The Child, 1952 **Nation's Health** John Augustus Lapp, Charles-Edward Amory Winslow, Frank Leslie Rector, 1923 *Transforming Early Head Start Home Visiting* Bridget A. Walsh, Jennifer A. Mortensen, 2019-10-29 Research on home visiting shows that Early Head Start EHS home based programs benefit from additional training and resources that streamline philosophy and content In this essential guide Walsh and Mortensen propose that alignment with Family Life Education's FLE strengths based methodology results in greater consistency through a model of prevention education and collaboration with families This text is the first to outline linkages between FLE and EHS home visiting It explores a qualitative study of FLE integrated in a current EHS home based program and application of FLE methodology to home visiting topics This approach will influence professional practice and provide a foundation for developing evidence based home visiting practices Online content accompanies the text with videos demonstrating the FLE approach in action and discussion questions to encourage engagement with and understanding of the core material Transforming Early Head Start Home Visiting A Family Life Education Approach is essential reading for upper level undergraduate and masters students in family studies and early childhood education as well as practitioners working with children and families

Promoting Healthy Outcomes During Pregnancy and Beyond Christina F. Mondí, Joanne Roberts, Lindsey Sagasta, Lindsay Boyer, Jillian Brashear, Allison Kemner, Sondra Horowitz, Lindsey Shah, Abigail Edwards, Kerry Caverly, Catherine Ayoub, 2025-09-23 This book provides essential knowledge and tools for home visitors and other parent facing professionals to build trusting relationships with pregnant and postpartum clients in order to provide them with the information guidance resources and signposting they need to avoid adverse health outcomes Adverse health outcomes as a result of pregnancy and birth affect millions each year affecting physical and mental health and in some cases resulting in death Due to systemic bias and persistent socioeconomic disparities certain groups are more at risk for these poor outcomes including people of color especially Black people people from lower socioeconomic backgrounds lesbian gay bisexual transgender and queer LGBTQ

people and disabled people Sitting within a social determinants of health framework this practical guide summarizes the most relevant research and translates it into action steps Each chapter will address a key issue related to morbidity and mortality in relation to pregnancy and birth including statistics key definitions and discussion of risk factors protective factors and disparities Case studies reflective questions and recommendations make it straightforward for the reader to apply the learning to their own practice This book is an invaluable resource for all those health community and social service providers including home visitors who work with families parents to be and new parents

New Developments in Parent-child Relations Dorothy M. Devore, 2006 In the life of a person there are probably no events outside influences or genetic characteristics even approaching the significance of the broad category of acts and actions called parent child relations These include decisions and actions and lack thereof from the first day of life and sometimes throughout the life span They include learning by example schooling disciplining coping skills behavioural practices eating habits communication skills conflict management and a plethora of other actions This book presents new research in this dynamic field

Association Medical Journal, 1916 British Medical Journal, 1910 Practical Nursing Curriculum United States. Office of Education, 1950

Parent-Child Relations: A Guide to Raising Children (Revised Edition) Hisham Altalib, AbdulHamid Ahmad AbuSulayman, Omar Hisham Altalib, 2024-03-11 Modern families face challenges unprecedented in human history The time attention and vigilance required of parents is exhausting and consuming family life Parents are required to balance complex schedules be technology aware social media informed constantly monitor children s screen time and media communication cope with academic problems shield them from the dangers of immorality find inventive ways to overcome their boredom organize extracurricular activities and handle everything within financially constrained circumstances that increasingly require both to be working Little wonder that anxiety is on the rise and parents are increasingly fearing for their children s future The authors in this book attempt to address parents concerns and equip them with the confidence and tools necessary to work towards understanding and addressing the real needs of both themselves and their children to nurture the child s character self confidence life skills moral boundaries spiritual development and much more There is no quick fix Myths are debunked and practical tips offered throughout which can be implemented immediately with fun activities outlined at the end of each chapter with the aim of improving parent child relationships through bonding love patience openness respect and communication
