Preaching to a Postmodern World Graham M. Johnston,2001-07-01 While growing churches dot our urban centers and country landscapes church goers and students today are actually less likely to maintain a Christian worldview than in the past In fact the majority of society does not even believe in objective truth A minister out of touch with this culture is like an uninformed missionary trying to teach in a foreign country To communicate God s Word effectively in the twenty first century teachers need to know how to connect with and confront an audience of postmodern listeners In *Preaching to a Postmodern World* Johnston shows pastors seminary students professors lay teachers and church leaders can reach the present age without selling out to it The book discusses how to distinguish between modernism and postmodernism understand postmodern worldviews change the style of preaching without compromising the substance take advantage of new opportunities provided by the cultural shift show an inattentive society the relevance of God s truth The author s keen insights into contemporary pop and media culture also help equip speakers to address today s listeners with clarity and relevance

Your Identity in the Trinity Sean Cole,2019-04-12 Many believers struggle with assurance of salvation tending to approach obedience to God out of either guilt or legalism We exist to display God s glory declare God s gospel and disciple for God s Great Commission Instead of embracing these truths many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him The gospel tells us that being identity comes before doing obedience This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience The gospel indicatives in the Bible serve as the fountain and power for obeying the moral imperatives in the Bible The gospel roots our assurance of salvation and motivation to obey God in our identity not in moralism which elevates our performance instead of exalting the finished work of Christ

95 Theses for a New Reformation Aaron Hebbard,2017-10-09 Five hundred years ago Martin Luther wrote his Ninety Five Theses inaugurating the Protestant Reformation and with it exemplified an unflinching devotion to return to the Word of God as the ultimate authority Today the church is also in desperate need for reformation a new reformation to correct her shortcomings and meet the challenges of the day Some might see everything as fine some might see everything as hopeless and others might simply dismiss the church as irrelevant too impotent to reform herself much less to strengthen the disintegrating family or address the downward spiraling culture with a prophetic voice 95 Theses for a New Reformation confronts the necessity for reformation today head on Over thirty of today s pastors theologians and church leaders analyze ninety five current problems search the Scriptures for solutions and make sound biblical appropriations to implement into the life of the church family and culture On this 500th anniversary of the Protestant Reformation let us pray that the Lord will again revive his church for his own glory and for the purification of Christ s beloved bride the church And let us prepare ourselves to respond with urgency to God s call to action by reforming the church family and culture Contributors include John Frame John MacArthur R C Sproul Peter J Leithart and James White

Word-Centered Church Jonathan Leeman,2017-05-02 It s a question hundreds of pastors ask every day What is the best way to grow A lot of books give a lot of answers but the best one comes from Scripture Word Centered Church brings that answer into sharp focus Written by Jonathan Leeman editorial director for the reputable ministry 9Marks Word Centered Church offers a thorough treatment of one of God s greatest concerns growing His people and growing His church As simple as the concept may seem it s one that many churches miss and to their own detriment Because when churches center everything they do on God s Word when the pulpit ministry gives direction to every aspect of the church s life growth happens God s way God s Word is what creates the church and it s what sustains it too Theological and practical Word Centered Church focuses on how the church hears responds to discusses implements and is transformed by Scripture It s not about high octane production superstar personalities or postmodern entreaties but stuff that is really old really good and really powerful Word Centered Church is the ministry model book that churches need because it advances the model God designed For anyone who wants to grow or help others grow Word Centered Church is indispensable

The Gospel According to Micah Dr. Micah L. Caswell, 2022-11-08 Most people do not understand elements of the gospel that are emphasized in the minor prophets For example without the minor prophets we are at risk of not cherishing or fearing the day of the Lord Joel 2 Likewise we'd fail to understand and appreciate themes like the wrath of God Micah 2:3 and social justice Micah 6:8 in light of the Christ event Micah is often overlooked but this commentary presents a compelling case for why he matters The author argues that while Micah is often lumped in with minor prophets he deserves to be taught on his own He also suggests that while many have read and preached Micah they have missed the gospel For instance a minor prophetic book like Micah is sometimes used by advocates for social justice to advance a progressive social gospel agenda which runs the risk of applying the text in a way that urges people toward

