Healing Practices To Help Kids Grow Up Easier:

My Grandmother's Hands Resmaa Menakem, 2017-08-21 A NATIONAL BESTSELLER My Grandmother's Hands will change the direction of the movement for racial justice Robin DiAngelo New York Times bestselling author of White Fragility In this groundbreaking book therapist Resmaa Menakem examines the damage caused by racism in America from the perspective of trauma and body centered psychology The body is where our instincts reside and where we fight flee or freeze and it endures the trauma inflicted by the ills that plague society Menakem argues this destruction will continue until Americans learn to heal the generational anguish of white supremacy which is deeply embedded in all our bodies Our collective agony doesn't just affect African Americans White Americans suffer their own secondary trauma as well So do blue Americans our police My Grandmother's Hands is a call to action for all of us to recognize that racism is not only about the head but about the body and introduces an alternative view of what we can do to grow beyond our entrenched racialized divide Paves the way for a new body centered understanding of white supremacy how it is literally in our blood and our nervous system Offers a step by step healing process based on the latest neuroscience and somatic healing methods in addition to incisive social commentary Resmaa Menakem MSW LICSW is a therapist with decades of experience currently in private practice in Minneapolis MN specializing in trauma body centered psychotherapy and violence prevention He has appeared on the Oprah Winfrey Show and Dr Phil as an expert on conflict and violence Menakem has studied with bestselling authors Dr David Schnarch Passionate Marriage and Dr Bessel van der Kolk The Body Keeps the Score He also trained at Peter Levine's Somatic Experiencing Trauma Institute [The Missing Piece](#) Hermon R. Card, Dolores R. Card, 2013-08-08 We are in an education crisis We need to restore the teaching profession to one of respect and support and provide effective education to enable current students the new kids to rise to their full potential What a fabulous book Herm and Dolores have written a truly inspirational resource for teachers This should be required reading for anyone preparing to enter the classroom and for anyone who needs to step back and rethink think through or reconsider their practice They speak to the readers heart as well as the head and Herms poetry is the best medicine I know for preventing teacher burnout Carol Jago president of the National Council of Teachers of English and long time middle and high school teacher in Santa Monica California The Missing Piece by Dolores and Hermon Card is the book we've all been waiting for about how to educate the new kids this evolutionary bunch of uniquely different individuals known variously by labels as quirky as they are You name it and this book covers it and in a style as usable as it is advanced Dolores and Hermon encourage students to make connections to themselves and then work beyond themselves to extend their reach to work with us not for us The raw truth about our current education system and how to fix it is covered with poetry with solutions and with expansive teaching styles that include meditation Reiki chakras the higher self and the importance of spirituality No this isn't new age it is new thought in its most courageous form a balanced and realistic way to educate the whole child I was blown away by The Missing Piece

No one else has looked at our educational system today and the various proposals to fix what's wrong with eyes and hearts broad enough to recognize what was and is still missing what the new kids must have a holistic approach Thank you Dolores and Hermon Card for giving us a miracle P M H Atwater L H D author of Children of the Fifth World Future Memory and Near Death Experiences The Rest of the Story
