructing safety Developing trauma informed practice and avoiding re traumatization Forensic and activist roles for social workers Burnout prevention for practitioners *Treating Addiction* William R. Miller, Alyssa A. Forcehimes, Allen Zweben, 2019-08-15 What we wish to offer you then is an updated professional resource that combines both clinical and scientific perspectives We hope this book will be helpful to professionals who are already treating addictive disorders and also to those who are just learning how to treat addictions We also encourage health professionals more generally to think of addictions as falling within their own normal scope of work and we have kept this in mind in our writing In addiction treatment it makes a difference what you do and how you do it and it is far easier to develop evidence based practice from the outset than to change already established habits Page x

Changing Substance Abuse Through Health and Social Systems William R. Miller, Constance M. Weisner, 2012-12-06 In both developed nations and the developing world there is a clear trend towards addressing alcohol tobacco and other drug problems through health and social services There are several persuasive arguments for this shift beyond pure economics which include comorbidity cost effectiveness coordination of care and effectiveness This is the first volume to pull together effective methods that can be used for addressing substance abuse through health and social service systems It also integrates interventions for a range of drugs of abuse rather than focusing on only one such as alcohol The book's international perspective also makes this a unique contribution to the existing literature Correctional Counseling and Rehabilitation Patricia Van Voorhis, Emily J. Salisbury, 2016-05-12 *Correctional Counseling and Rehabilitation* 9th ed presents foundations of correctional intervention including overviews of the major systems of therapeutic intervention diagnosis of mental illness and correctional assessment and classification Now fully updated to reflect DSM 5 its detailed descriptions and cross approach comparisons help students prepare for a career in correctional counseling and allow working professionals to better determine which techniques might be most useful in their particular setting The content is divided into five parts 1 A
