Prophet Muhammad (Peace Be Upon Him) in the Bible Dr. S.M. Mohiuddin Habibi, Syed Ahsan Habibi, 2016-05-13 The greatest hope of all the religious groups that awaited for scores of centuries with a dogma of their own Holy Books which witnessed the glory and the majesty of that personality called as Muhammad and Ahmad the Glorious and the Praised on whom be peace and lasting blessings which certainly got fulfilled when he finally arrived on the stage of the history The Scriptures of the Prophets that went before him ended their tasks by heralding the tiding of his coming Despite the textual corruption of those ancient scriptures the golden sayings were still preserved by ALLAH the One True God as a signpost for the honest and noble readers The seekers of truth Be certain of the fact that Prophet Muhammad Peace Be Upon Him was the promised Prophet and the awaited saviour whom the Jews called as the King Messiah His coming was prophesied by all the Prophets like Moses and Jesus Peace Be Upon Them long before his arrival and he was also mentioned in the Old and New Testaments Likewise the Far East Indian scriptures never failed to mention his name and praises which certainly constitute a miracle pertaining to him and confirming his Prophethood In the light of the above facts how could a man of wisdom escape from this overwhelming thought Or will he still deny this truth Or will he still await and hope that from Heaven angels would come and guide him when the final Message has already been delivered by Muhammadur Rasul ALLAH to the creation of ALLAH in general on whom be peace and lasting blessings Indeed it is ALLAH the Lord of the worlds Who Himself calls on us to acknowledge this truth in the Holy Quran O mankind The Messenger Muhammad on whom be peace and lasting blessings hath come unto you with the Truth from your Lord Therefore believe it is better for you But if ye disbelieve still lo Unto ALLAH belongeth whatsoever is in the heavens and the earth ALLAH is ever Knower Wise 4 170

Parker, 2017-05-31 Many have tried to understand Revelation but evidently few have actually taken the visions apart to study their chronology This book is part of the results of years of studying Revelation through the Greek not a translation This first book part one of the commentary includes a thorough discussion of the keys necessary for understanding Revelation and the timing of its events The entire commentary will include a new translation of Revelation along with running commentary in what is believed to be a close rendition of Revelation s true chronology Included support for these understandings comes from the Old and New Testaments early Christian writings and ancient Jewish understandings It is the author s belief that without these new findings Christians will not be able to fully understand Revelation and the End Times **Cleansing and Healing Streams** Shirley Christian, 2007-09-01 In this classic faith building book on healing and wholeness Dr Christian reveals fourteen Cleansing and Healing Streams and provides conclusive examples of God s miraculous healing power Its goal of updating traditional thinking on healing is brought to light through powerful insights on the many ways God heals His people It contains keys that unlock doors to divine health and illumination Dr Christian candidly reveals personal insights on healing triumphs failures and impossibilities made possible through God s gracious streams of power Her engaging examples will help you see why many fail and why many succeed in their quest for healing You can establish God s will in your life and learn how all things are possible Psalm 110 and the Logic of Hebrews Jared Compton, 2015-08-27 A neglected area of study of the letter to the Hebrews is the function of the Old Testament in the letter s logic Compton addresses this neglect by looking at two other ideas that have themselves received too little attention namely 1 the unique and fundamental semantic contribution of Hebrews exposition vis vis its exhortation and 2 the prominence of Ps 110 in the author s exposition The conclusion becomes clear that Hebrews exposition its theological argument turns in large part on successive inferences drawn from Ps 110 1 and 4 Compton observes that the author uses the text in the first part of his exposition to 1 interpret Jesus resurrection as his messianic enthronement 2 connect Jesus enthronement with his fulfillment of Ps 8 s vision for humanity and thus 3 begin to explain why Jesus was enthroned through suffering In the second and third parts of his exposition the author uses the text to corroborate the narrative initially sketched Thus he uses the text to 1 show that messiah was expected to be a superior priest and moreover 2 show that this messianic priest was expected to solve the human problem through death **HCSB Study**

Promised Land: Whose Land? Whose Promise? Plammoottil Cherian,2019-06-13 Biblical interpretation of the Abrahamic Covenants and his descendants often present a bias against the Arabs and Ishmaelites perhaps due to lack of full knowledge of God's covenantal promises and blessings to humanity Dr Cherian presents clear evidences that God has no partiality and that Jews Christians Arabs Muslims Hindus and all people are equally called to be the partakers of the Kingdom of God Ishmael was not rejected but he and his generations were abundantly blessed and they have a continuous role to play in the end stages of the world As a skilled detective the author examines the Scriptures and calls all people to unlock the Bible and fight for the Eternal Promised Land The book presents A complete history of God and humanity *James Barr Assessed* ,2021-08-16 James Barr is a widely recognized name in biblical studies even if he is still best known for his *The Semantics of Biblical Language* Barr's *Semantics* although first published in 1961 still generates animated discussion of its claims However over his lengthy career Barr published significant scholarship on a wide variety of topics within Old Testament studies and beyond This volume provides an assessment of Barr's contribution to biblical studies sixty years after the publication of his first and still memorable volume on biblical semantics As a result this volume includes essays on major topics such as the Hebrew language lexical semantics lexicography the Septuagint and biblical theology *Suffering in Ancient Worldview* Brian J. Tabb,2017-04-20 *Suffering in Ancient Worldview* investigates representative Christian Roman Stoic and Jewish perspectives on the nature problem and purpose of suffering Tabb presents a close reading of Acts Seneca's essays and letters and 4 Maccabees highlighting how each author understands suffering vis vis God humanity the world's problem and its solution and the future Tabb's study offers a pivotal definition for suffering in the 1st century and concludes by creatively situating these ancient authors in dialogue with each other Tabb shows that despite their different religious and cultural positions these ancient authors each expect and accept suffering as a present reality that is governed by divine providence however defined Luke Seneca and the author of 4 Maccabees each affirm that suffering is not humanity's fundamental problem Rather suffering functions as a cipher for other things to be displayed For Seneca suffering provides an

opportunity for one to learn and show virtue The author of 4 Maccabees presents the nation s suffering as retribution for sin while the martyrs virtuous suffering leads to Israel s salvation For Luke the Lord Jesus suffers to accomplish salvation and restoration for the world marred by sin and suffering and the suffering of his followers is instrumental for Christian mission
