Healing With The Hip Chick:

The Hip Chick's Guide to Macrobiotics Jessica Porter, 2004-09-09 A modern girl's guide to the secrets of eating for health, beauty and peace of mind. Part Joan Rivers, part Mahatma Gandhi, Jessica Porter makes macrobiotics meaningful, hilarious and totally life-changing. Simon Doonan, creative director of Barneys New York and author of *Wacky Chicks*, heralded by *New York* magazine as one of the city's most popular diets, macrobiotics has become the latest trend in dieting thanks to high-profile supporters like Madonna and Gwyneth Paltrow. Speaking to the generation of young women looking to extend their healthy lifestyles beyond yoga and Pilates, macrobiotic chef and instructor Jessica Porter offers fresh, contemporary and accessible insight into one of the world's most popular diets that is based on century-old principles. She explains that through the right balance of food, women can find balance in every aspect of their lives: improved health, weight loss or fulfilling relationships. The effects of eating a macrobiotic diet can extend beyond basic health to weight loss, beauty, better sex and peace of mind. Cooking tips and recipes are combined with Jessica's no-nonsense philosophy and witty anecdotes to create a lifestyle book that will inspire women to hit the kitchen with an understanding of how to strengthen their mind and body through food.

Hip Tranquil Chick Kimberly Wilson, 2010-09-24 Hip Tranquil Chick addresses that huge but unacknowledged demographic of fashionistas equally at home at Bergdorf's and the yoga studio. The book is divided into two major sections that cover all bases for the style-minded seeker. On the Mat shares seven must-have modern girl yoga sequences such as Healing Hip Openers and Negativity Releasing Heart Openers and explains yoga philosophy in hip chick language. Off the Mat showcases nine ways to become more fabulous and balanced by incorporating yogic qualities like introspection, strength and flexibility into daily life. The nine lifestyle chapters reveal how to turn on the mat, wear into on the town style, how to create soulful surroundings at home and work, mindful money management, finding a passion-filled career, how strategic soiree throwing creates community, tips for practicing social consciousness and more. Each chapter is accompanied by helpful OMwork to translate these concepts into reality. Abundant illustrations accentuate the text and a savvy sources section encourages further exploration.
