Easter Christmas and other holidays daily prayers and much more In the appealing conversational tone that has won him millions of devoted readers Hahn presents the basic tenets of Church teachings clears up common misconceptions about specific rituals and traditions and responds thoughtfully to the objections raised about them Each chapter concludes with loving good natured inspiring advice on applying the Church s wisdom to everyday life *Consuming the Word* Scott Hahn,2013-05-28 From the bestselling author of *The Lamb s Supper* and *Signs of Life* comes an illuminating work that unlocks the many mysteries of the Catholic sacrament of the Eucharist Long before the New Testament was a document it was a sacrament Jesus called the Eucharist by the name Christians subsequently gave to the latter books of the Holy Bible It was the New Covenant the New Testament in his blood Christians later extended the phrase to cover the books produced by the apostles and their companions but they did so because these were the books that could be read at Mass This simple and demonstrable historical fact has enormous implications for the way we read the Bible In *Consuming the Word* The New Testament and the Eucharist in the Early Church Dr Scott Hahn undertakes an examination of some of Christianity s most basic terms to discover what they meant to the sacred authors the apostolic preachers and their first hearers Moreover at a time when the Church is embarking on a New Evangelization he draws lessons for Christians today to help solidify their understanding of the why it is Catholics do what Catholics do Anyone acquainted with the rich body of writing that flows so inspiringly from the hand and heart of Dr Hahn knows that he brings profound personal insight to his demonstrated theological expertise writes Cardinal Donald Wuerl in the foreword to the book *Consuming the Word* continues in that illustrious tradition It brings us a powerful and welcome guide as we take our place in the great and challenging work in sharing the Good News *Angels and Saints* Scott Hahn,2014-05-27 Angels and saints Catholics tend to think of them as different from the rest of us They re cast in plaster or simpering on a holy card performing miracles with superhero strength or playing a harp in highest heaven Yet they are very near to us in every way In this lively book Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance The truth is that Jesus Christ has united heaven and earth in a close communion Drawing deeply from Scripture Dr Hahn shows that the hosts of heaven surround the earthly Church as a great cloud of witnesses The martyrs cry out from heaven s altar begging for justice on the earth The prayers of the saints and angels rise to God in the Book of Revelation like the sweet aroma of incense Dr Hahn tells the stories of several saints and several angels too in a way that s fresh and new The saints are spiritual giants but with flesh and blood reality They have strong holy ambitions and powerful temptations and opposition that must be overcome Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives In this telling of their story the saints are neither otherworldly nor this worldly They exemplify the integrated life that every Christian is called to live Still their lives are as different from one another as human lives can be Dr Hahn shows the heavenly Church in all its kaleidoscopic diversity from Moses to Mary Augustine to Therese and the first century to the last century Only saints will live in heaven We need to be

more like the saints if we want to live in heaven someday Dr Hahn shows us that our heavenly life can begin now It must