progressive political positions disconnected from Jesus Take Micah back and marvel at the glory of the Lord with the insights and commentary in *The Gospel According to Micah* **That Which They Can't See** David Van Brugge, 2025-01-20 In this retrieval study David Van Brugge addresses how the current understanding of a homiletical use of imagination for expository preaching might be strengthened The current need for strengthening becomes apparent when the various understandings of imagination and their implications for practical theology are realized This is compounded as trends in homiletics seem to minimize the imagination or embrace it in modern or postmodern ways The original contribution of this study is recognizing that the homiletical use of imagination can be strengthened by retrieving the Puritan baroque characteristics of Jonathan Edwards imagination as evidenced in his sermons to the Stockbridge Indians of 1751 1758 Edwards drew on a rich background to display an imagination that synthesized thoughts and ideas thought beyond the senses and that by the grace of God transformed thought and practice Through that creative thought Edwards maintained Biblical exposition and appeal to the affections Van Brugge further develops and evaluates the idea of Puritan baroque characteristics concluding that it is a helpful characterization of Edwards Stockbridge Indian sermons In these sermons Edwards imaginatively used imagery light space movement and glorification for the ultimate goal of directing the affections of his audience towards God Such a use of imagination for affective purpose becomes a key for the strengthening of a homiletical use of imagination today Pastoral Ministry Deron J. Biles, Paige Patterson, Jason G. Duesing, 2017-11-01 Pastoral Ministry brings together the mandate of God the needs of the sheep and the model of the good Shepherd to uniquely inspire and equip you to fulfill your ministry as a shepherd **Becoming a Pastor Theologian** Todd Wilson, Gerald L. Hiestand, 2016-10-27 The Center for Pastor Theologians CPT seeks to overcome the bifurcation that has developed between the roles of pastor and theologian Based on the first CPT conference in 2015 this volume brings together the reflections of church leaders and academic theologians to consider how these roles might be reconnected once again **8 Hours or Less** Ryan Huguley, 2017-05-02 What every pastor wants more time The clock is every pastor's nemesis Between meetings administration counseling and other duties it's hard to find enough time for sermon prep Unless you change the process 8 Hours Or Less will show preachers how to write the same sermons they've been writing but in half the time Author Ryan Huguley reveals The biggest time wasters in sermon prep The five marks of a faithful sermon A day by day plan for writing sermons Tips for preparing your mind heart and notes for preaching Common pitfalls in ending a sermon And more Huguley is a pastor and the host of a podcast featuring leaders like Matt Chandler Doug Wilson and Nancy Ortberg What he shares in 8 Hours or Less is a process he's been refining for six years and it has radically improved both his preaching and experience in ministry Why work harder when you can work smarter 8 Hours or Less brings relief to the time crunch and helps pastors be healthier more balanced and more effective all without making their sermons suffer for it *Privilege the Text!* Abraham Kuruvilla, 2013-04-25 Privilege the Text spans the conceptual gap between biblical text and life application by providing a rigorous theological hermeneutic for preaching

Kuruvilla describes the theological entity that is the intermediary between ancient text and modern audience and defines its crucial function in determining valid application Based on this hermeneutic he submits a new mode of reading Scripture for preaching a Christiconic interpretation of the biblical text a hermeneutically robust way to understand the depiction of the Second Person of the Trinity in Scripture In addition Kuruvilla s work provides a substantive theology of spiritual formation through preaching what it means to obey God the Christian s responsibility to undertake faith full obedience to divine demand and the incentives for such obedience all integral to understanding the sermonic movement from text to application Privilege the Text promises to be useful not only for preachers and students and teachers of homiletics but for all who are interested in the exposition of Scripture that culminates in application for the glory of God *Elders and Deacons and Saints, Oh My!* James Kirkland,2015-11-12 *Elders and Deacons and Saints Oh My* shares the Bibles teachings on leadership and organization It offers members of todays churches the insights needed to fulfill the five purposes God gives to love Him love others evangelize identify new followers and make them faithful disciples Author James Kirkland a pastor and theologian with deep experience as a business owner and CERTIFIED FINANCIAL PLANNERTM Professional weaves together organizational wisdom and biblical teaching Through a study of the Scriptures *Elders and Deacons and Saints Oh My* defines the roles of the churchs leaders and presents the Bibles model for organizing congregations It paints a picture of servant leaders grounds their authority in biblical teaching and guides them in assembling faithful teams of ministers who practice loving care for others following the model of Christs love for all people If you find yourself listening to Gods call to the church but then growing disappointed at how your congregation answers that call then *Elders and Deacons and Saints Oh My* can help you become a stronger leader It combines scripturally inspired teaching about leaders and church administration with practical methods for building and leading teams You will gain understanding about the strengths of clearly defined roles for elders deacons and church members and the power for mission that comes when leaders organize Gods people around those roles In the end your disappointment can turn to joy through encouraging members toward Christian maturity and equipping them to share Christs love with others **The Pastor as Scholar and the Scholar as Pastor** John Piper,D. A. Carson,2011-03-31 Following the 2009 Gospel Coalition conference John Piper and D A Carson presented two talks at Park Community Church in Chicago IL sponsored by the Henry Institute at Trinity Evangelical Divinity School The topic of their presentation was on the relationship of scholarship and pastoral ministry Piper centered on the importance of scholarship and academic pursuits in his role as pastor Carson conversely focused on the importance of pastoral ministry in his career as scholar The event was enthusiastically received and brought great insight and balance Now their talks have been edited with additional content and put into book form *Weaving testimony and teaching* Piper and Carson challenge all those in ministry to think carefully and holistically about their calling An introduction by Owen Strachan and a conclusion by David Mathis provide context and application to these unique messages Pastors and scholars will want to take advantage of this valuable

Americans who have trusted Jesus Christ for salvation more than 70 million have never shared the Good News In a
postmodern and post Christian culture in the midst of a crisis of unbelief the only way souls will be touched is if God s people
